The People of the Book and the People of the Dubious Book (Penerbit USM) Muhammad Azizan Sabjan, 2008 The question of the People of the Book (Ahl al-Kitāb) has long been of central significance to Islam and later to the study of comparative religion. It becomes more crucial when Abū al-Fath Muhammad ‘Abd al-Karīm al-Shahrastānī (d.548/1153) develops another category known as “Man Lahu Shubhat Kitāb” (those who possess doubtful sacred scrolls) or “Ahl Shubhat Kitāb” (the People of a Dubious Book). The present book thus is of importance as it highlights the nature of the People of the Book and the People of a Dubious Book as understood in the Qur’ān and Islamic religious tradition. The discussion is carried out both by analyzing Islam as the only genuinely revealed religion as well as by addressing various Muslim scholars’ attitudes and responses to the reality and nature of the People of the Book and the People of a Dubious Book apropos the Qur’ān and the Islamic religious tradition. Evaluation of the nature of the People of a Dubious Book as exclusively developed by al-Shahrastānī is also discussed. It points out how he identifies these groups and how he treats them accordingly in his magnum opus, al-Milal wa al-Nihal. It is hoped that this book will provide a preliminary yet clear understanding of this concept, which hopefully can deepen our knowledge and enhance our perspective on the various delineations of the People of the Book and the People of a Dubious Book employed by Muslim scholars. This will eventually widen our sphere of the understanding of religious issues and any misunderstanding or narrowed perception of other religious traditions could be avoided.

My People's Prayer Book Vol 3 Rabbi Lawrence A. Hoffman, PhD, 2013-05-28 The prayer book is our Jewish diary of the centuries, a collection of prayers composed by generations of those who came before us, as they endeavored to express the meaning of their lives and their relationship to God. The prayer book is the essence of the Jewish soul. This stunning work, an empowering entryway to the spiritual revival of our times, enables all of us to claim our connection to the heritage of the traditional Jewish prayer book. It helps rejuvenate Jewish worship in today's world, and makes its power accessible to all. This third volume of the series explores the rich content and meaning of the P'sukei D'zimrah, the morning psalms that serve as the introduction to the larger prayer service. The P'sukei D'zimrah sets the tone and prepares the way for the daily transition from secular routine to the sacred act of communal prayer; Vol. 3 helps us to appreciate this prayer before the prayer as a profoundly moving spiritual experience in its own right. Vol. 3—P'sukei D'zimrah (Morning Psalms) features the

authentic Hebrew text with a new translation designed to let people know exactly what the prayers say. Introductions tell the reader what to look for in the prayer service, as well as how to truly use the commentaries, to search for—and find—meaning in the prayer book. Commentaries from some of today's most eminent scholars and teachers from all movements of Judaism examine P'sukei D'zimrah from the perspectives of ancient Rabbis and modern theologians, as well as feminist, halakhic, Talmudic, linguistic, biblical, Chasidic, mystical, and historical perspectives. Even those not yet familiar with the prayer book can appreciate the spiritual richness of P'sukei D'zimrah. My People's Prayer Book enables all worshipers, of any denomination, to encounter their own connection to 3,000 years of Jewish experience with the world and with God.

**People of the Book** Glen Carpenter, 2012-12-15 This book is excerpted and expanded from: CONNECTIONS: A Guide to Types and Symbols in the Bible By Glen Carpenter This book lists many important Old and New Testament saints (believers) and their adversaries, whose names and life events are significant in terms of their exploits, or their character. These symbolized and foreshadowed Christ, or of Satan or Antichrist. The names and events are much more revealing as we explore the hidden meanings from the Hebrew and Greek, and from Middle Eastern culture. The aim of this book is to give the reader a solid overview and foundation for future research. It should be of great help in learning how to discover for yourself the prophetic and symbolic nature of these amazing people.

My People's Prayer Book Vol 7 Rabbi Lawrence A. Hoffman, PhD, 2013-07-18 Opens up the traditional Jewish prayer book as a spiritual resource....This groundbreaking new series involves us in a personal dialogue with God, history and tradition, through the heritage of prayer. The prayer book is our Jewish diary of the centuries, a collection of prayers composed by generations of those who came before us, as they endeavored to express the meaning of their lives and their relationship to God. The prayer book is the essence of the Jewish soul. Framed with beautifully designed Talmud-style pages, commentaries from many of today's most respected Jewish scholars from all movements of Judaism examine Shabbat at home from the perspectives of ancient Rabbis and modern theologians, as well as feminist, halakhic, Talmudic, linguistic, biblical, Chasidic, mystical, and historical perspectives. My People's Prayer Book is a momentous multi-volume series that opens up the traditional Jewish prayer book (the Siddur) as a spiritual resource. Commentaries by respected teachers from all perspectives of the Jewish world provide the spiritual messages that make up the Siddur. Sometimes awe-striking, sometimes surprising, but always deeply spiritual, My People's Prayer Book is a gateway to the riches that the heritage of prayer offers us in our worship, and in our lives. The seventh volume celebrates Shabbat as a central family ritual, tracing the development of this loosely structured liturgy from early prayer books that draw on the classical rabbinic era, through medieval Jewish practice and the influence of Lurianic mysticism. Pausing to explore the key moments that mark this sacred time —Erev Shabbat with Kiddush, Kiddusha Rabbah, and Motsa'ei Shabbat with Havdalah—Shabbat at Home captures the joy of this holy day's prayers, blessings, and z'mirot (table songs), emphasizing the renewal of home liturgy in Jewish life and reinforcing the

