Brotha Vegan Adewale, Omowale, 2021-03-10 Black vegan men discuss masculinity, sexuality, race, diet, health, fatherhood, social justice, animal rights, and the environment in this companion volume to *Sistah Vegan*. In 2010, Lantern published *Sistah Vegan*, a landmark anthology edited by A. Breeze Harper that highlighted for the first time the diversity of vegan women of color's response to gender, class, body image, feminism, spirituality, the environment, diet, and nonhuman animals. Now, a decade later, its companion volume, **Brotha Vegan**, unpacks the lived experience of black men on veganism, fatherhood, politics, sexuality, gender, health, popular culture, spirituality, food, animal advocacy, the environment, and the many ways that veganism is lived and expressed within the Black community in the United States. Edited by Omowale Adewale—founder of Black Vegfest, and one of the leading voices for racial and economic justice, animal rights, and black solidarity—Brotha Vegan includes interviews with and articles by folks such as Brooklyn Borough President Eric Adams, Doc (of Hip Hop is Green), chef Bryant Terry, physicians Anteneh Roba and Milton Mills, DJ Cavem, Stic of Dead Prez, Kimatni Rawlins, and many others. At once inspiring, challenging, and illuminating, Brotha Vegan illustrates the many ways it is possible to be vegan and reveals the leading edge of a “veganized” consciousness for social renewal.

Sistah Vegan A. Breeze Harper, 2012-03 *Sistah Vegan* is a series of narratives, critical essays, poems, and reflections from a diverse community of North American black-identified vegans. Collectively, these activists are de-colonizing their bodies and minds via whole-foods veganism. By kicking junk-food habits, the more than thirty contributors all show the way toward longer, stronger, and healthier lives. Suffering from type-2 diabetes, hypertension, high blood pressure, and overweight need not be the way women of color are doomed to be victimized and live out their mature lives. There are healthy alternatives. *Sistah Vegan* is not about preaching veganism or vegan fundamentalism. Rather, the book is about how a group of black-identified female vegans perceive nutrition, food, ecological sustainability, health and healing, animal rights, parenting, social justice, spirituality, hair care, race, gender-identification, womanism, and liberation that all go against the (refined and bleached) grain of our dysfunctional society. Thought-provoking for the identification and dismantling of environmental racism, ecological devastation, and other social injustices, *Sistah Vegan* is an in-your-face handbook for our time. It calls upon all of us to make radical changes for the betterment of ourselves, our planet, and--by extension--everyone.

Every Kind of Wicked Lisa Black, 2020-08-25 In this mesmerizing new novel from bestselling author Lisa Black, the discovery of a young man's corpse leads forensics expert Maggie Gardiner and Cleveland detective Jack Renner into a dark and dangerous web of lies . . . Life and death have brought Maggie Gardiner full circle, back to the Erie Street Cemetery where she first entered Jack Renner's orbit. Eight months ago, she learned what Jack would do in the name of justice. More unsettling still, she discovered how far she would go to cover his tracks. Now a young man sprawls atop a snowy grave, his heart shredded by a single wound. A key card in the victim's wallet leads to the local university's student housing—and to a grieving girlfriend with an unsettling agenda. Maggie's struggle to appease her conscience is complicated by her ex-husband, Rick, who's convinced that Jack is connected to a series of vigilante killings. Also a homicide detective, Rick investigates what seems like a routine overdose on Cleveland's West Side; but here, too, the appearance belies a deeper truth. Rick's case and Jack's merge onto the trail of a shadowy, pill-pushing physician who is everywhere and nowhere at once, while Maggie and Jack uncover a massive financial shakedown hiding in plain sight. And when Rick's bloody fingerprint is found at another murder scene, Maggie's world comes undone in a violent, irreversible torrent of events . . .

Black White Mark Anaki, 2020-12-21 Black White describes a young man's pursuit of higher education overseas. A journey that leads him from his homestead in Western Nigeria to the United Kingdom. It chronicles culture conflicts, internal dialogues and personal discoveries. As the title may suggest, Black White is not so much about racial tension but about the contrasts a young man observes as he transitions from one world to another. It is about how his identity is formed, altered and reformed by the socio-cultural currents around him. It is about how his concept of learning and education changes as he leaves one society for the other and how his blackness (an earlier unknown concept) often turned up the most unexpected twists. Black White is a personal story of aspiration, conflict and gradual enlightenment. It is a catalogue of the many

dimensions of being a privileged man in a black and white world.

