To Live for God Alone Mark O'Keefe, María Gonzalo-García, 2023-02-03 What does it mean to live for God alone? “Prefer nothing to the love of Christ”; “My God and my all”; “God alone suffices”—these statements from the saints express the single desire that unified their hearts and gave direction to their lives. “God alone” was the constant theme of Saint Rafael Arnaiz (1911-1938), the expression of the search for God that informs any monastic vocation. Saint Rafael was profoundly and thoroughly a monk, even though ill health repeatedly forced him to leave the monastery, and he was never formally professed. With his single-hearted love for Christ and for the Blessed Virgin, he faithfully walked a path of trials and suffering that matured his faith, sharpened his longing, taught him to wait and to hope in God, and opened his heart to love. To Live for God Alone invites the reader into the compelling story of Rafael’s personal journey and into his penetrating insight into the cross and the Christian vocation.

Living for Lezlie Carrie Whitehead, 2020-08-05 In November 2015, author Carrie Whitehead lost her youngest child, Lezlie, in a motor vehicle accident. She struggled with every emotion possible and at times felt she could not face the day, let alone anyone in general. Following the advice of many to put her feelings into words, Whitehead began writing a blog in January 2019. In a series of daily posts, she shared how she dealt with the loss, detailing the process of her grief in real time. Now she has gathered those essays together with the goal of helping others struggling after the loss of a child. Through personal stories and reflections, Bible verses, and enduring expressions of faith, she hopes to convey to grieving parents that what they are feeling is normal and that everyone experiences grief differently. This personal narrative, formed from a year’s worth of blog posts, presents a mother’s journey through grief after the loss of her youngest child.

Relational Christianity Wesley M. Pinkham, 2022-06-21 This work begins with a transformative idea: human existence is fundamentally relational. Relational Christianity explores how the nature of the Trinity must define the Church and the Christian spiritual life. Utilizing Scripture, Christian spiritual tradition, and philosophy, Pinkham and Gruenberg paint the picture of a Trinitarian, Jesus-centered Christianity, led by the Father and explored in interpersonal oneness. In this view, God's intimate, unifying love is the theological river that runs through the landscape of biblical revelation and through God's movement in history. This work of Trinitarian practical theology suggests that the relation between Father, Son, and Spirit should shape and guide all Christian interactions—with God, with others, and with self. In the paradigm of relational Christianity, the formation of genuine personhood and identity are based upon relational connections—first with the Trinity, and second with God's family. The shape of the new covenant community must reflect the Father's nature. Church culture must prioritize relationship in the same way the Trinity does.

Spinoza and the Philosophy of Love Michael Strawser, 2021-08-27 In *Spinoza and the Philosophy of Love*, Michael Strawser provides a new reading of Spinoza as a philosopher of love, and one who centers his thought on an ethically qualified conception of noble love. Strawser examines the threefold conception of love found in Spinoza's *Ethics* and argues that what is most important for Spinoza's philosophy is a unified conception of love centered on nobility (*amor sive generositas*). This active conception of love can conquer hatred and bring people together. Situating Spinoza's philosophy of love within both Jewish and Western philosophical traditions, Strawser investigates questions in the philosophy of love together with Spinoza and thinkers such as Saadia Gaon, Maimonides, Leone Ebreo, Tullia d'Aragona, and René Descartes. He shows how Spinoza deepens our understanding of amorous perfectionism and how this reading of Spinoza's philosophy of

love serves as both a corrective to problematic readings, such as those found in Isaac Bashevis Singer and Emmanuel Levinas, and a counter to speciesism. With careful examination of Spinoza's writings, Strawser demonstrates that the goal of his philosophy is best understood as the love of other people who are to be helped and united with in friendship. Ultimately, Spinoza's philosophy of love calls for collective nobility.

The Judgment of Love James M. Matarazzo Jr, 2018-10-19 This book seeks to explore the concept of divine judgment in Christian eschatology. It contends that this judgment is salvific rather than destructive. This notion can be described aphoristically as *iudicandus est salvandus* (to be judged is to be saved). The provocation to Christian eschatology is that human beings are not saved from judgment, but are saved within it. The exploration begins defining the context and moves into a review of the symbols and problems of judgment through a reappraisal of *De novissimis* (concerning the last things), the last section found in traditional works of Christian dogmatics. This is followed by a critical engagement with the soteriological optimism posited by four twentieth- and twenty-first century theologians: Sergei Bulgakov, Hans Urs von Balthasar, J. A. T. Robinson, and Marilyn McCord Adams. The event of the judgment is then defined as the event of absolute recognition: that it is within the eschatic recognition of God, the self, and the other that transformation and glorification of human persons occur in a way that avoids a dual outcome of salvation and damnation. The book concludes by proposing that we may approach divine judgment with faith, hope, and love—not only for ourselves, but for the human race as a whole.
