Love Quotes by ImMortal1105 Amar Kumar Gupta,2019-09-26 Love ... what an amazing feeling. Everyone out there starve for love, knows love and want love but very few of them actually knows how to be in love for forever. On one hand, today's youth fall in love so passionately and so quickly that they have no idea. On the other hand, they get separated with the same pace ridiculously. My collection of quotes will give some glimpse of journey of today's relationship from perfection to separation. Its not a big deal to maintain the same passion in relationship throughout the life. But today's youth give more importance to their ego and

The Burning Flame of Love Jean Maalouf,2017-08-17 Nothing is . . . neither fuller nor better in heaven and earth Every authentic love story is, in its essence, a journey toward God, and every time we truly love, we unveil the face of God because God is love (1 John 4:16). No wonder Thomas Kempis affirmed that nothing is sweeter than love, nothing stronger, nothing higher, nothing wider, nothing more pleasant, nothing fuller nor better in heaven and earth because love is born of God and cannot rest but in God, above all things. But if it is so, why in the world do we find ourselves very often dissatisfied with our love life and why do we have so many dysfunctional relationships with our families, neighbors, and others? Why do we seem to love to hate each other and make enemies rather than friends not only with individuals and groups but also with other nations as well? What is missing from our earthly love? What has happened to love? To these questions and to many more, Dr. Maalouf, whose focus is one of gentle revolution in human development, as leading critics said when describing his prolific works, Is suggesting here a different way of seeing the reality of love? Although it is based on psychological, sociological, philosophical, and theological principles, this adopted way conveys the message through a poetic, contemplative, and mystical method in the style of Meister Eckhart and St. John of the Cross. This is not intended to be a comprehensive study on love, but a fresh awakening to the existential, deeper, and richer level of consciousness of the living love, for the love of one another (John 13:34) is not just a commodity for social arrangement, but the evidence of our divine origin and destiny and the critical condition for our very survival. Thus, a book like this should be read meditativelythe way one listens to a great symphony or perceives a masterpiece in an art museumand comprehensively for it is not just the total sum of its paragraphs as a symphony and a painting are not the total sum of their different notes and colors. Thenwonder of wondersone will realize that there is nothing more mysterious, more magical, more life-changing than love. It is indeed the

philosophers stone that converts whatever it touches into a golden reality. Then everything will start to make sense, for nothingnot even all the money in the worldcan buy the strength and the happiness of a true loving heart.

Uncommon Love Mary Comm,2018-08-07 *Uncommon Love* is a landmark Bible study and the first of its kind. In a culture where gay rights, gay marriage, and a surplus of gender issues have recently exploded in the media, more and more kids are coming out—and many of these are from Christian homes with Christian parents who don't know what to do, how to respond, where to draw boundaries or if they even should. Scripture, which is the foundational basis for how to live the Christian life, has even been brought into question, further confusing the hearts and minds of Christian parents. Mary Comm presents a comprehensive navigational map for Christian parents whose kids (whether minor or adult) have Same-Sex Attraction or are living the LGB lifestyle. The primary purpose of *Uncommon Love* is to help parents maintain a loving, mutually respectful relationship with their LGB children and shows parents how to offer compassionate understanding and unconditional love without compromising their own identity, faith, and values.

The Path to Self-Love Ruby Dhal,2024-06-11 A raw and honest guide to cultivating self-love, balancing it with loving others, and unlocking your healing journey, from the poet and Instagram sensation “A sanctuary of comfort and self-discovery.”—Vex King Self-love is not as simple as it sounds. It’s more than basic self-care practices or indulging your every desire—done right, it’s the key to unlocking and fostering true healing. It requires self-acceptance, difficult decisions, and learning when to let go and move on. In her first full-length self-help book, Ruby Dhal explores what self-love means to her and guides you to cultivate true self-love within your own life. With the same welcoming and honest voice—that of an empathetic best friend who’s been through it all—that her fans know and love online, Dhal shares her own personal stories and healing journey, from how her Sikh family was forced out of Afghanistan and arrived as refugees in the UK to losing her mother at a very young age, grappling with her father’s alcoholism, and battling toxic relationships with friends and loved ones. She realized that healing is not a linear path but a staggered line, and self-love is the only thing that can save you in those moments of darkness. Self-love doesn’t exist in a vacuum; the tricky part is knowing how to love yourself while maintaining healthy relationships with the other people in your life. Dhal shares practical strategies for setting boundaries and respectfully navigating different relationships without losing your self-love. She also explores the everyday challenges that might disrupt your self-love journey, from comparison on social media to negative thoughts and unhealthy relationships with food. Written for anyone seeking to heal from challenges like the loss of a loved one, heartbreak, or toxic relationships, *The Path to Self-Love* is your key to loving yourself wholly and unlocking the doors to happiness, healthy relationships, and fully realized dreams.

