**The Storm Before the Storm** Mike Duncan, 2017-10-24 From the creator of the award-winning podcast series *The History of Rome* and *Revolutions* comes the remarkably engaging (Washington Post) history of the bloody battles, political machinations, and human drama that set the stage for the fall of the Roman Republic. The Roman Republic was one of the most remarkable achievements in the history of civilization. Beginning as a small city-state in central Italy, Rome gradually expanded into a wider world filled with petty tyrants, barbarian chieftains, and despotic kings. Through the centuries, Rome's model of cooperative and participatory government remained remarkably durable and unmatched in the history of the ancient world. In 146 BC, Rome finally emerged as the strongest power in the Mediterranean. But the very success of the Republic proved to be its undoing. The republican system was unable to cope with the vast empire Rome now ruled: rising economic inequality disrupted traditional ways of life, endemic social and ethnic prejudice led to clashes over citizenship and voting rights, and rampant corruption and ruthless ambition sparked violent political clashes that cracked the once indestructible foundations of the Republic. Chronicling the years 146-78 BC, *The Storm Before the Storm* dives headlong into the first generation to face this treacherous new political environment. Abandoning the ancient principles of their forbearers, men like Marius, Sulla, and the Gracchi brothers set dangerous new precedents that would start the Republic on the road to destruction and provide a stark warning about what can happen to a civilization that has lost its way.

**The Storm Before the Calm** Talbot Davis, 2015-09-15 In this five-week study, Davis addresses life's turbulent, trying moments by looking at some of Scripture's most significant "storm stories." By turning the popular phrase, "the calm before the storm" on its head, *The Storm Before the Calm* presents a unique take on the significance of life's storms—grief, job loss, relationship failures, etc.—and how faith in Christ helps us weather them. Davis's message is clear and challenging: life's storms prepare us for the calm that follows. Discussion questions at the end of each chapter are designed to help leaders of small groups. Also available when purchasing the book is access to a free video trailer and an audio recording of the author's sermons as another way to experience the weekly message.

*Summary of Mike Duncan's The Storm Before the Storm* Everest Media, 2022-03-08T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Tiberius Gracchus was the son of Scipio Africanus and Cornelia, and he was a great military leader. He was also present at the siege of Carthage, where he watched the city burn.

#2 After the Second Punic War, the Roman Republic was flooded with treasure, which some senators feared would lead to moral degradation. However, this only affected the small group of noble families who controlled the spoils of war. #3 The rich families that acquired all the land also bought slaves to work their growing estates. The demand for free labor plummeted just as poor Roman families were being pushed off their land. As a result, the poor tenants became peasants forever tied to their landlords unless someone came along and offered them a way out. #4 The Roman Republic faced a crisis in the second century, as the rich pushed the poor off the land, leaving less citizens able to meet the minimum property requirement to be drafted. The Romans had faced similar crises in the past, and responded by lowering the property requirement to bring more men under arms.

**The Storm Before the Calm** George Friedman,2021-01-12 \*One of Bloomberg's Best Books of the Year\* The master geopolitical forecaster and New York Times bestselling author of *The Next 100 Years* focuses on the United States, predicting how the 2020s will bring dramatic upheaval and reshaping of American government, foreign policy, economics, and culture. In his riveting new book, noted forecaster and bestselling author George Friedman turns to the future of the United States. Examining the clear cycles through which the United States has developed, upheaved, matured, and solidified, Friedman breaks down the coming years and decades in thrilling detail. American history must be viewed in cycles—particularly, an eighty-year institutional cycle that has defined us (there are three such examples—the Revolutionary War/founding, the Civil War, and World War II), and a fifty-year socio-economic cycle that has seen the formation of the industrial classes, baby boomers, and the middle classes. These two major cycles are both converging on the late 2020s—a time in which many of these foundations will change. The United States will have to endure upheaval and possible conflict, but also, ultimately, increased strength, stability, and power in the world. Friedman's analysis is detailed and fascinating, and covers issues such as the size and scope of the federal government, the future of marriage and the social contract, shifts in corporate structures, and new cultural trends that will react to longer life expectancies. This new book is both provocative and entertaining.

