Chronological Bible Reading Guide Jane Becker Weathers,2015-10-30 In this guide the events recorded in the Bible are arranged in chronological order to help us better understand how time flows through and joins, or occasionally separates, these sixty-six individual books. When seen in context with the historical, political, and religious settings, we can better understand the different lessons told in different styles and literary forms. I have grouped these readings by chapter and while this does not provide a perfect chronology (if that is even possible), it comes fairly close and helps retain some of the original authors flow when switching between books. The daily readings provide a guide through the entire Protestant canon in one calendar year, but set your own pace and let your eBook Reader keep track of your progress. This guide is the end result of a decade of personal research into Biblical history and fine-tuning the daily readings to maintain a consistent reading time. Invest 10-15 minutes a day to increase your faith and understanding of Scripture!

The Reader's Companion to the Five Day Bible Reading Schedule Mark Roberts, 2018-12-31 It is never enough to simply read the Bible. To live it, one must understand it. The Reader's Companion for the Five Day Bible Reading Schedule helps you do just that. Following the popular Five Day Bible Reading Schedule the Companion offers introductions to each book of the Bible as it appears on the schedule, and key comments to help you understand difficult verses, puzzling texts, and the overall flow and impact of the current reading. Reading the New Testament portion of the Companion you will find application at the close of each week's readings. The Old Testament part of the Companion helps harmonize the history of Israel, especially with prophets and kings. The Reader's Companion is over 140 pages when printed out from its PDF. Every chapter of the Bible is treated except for the book of Psalms. While not an in-depth commentary (that would take too long to read each day) the Reader's Companion provides just the right amount of practical, key information to help your daily Bible reading become Bible study. Give it a try!

My Daily Walk with Jesus Bernd Weimer, 2014-09-11 Time, time, time. In this fast moving world of modern, ever changing technology we all struggle with time to do the things we know we need to do. One of those “need to” disciplines is the daily reading of God’s Word in a way that is life-changing and mind renewing. When Bernd Weimer told me that he was going to write a book on how to systematically read and study the entire Bible in a year, it was all I could do to keep from saying “Oh no, not another read-the-Bible-in-a-year book.” Although I was inwardly skeptical, I encouraged him as he started the project. There were so many books already written from a Bible devotional nature that Bernd’s book would have to be very unique to be accepted and widely used. But Bernd has pulled it off. He has developed a method whereby the reader can work his or her way through the Word of God without guilt of failure. This book is more than just a Bible reading plan. When used, this book can become a lifelong journal filled with your impressions from the Lord, special quotes from people that have touched your heart and spirit, and your own personal Bible study notes. To the casual reader, this book will be impressive because of its sheer simplicity, and yet many will be astonished by the book’s depth of allowing the reader to make it his or her own life history with the Lord. It is a single, bright sword, cut across three different books in one: a Bible reading guide, a person journal, and a Biblical insight on key passages.