The Jasper Love Trilogy Onyx Cantor, 2020-03-02 This is the story of one man's triumph over Cult Religion. As a preacher's son, Jasper Love struggled to comply with the dogma and bigotry of the unpredictably changeable Doctrine of Good Enough dictated by Cult Religion. He and four sisters labored to comply with cult demands consistent with their mother's mantra: "People expect preacher's kids to be perfect." The Voice of Truth (bestowed on Jasper as a child in a genuine salvation encounter with Jesus Christ) conflicts with voices of deception from pulpits and pews, triggering crippling anxiety, depression, and suicidal ideation. Further compounding his confusion is a terrifying awareness of the cult's distortion of scripture concerning his innate identity. When a Connecticut preacher detects his private struggle, the Bible

scholar promises: “If you marry a good Pentecostal girl, this thing will just fade away.” Jasper foolishly accepts the challenge, believing that the pastor’s counsel is based on Truth. A 32-year battle ensues, during which a Pentecostal preacher’s daughter who, aware of his struggle and trained in Exploitation of Advantage, manipulates and controls the miserable husband who strives to suppress and conceal an innate identity which “simply won’t leave me alone.” Cultists despise his genuine relationship with God when the Holy Spirit weakens the tenacious grasp of the antiChrist’s claim on his soul, rescuing him from abominable doctrines through Spiritual Enlightenment to Truth Absolute. Spiritual Warfare ensues, during which he is molested by authority figures, betrayed by cult dishonesty, falls into sin, is attacked by demons, and is delivered by the Holy Ghost through visions of spiritual combat between the demons of Cult Religion and the Angels of Truth. In the end, his foolish attempt to conform with the Doctrine of Good Enough predictably results in the destruction of everything he wasted a lifetime building: marriage, family, home, career, material wealth, and reputation. Yet, in losing all, he is delivered from the Darkness of cult idolatry, whereupon he is finally free to immerse himself in genuine Truth, Light, and Love, breaking the tyrannical chains of Cult Religion. Released by the Holy Spirit from cult bondage, he is at last unleashed to fulfill his destiny: To teach the Truth about Jasper Love (that boundless, unconditional love known only to those who genuinely experience Spiritual Enlightenment) to a people deceived by the hateful harlots of idolatry who are nothing more than power-crazed, authoritarian, self-aggrandizing, despotic antiChrist heretics who worship only one god - CONTROL.

Health, Healing and the Church's Mission Willard M. Swartley, 2012-08-02 Does the Christian community have the resources to develop a coherent response to today’s health care challenges? In a comprehensive survey covering the full scope of the Bible and three millennia of Christian belief and practice, Willard Swartley fleshes out the central place of health care in the church’s mission.

The Synchronicity Key David Wilcock, 2013-08-20 Unlock the key to a universal life-force in this astonishing book from the New York Times bestselling author of *The Source Field Investigations* and *Awakening in the Dream*. *The Source Field Investigations* was a New York Times, Wall Street Journal, and USA Today bestseller that uncovered hidden science and lost prophecies to illuminate an entirely new understanding of our world today. Now, in *The Synchronicity Key*, David Wilcock embarks on an astonishing investigation into what lies beyond—finding proof that everything in our lives is not only connected, but it also influences everything else. Using history, astrology, and synchronicity theory among other concepts, Wilcock shows that there is hidden architecture within time, guiding individuals and nations through a system of enlightenment Joseph Campbell called the Hero’s Journey. Historical events occur in shockingly precise, repeating cycles of time as a result. Once we understand and identify the hidden laws of this seemingly random “synchronicity,” we are left with a remarkable blueprint of how best to lead our lives in this uncertain and confusing world.