That's why Gladie is more than a little skeptical when her Grandma Zelda—who is more than a little psychic—recruits her into the family's matchmaking business in the quaint small town of Cannes, California. What's more, Gladie is also highly unqualified, having a terrible track record with romance. Still, Zelda is convinced that her granddaughter has her clairvoyant “gift.” But when the going gets tough, Gladie wonders if this gift has a return policy. \* When Zelda's neighbor drops dead in his kitchen, Gladie is swept into his bizarre family's drama. Despite warnings from the (distractingly gorgeous) chief of police to steer clear of his investigation, Gladie is out to prove that her neighbor's death was murder. It's not too long before she's in way over her head—with the hunky police chief, a dysfunctional family full of possible killers, and yet another mysterious and handsome man, whose attentions she's unable to ignore. Gladie is clearly being pursued—either by true love or by a murderer. Who will catch her first? \* *Citizen Pain*: \* Since joining the family matchmaking business run by her eccentric and psychic Grandma Zelda, Gladie is always looking for love. But when an unbearable toothache knocks her out of commission and into the dentist's chair, she prays only for relief. No such luck. Emerging from an anesthetic haze, Gladie awakes to find that not only is her tooth still throbbing, but her dentist is dead—and the lead suspect in the murder, office receptionist Belinda, just so happens to be Gladie's first real client. Now it's up to Gladie to find Belinda a man and keep her from being locked up behind bars. \* As if that weren't enough distraction, two gorgeous men are vying for Gladie's attention: Spencer, the playboy chief of police, and Holden, Gladie's secretive, gorgeously muscled neighbor. Still, Gladie's not complaining about having a helping hand or two when the case leads her to a dangerously bizarre cult. She may have met her match—and if she's not careful, it could be her last. \* *The Wizard of Saws*: \* Five months have passed since Gladie Burger came to Cannes, California, to join her eccentric Grandma Zelda in the family matchmaking business, and Gladie is quickly mastering the rules of attraction. Her latest fix-up is still going strong and Gladie's bank account is back in the black—until a rival matchmaker arrives in town and has both Gladie and Zelda seeing red. \* Not only is self-proclaimed psychic Luanda Laughing-Eagle stealing Grandma Zelda's clients, but Zelda is convinced that Luanda's ESP is total BS. She tasks Gladie with exposing Luanda as a fraud, but Gladie's attention is diverted when murder comes a-calling. Spencer Bolton, the gorgeous chief of police and Gladie's on-again, off-again flame, wants her to stay out of the investigation—and away from the deliciously

chiseled detective who also aims to win Gladie's heart. But the one thing Gladie's learned is that in business, love and murder . . . it's always personal. \* Field of Screams: \* Since joining the family matchmaking business run by her eccentric and psychic Grandma Zelda, Gladie has had little success. Involved on one level or another—hot sex, almost committed, and crying in her pillow—with three men, Gladie distracts herself by giving up on matchmaking and starting a new career. But when Gladie stumbles on body parts of dead baseball players all over town, she's dragged into solving yet another murder mystery. With her life in chaos and the killer getting closer, Gladie has to come to terms with the fact that love is murder. \* From Fear to Eternity: \* It's still up in the air whether Gladie really has her psychic grandmother's "gift," but she's determined to finally give matchmaking her best shot. She's also determined to give her new relationship with hottie Police Chief Spencer Bolton a shot...that is, if she can find him. \* Despite her good intentions, Gladie is being sued by a matchmaking client, but even with bankruptcy around the corner, that's not her biggest problem. There seems to be a rash of dead senior citizens popping up at the tea shop owner's family home. Gladie is recruited to find the murderer, but this time she may have met her match—and if she's not careful, it could be her last. \* West Side Gory: \* Life is going great for Gladie Burger. She's having lots of sex with her hottie boyfriend, Chief of Police Spencer Bolton, she's settled into her matchmaking career, she's got a new car, and it's been over two weeks since she's stumbled on a dead body. It seems like she's finally got her life on track, since she moved in with her psychic grandmother to help her with her matchmaking business. \* But when a stomach ache proves to be more serious, she finds herself in West Side Hospital, preparing for surgery. Befriending the woman in the next bed in her hospital room, she becomes distressed when the woman vanishes. Alerting the hospital staff, they tell her that the woman never existed. Has Gladie lost her mind, or is something more sinister happening at West Side Hospital? \* Scareplane: \* Gladie is nervous about her upcoming vacation with hottie police chief Spencer Bolton. She's never flown before, and she's not looking forward to the experience. Her fear is heightened when a plane crashes into the house across the street. But there's little time to think about it because their town is hosting a law enforcement conference, where Southern California's finest are coming to discuss law and order. Everything is going to plan. Spencer is hailed as a great police chief, and Gladie is fixing up half of the town...until one of the guests—a famous police czar—drops dead. Now everyone is a suspect, and Gladie is being prevented from investigating the death by the new police detective on the force...a hottie female cop who thinks Gladie is enemy #1 and Spencer is marriage material. \* It Happened one Fright: \* Spencer might have marriage on his mind, but Gladie is distracted by her best friend's troubles and a busy matchmaking month. The father of Bridget's baby is threatening to take custody away from her, and when he winds up murdered, Bridget becomes the top suspect. Now, Gladie must juggle her own love life, her matchmaking, and proving that Bridget is innocent, not to mention dealing with the town's attempt to break the world record for the largest Easter egg hunt. But poking around is dangerous, and Gladie could be next on the killer's hit list. \* The Big Kill: \* Progress is being made on Gladie's house and her