importance of Shabbat in the Jewish conception of time. Vol. 7—Shabbat at Home features the traditional Hebrew text with a new translation that lets people know exactly what the prayers say. Introductions explain what to look for in the prayers, and how to truly use the commentaries to find meaning in the prayer book. Commentaries from eminent scholars and teachers from all movements of Judaism examine Shabbat at Home from the viewpoints of ancient Rabbis and modern theologians, as well as a myriad of other perspectives. Even those not yet familiar with the prayer book can appreciate the spiritual richness of Shabbat at Home. My People's Prayer Book enables all worshipers, of any denomination, to create their own connection to 3,000 years of Jewish experience with the world and with God. Each volume of My People's Prayer Book provides a new translation of the authentic Hebrew text, with diverse and exciting commentaries to the traditional liturgy, written by many of today's most respected scholars and teachers from all perspectives of the Jewish world. Islām and the People of the Book Volumes 1-3 John Andrew Morrow, 2018-04-18 Islam and the People of the Book features three dozen scholarly studies on the treaties that the Prophet Muhammad concluded with Jewish, Samaritan, Christian, and Zoroastrian communities, along with translations of Six Covenants of the Prophet in over a dozen languages. The combined effort of over forty-five academics, intellectuals, and translators from around the world, this work powerfully confirms the conclusions drawn by Dr John Andrew Morrow in his critically-acclaimed book on The Covenants of the Prophet Muhammad with the Christians of the World, offers unprecedented insight into the original intent of the Messenger of God, and sheds light on the pluralistic nature of the constitutional state that he created.

**The Book of Revolutions** Edward Feld, 2022-09 2023 Top Five Reference Book from the Academy of Parish Clergy The Torah is truly the Book of Revolutions, born from a military coup (the Northern Israelite revolution), the aftermath of an assassination and regency (a Judean revolution), and a quiet but radical revolution effected by outsiders whose ideas proved

persuasive (Babylonian exile). Emerging from each of these were three key legal codes—the Covenant Code (Exodus), the Deuteronomic Code (Deuteronomy), and the Holiness Code (Leviticus)—which in turn shaped the Bible, biblical Judaism, and Judaism today. In dramatic historical accounts grounded in recent Bible scholarship, Edward Feld unveils the epic saga of ancient Israel as the visionary legacy of inspired authors in different times and places. Prophetic teaching and differing social realities shaped new understandings concretized in these law codes. Revolutionary biblical ideas often encountered great difficulties in their time before they triumphed. Eventually master editors wove the threads together, intentionally preserving competing narratives and law codes. Ultimately, the Torah is an emblem of pluralistic belief born of revolutionary moments that preserved spiritual realities that continue to speak powerfully to us today.

**Muhammad and the People of the Book** Sahaja Carimokam, 2010-09-17 Muhammad and the People of Book by Sahaja Carimokam asks the question, what was the nature of Muhammad's relationship to non-Muslims, particularly Jews and Christians, and how did it change over time? This work is based on a chronological reading of the chapters of the Qur'an supplemented with Muslim commentary literature and biographical materials on the life of Muhammad. Carimokam traces Muhammad's evolving religious viewpoint based on his borrowings of primarily Jewish and some Christian traditional/apocryphal materials. He shows how Muhammad's inaccurate and anachronistic rendition of Jewish traditional literature ensured that the Jews would reject him as a Prophet. This rejection led to his ultimatum to the Jews early in the Medinan period of the Qur'an and culminated with his call to Jihad against all non-Muslims, including those Jews and Christians who refused to acknowledge his Prophethood. The origins of takfir, declaring Muslims to be non-Muslims, are considered. Comparisons are made of moderate and traditional interpreters of the Qur'an. Historical-critical issues regarding the background provided by Muslim historical propaganda is considered in one chapter. The book concludes with a controversial issue for the interpretation of Islamic law in the 21st century based on the actual canonical practices of Muhammad.

The Book of Judges Martin Sicker, 2016-08-29 The subject of this book is the prophetic history of the political-military leaders, called judges, that succeeded Joshua and led the tribes of Israel during the tumultuous anarchic period between the death of Joshua and the transformation of the Israelite confederation of tribes into a nation-state (as subsequently described in the biblical book of Samuel, presented in the Masoretic text of the biblical book of Judges.) The term prophetic history is employed to describe the subject because prophecy in biblical thought is not fatalistic and does not predict future events.

What it does do is assert that the moral course that a society chooses to follow in the present can determine its probable but not inevitable future. The purpose of the biblical book is to inform the reader of the historical consequences of the failure to observe the terms of the divine covenant entered into between God and the children of Israel at Mount Sinai following the exodus from Egypt. Although the biblical narrative is based on events that were believed to have taken place, the primary focus of prophetic history is on the moral implications of the decisions taken by men rather than the factual accuracy of the details of the events described, which have been studied exhaustively by archaeologists and historians of the ancient world.
