Earth Laughs in Flowers Kirsten Hartley,2012-01-16 For centuries, keen gardeners have talked to their plants and flowers and often been laughed at. These days, studies into molecular chemistry and quantum physics have opened pathways to greater understanding of the environment they live in, how plants communicate with each other and even with us. Kirsten Hartley graduated as a naturopathic herbalist and found her studies into the natural world of energetic medicine had only just begun. She started a fascinating journey using the stepping stones of ancient understanding of the natural world, coupled with modern science, searching for the key to unlocking nature's multiple secrets.

The Ecstasy of Surrender Judith Orloff, 2014 New York Times bestselling author of Emotional Freedom provides an exciting, new plan for reducing stress, manifesting material and psychological wealth, and experiencing perpetual joy--

The Power of Surrender Judith Orloff, M.D., 2015-09-22 Previously published as *The Ecstasy of Surrender*. Are you longing for your life to be easier and more fun? Would you like to stop pushing, micromanaging, and forcing things so you can relax? What if you could enjoy what you have instead of always lusting for "more"? What if you could live in "the zone," propelled by powerful currents toward the right people and opportunities? What if you could stop worrying about money and live with more emotional ease in the moment? If you answer "yes" to all these questions and desire lasting positive change, then prepare to experience the ecstasy of surrender. The art of letting go, Dr. Judith Orloff explains, is the secret key to manifesting power and success in all areas of life, including work, relationships, sexuality, radiant aging, and health and healing. In our superconnected world where emails and text messages constantly interrupt us, it's easier to let go than you think. Once embraced, surrendering removes roadblocks and the exhaustion that comes from "trying too hard"—and it helps

you achieve goals more effortlessly and brings ongoing happiness. With her stunning gift for storytelling coupled with her unique, results-oriented approach to physical, emotional, and spiritual health—marrying neuroscience, psychiatry, intuitive medicine, energy techniques, and more—Judith provides a powerful, practical, and accessible map for anyone who is longing to be happier but who feels stuck, burned-out, tense, worried, or afraid to let go.
