All the Living C. E. Morgan,2009-03-31 One summer, a young woman travels with her lover to the isolated tobacco farm he has inherited after his family dies in a terrible accident. As Orren works to save his family farm from drought, Aloma struggles with the loneliness of farm life and must find her way in a combative, erotically-charged relationship with a grieving, taciturn man. A budding friendship with a handsome and dynamic young preacher further complicates her growing sense of dissatisfaction. As she considers whether to stay with Orren or to leave, she grapples with the finality of loss and

death, and the eternal question of whether it is better to fight for freedom or submit to love. All the Living has the timeless quality of a parable, but is also a perfect evocation of a time and place, a portrait of both age-old conflicts and modern life. It is an ode to the starve-acre Southern farm, the mountain landscape, and difficult love. In her lyrical and moving debut novel, C.E. Morgan recalls both the serenity of Marilynne Robinson and the shifting emotional currents and unashamed eroticism of James Salter. It is an unforgettable book from a major new voice.

The Infinite Now Mindy Tarquini,2025-07-30 On a rainy night in Philadelphia's Ninth Street Market, sixteen-year-old Fiora, newly-orphaned by the 1918 influenza epidemic, is dumped at an old man's door. Daughter of the local fortune teller, Fiora arrives with a little money, a lot of attitude, and her mother's formidable reputation. The old man, a widowed shoemaker ticking down his clock, is the only person in their superstitious immigrant community brave enough to stand between Fiora and an orphanage. Fiora's a modern, forward-thinking young woman, uninterested in using old-world magic to make a way for herself?but when her mother's magical curtain shows her that the old man will shortly die of a heart attack, Fiora panics, and casts her entire neighborhood into a stagnant bubble of time. A bubble where everything continues but nothing progresses?tomatoes won't ripen, babies refuse to be born, and the sick suffer under the weight of a never-

ending stream of unspent seconds. Not everything in the bubble is bad. Love, fresh and fascinating, ignites. Friendships take root. But as day drags into interminable day, the pressure inside the bubble world builds. Fiora must accept that not everything found can be kept, not everything saved will remain, and unless Fiora finds the courage to collapse the bubble, every one of her hopes will be trapped inside an unbearable, unyielding, unpredictable, and infinite Now.

Perfect Pitch in the Key of Autism Henny Kupferstein,Susan Rancer,2016-07-30 Autistic people and musical individuals often have perfect pitch, a gift they were born with. This book was written by a music therapist and an autistic researcher, and is endorsed by leading experts in the field of autism and special-needs education. The Rancer Method is presented as page-by-page instructions to be implemented with readily-available method books so that every piano teacher can follow it and do well by their students.
