The Kilroys List, Volume Two Annah Feinberg and Gina Young for The Kilroys, 2020-05-19 The Kilroys: We Make Trouble. And Plays. When I look at the list of women and nonbinary writers included in this volume, many of whom I have mentored or taught, it is a beautiful reminder that we are a community to be reckoned with, and that there is an abundance of vital narratives awaiting a larger audience. While there remains a great deal of work to be done to reach racial and gender equity in the theater, the powerful and provocative writing presented here is part of the inciting incident that will no doubt shake up the status quo. —Lynn Nottage, from her Foreword The Kilroys are back with a new collection of 67 monologues and scenes by women and nonbinary playwrights. This collection includes a monologue or scene from each play from the 2016 and 2017 editions of The List.

It's Too Late to Die Young Now Andrew Mueller, 2013-08-01 It's Too Late to Die Young Now answers the question: what became of the rock writer the day the music died? There is no field of journalism more mythologised or more derided than rock journalism - with good reason, according to Andrew Mueller. And he'd know. Starting out writing for the Sydney music

street press in his teens, by his early twenties, Mueller was working for the legendary UK music weekly Melody Maker, earning a living by listening to records, going to gigs, hanging out in seedy pubs and travelling the world with his favourite rock groups. In barely two years, he went from a childhood bedroom with a poster of Robert Smith to The Cure's tour bus. Though it didn't seem like it at the time, the years Mueller was living the dream - the late-eighties to the mid-nineties - were actually the last hurrah for the music scene as we knew it. The era of flourishing live pub venues and record stores, and rock journalists as cultural arbiters and agitators, is now long gone. Featuring cameo appearances from luminaries of the Seattle grunge boom and the Britpop response to it, and encounters with the likes of U2, The Cure, Pearl Jam, The Fall and Elvis Costello, *It's Too Late to Die Young Now* is an Almost Famous for Generation X, and a hilarious and heartfelt eulogy to a life that seems even less probable now than it did at the time.

Songs in Black and Lavender Eileen M. Hayes, 2010-10-01 Drawing on fieldwork conducted at eight women's music festivals, Eileen M. Hayes shows how studying these festivals--attended by predominately white lesbians--provides critical insight into the role of music and lesbian community formation. She argues that the women's music festival is a significant institutional site for the emergence of black feminist consciousness in the contemporary period. Hayes also offers sage perspectives on black women's involvement in the women's music festival scene, the ramifications of their performances as

drag kings in those environments, and the challenges and joys of a black lesbian retreat based on the feminist festival model. With acuity and candor, longtime feminist activist Hayes elucidates why this music scene matters. Veteran vocalist, percussionist, producer, and cultural historian Linda Tillery provides a foreword.
