TGT Randolph Christopher Longstreet,2016-01-05 When Phillip Anderson walks in on his eight-year-old son Brandon, who is mimicking ballet dancers on television, Phillip is shocked, and believes that his youngest son is showing gay tendencies. After all, Phillip is a six-foot eight-inch former college football player. Since Brandon also shows remarkable athletic ability, Phillip encourages his youngest son to become an athlete. He immerses Brandon in sports, which Phillip

believes will direct his son properly into manhood and away from the path of being a “sissy boy.” Brandon develops into a celebrated high school quarterback, only to then face the realization in his teens that he is gay. TGT handles the subject sensitively and offers an insightful read for parents, young adults, and middle and high school students.

Black Swan Diann Maree, 2015-10-24 To be able to just sit in the moment and be fully present is empowering. Letting everything drop away; the past, the future and all judgement until there is just the now. Everything is as it should be and is in perfect order. This book is my journey. Black Swan documents my search of finding the missing pieces of my life puzzle and fitting them all back together. It is my personal journal through a six-week period in my life where I was guided (by spirit) to create transformation and take a journey of self-discovery. The mind can create illusions. Programming of past untruths and misguided perceptions make up these illusions. It is time to step forward and become one withal again and put an end to this eternal suffering. I have subjected myself to. I know I was blinded by this illusion. It was right in front of me all the time. I just couldn't see it, until... I was guided to: • the six keys to returned me to oneness • be in the moment and fully present • let everything drop away - the past, the future, and no judgement; • essence of being an observer of my problems; and • the

importance of observing my instant triggers When we are able to come back to the now, it is like nothing matters, there is no judgement and the possibilities are endless. Through my journey I want to share with you, my path to self-discovery in finding Who I am and hope it inspires you to look within to find Who you are.

A Suitcase Full of Pink Pearls Fil Bufalo, 2024-03-28 Of course, I'd shied away from traveling to Croatia! Why embrace the unknown with Venice, Nice, Rome, and Constantinople calling? I'd heard whisperings of a city dubbed the 'Pearl of the Adriatic' but had little idea where that soul-stirring nirvana might have been located. You can imagine my surprise and delight, when I was invited to accompany five friends and their two young sons to Dubrovnik, Croatia, for a five-day stint in the scorching Balkan sun. Words cannot express that first glimpsing of the red-roofed, white-walled, brilliant-blue -sea-skirted city when our sleek, silver, chauffeur-driven van tumbled into town from the brooding, cobalt-crusted Dubrovnik mountains. Lord Byron had it right: Heaven on Earth! The following five days for our 'party of eight' included beaches, swimming pools, 'Old Town' treasures, Wall-walks, Croatian food to die for, and best of all - a delightful 'Game of Thrones' tour, which had two little boys searching every nook and cranny on the 'Kings landing' for that elusive Iron Throne. Who's never wanted to play kings or queens? So you'll be joining us on this pink-pearler tour in one of the world's most Instagram-able spots? Thought so!

He's in for a big surprise when he discovers Sally is in charge of the new project being run on his family's outback property. Ben wasn't prepared for those soft blue eyes the first time they met. Neither is he ready for how she makes him feel when he discovers they're running the camp together. He's spiralled once before. He doesn't need another woman to mess things up, now that he's finally breathing easier. But when Sally stumbles over a partially exposed dinosaur fossil, it's more than he can hope for. Sally struggles to deny her attraction to Ben, although it's strengthening and tugging at her heart in ways she never expected. The End of Youth Ministry? (Theology for the Life of the World) Andrew Root,2020-03-17 What is youth ministry actually for? And does it have a future? Andrew Root, a leading scholar in youth ministry and practical theology, went on a one-year journey to answer these questions. In this book, Root weaves together an innovative first-person fictional narrative to diagnose the challenges facing the church today and to offer a new vision for youth ministry in the 21st century. Informed by interviews that Root conducted with parents, this book explores how parents' perspectives of what constitutes a good life are affecting youth ministry. In today's culture, youth ministry can't compete with sports, test prep, and the myriad other activities in which young people participate. Through a unique parable-style story, Root offers a new way to think about the purpose of youth ministry: not happiness, but joy. Joy is a sense of experiencing the good. For youth ministry to be about joy, it must move beyond the youth group model and rework the assumptions of how identity and happiness are imagined by parents in American society.

Melodies, Rhythm and Cognition in Foreign Language Learning M. Carmen Fonseca-Mora,Mark Gant,2016-09-23 *Melodies, Rhythm and Cognition in Foreign Language Learning* is a collection of essays reflecting on the relationship between language and music, two unique, innate human capacities. This book provides a clear explanation of the centrality of melodies and rhythm to foreign language learning acquisition. The interplay between language music brings to applied linguists inquiries into the nature and function of speech melodies, the role of prosody and the descriptions of rhythmical

patterns in verbal behaviour. Musical students seem to be better equipped for language learning, although melodies and rhythm can benefit all types of students at any age. In fact, in this book melodies and rhythm are considered to be a springboard for the enhancement of the learning of foreign languages.