impending wedding. Meanwhile, her best friend Bridget is ready to give birth. But all of that takes a backseat to Gladie's discovery in her grandmother's attic about her father. It looks like her father's motorcycle accident when she was a child was no accident, and now Gladie is thrust into her father's world, where his best friends could have been his murderers. Will Gladie find the killer before she's next? \* It's a Wonderful Knife: \* It's wedding time in Cannes. Gladie's wedding. But once again, love has to take a backseat to murder. Will Gladie's wedding go off without a hitch? Ha! Just kidding. Enjoy the mayhem as Gladie and Spencer finally say their vows and realize their happily ever after. \* Ship of Ghouls: \* Gladie and Spencer are finally married. After they're gifted a honeymoon cruise, they're on their way into international waters. But the ship is less than luxurious, and the ship's crew isn't what they seem. When Gladie stumbles on a dead body, the newlyweds are thrust into a life-or-death mystery. Gladie's "gift" could come in handy to find the killer, but she might find herself overboard before justice is served. \* Road to Matchmaker: \* A month before Gladie Burger moves to the small town of Cannes, California to help in her grandmother's matchmaking business, she's busy moving from one temporary job to the next. Living in Los Angeles in a studio apartment over an Italian restaurant, she works in a used book store doing inventory, but she spends most of her time reading the collection of old murder mysteries. After an accident involving the books, Gladie has lost her memory and believes she's the detective in the last book that she read. Determined to track down her arch nemesis, Gladie finds herself in a real-life mystery and an adventure of a lifetime. \* Matchmaking Advice From Your Grandma Zelda: \* The complete collection of Grandma Zelda's matchmaking advice from the bestselling Matchmaking Mysteries series. All of her words of wisdom are here, and as a bonus, Yiddish definitions and introductions by Elise Sax and Grandma Zelda are included. Zelda's humorous words of wisdom about love and life are a shot of happiness, sure to brighten anyone's day.

**Ptoxocracy** M. C. Lohrmann, 2025-05-20 The call of the church is ptoxocracy, either as a witness and practitioner or as its ideal standard-bearer in the world. To have a meaningful stake in the lives of the poor, argues M. C. Lohrmann, would change the ways in which governance of all types--national or local municipalities, denominations, religious judicatories, and non-profit boards--determines its focus. Lohrmann defines ptoxocracy (derived from the Greek ptoxi, the poorest of the poor) as governance by the materially poor; a hybrid form of representative democracy whereby only persons of the lowest economic status are eligible for elected public office. This model, he contends, allows us to step back from the coupling of wealth and power created by myths of meritocracy and a rich ruling class to envision a system that works for the good of the whole. Looking to Scripture, Lohrmann follows the through-line of God's blessing of the poor in both the Hebrew and Christian canons. How might the kingdom of God appear if God's preferential option for the poor became the lens through which we organized our lives together?