When she decided to become a vegan chef, she dreamed of changing the way the world ate. This was in the "pre-kale" days, when veggie burgers were frozen, tasteless patties loathed by the general public and if a vegan wanted to eat, well, then she had to cook! Today, corner stores stock their shelves with almond milk and mainstream restaurants pepper their menus with quinoa, tempeh, chia seeds, faro, ramps, and so many variations of avocado toast. There is truly no better time to love to eat than now—and no easier time to be a vegan. Chloe believes the most delicious dishes come from plant-based ingredients, and has debunked the myth that vegan cooking is bland and visually unenticing. Enter: CHLOE FLAVOR. Every recipe here is bold in taste, loud in color, unabashedly unique, and, above all, easy to make. With dishes like Smoky Grits & Greens, Mango-Guacamole Crunch Burgers, and Sea Salted Chocolate Chunk Cookies, this food is for fun, friends, and family—and it's all about the flavor. Vegans will delight in Chloe's creations and carnivores won't miss the meat one bit. First breaking onto the culinary scene as the only vegan chef to capture the top prize on Food Network's *Cupcake Wars*, Chef Chloe Coscarelli has since been recognized for bringing vegan cuisine to the mainstream as an award-winning chef, successful entrepreneur, and bestselling cookbook author. She has published three bestselling cookbooks, and in 2015 she opened her first restaurant, by CHLOE., bringing healthy and satisfying vegan and plant-based dishes to the masses. She lives in New York City.

The Promise Girls Marie Bostwick, 2017-03-28 Three unconventional sisters are reunited in this “beautiful story about the ties that bind” from the New York Times bestselling author (Melanie Benjamin). Every child prodigy grows up eventually. For the Promise sisters, escaping their mother’s narcissism and the notoriety that came with her bestselling book hasn’t been easy. Minerva Promise claimed that her three “test tube” daughters—gifted pianist Joanie, artistic Meg, and storyteller

Avery—were engineered and molded to be geniuses. In adulthood, their modest lives fall far short of her grand ambitions. But now, twenty years after the book's release, she hopes to redeem herself by taking part in a new documentary. Meg, who hasn't picked up a paintbrush in years, adamantly refuses to participate, until a car accident leaves her with crushing medical bills. While she recuperates in Seattle, the three sisters reluctantly meet with filmmaker Hal Seeger, another former prodigy. Like them, he's familiar with the weight of failed potential. But as he digs deeper, he uncovers secrets they've hidden from each other—and a revelation that will challenge their beliefs, even as it spurs them to forge their own extraordinary lives at last. Just Like You Nick Hornby, 2021-09-28 "[A] charming, funny, touching, and relevant comedy." —The Boston Globe "A provocative yet sweet romantic comedy." —People, Best of Fall 2020 From the beloved author of Dickens and Prince, About A Boy, and High Fidelity, this warm, wise, highly entertaining twenty-first century love story is about what happens when the person who makes you happiest is someone you never expected Lucy used to handle her adult romantic life according to the script she'd been handed. She met a guy just like herself: same age, same background, same hopes and dreams; they got married and started a family. Too bad he made her miserable. Now, two decades later, she's a nearly divorced, forty-one-year-old schoolteacher with two school-aged sons, and there is no script anymore. So when she meets Joseph, she isn't exactly looking for love—she's more in the market for a babysitter. Joseph is twenty-two, living at home with his mother, and working several jobs, including the butcher counter where he and Lucy meet. It's not a match anyone one could have predicted. He's of a different class, a different culture, and a different generation. But sometimes it turns out that the person who can make you happiest is the one you least expect, though it can take some maneuvering to see it through. *Just Like You* is a brilliantly observed, tender, but also brutally funny new novel that gets to the heart of what it means to fall surprisingly and headlong in love with the best possible person—someone you didn't see coming.

The Billboard Natalie Y. Moore, 2022-03-08 The Billboard is about a fictional Black women's clinic in Chicago's Englewood neighborhood on the South Side and its fight with a local gadfly running for City Council who puts up a provocative billboard: "Abortion is genocide. The most dangerous place for a Black child is his mother's womb," spurring on the clinic to fight back with their own provocative sign: "Black women take care of their families by taking care of themselves. Abortion is self-care. #Trust Black Women." The book also has a foreword and afterword and Q&A with a founder of reproductive justice. As a play and book, The Billboard is a cultural force that treats abortion as more than pro-life or pro-choice.
