Nicole Fox

Made to Riot Nicole Fox, *Made to Riot* is book 1 of The Ancestors MC trilogy. Books 2 and 3, *Made to Beg* and *Made to Survive* are available everywhere now! It starts with a drink. It ends with a baby in my womb. One night only is a slippery slope. I fell hard for the biker – then he disappeared. But he's back now, and this time, when he leaves... He's dragging me with him – whether I like it or not. ANYA He showed up in my emergency room looking like the devil had worked him over with a tire iron. But Bryce Johnson didn't want a nurse. He wanted a gun, a car... And a hostage. And lucky for me, I was his first pick. I'd always wanted out of this small town. But I never thought my ticket to freedom would barge into my life like this. A gorgeous biker with windswept hair and inky tattoos crawling over his muscular shoulders? He might've looked like a dream. But the outlaw f**ked like a nightmare. Like an animal. Like a brutal, savage beast. I'd never been with a man like him before. And after the first kiss, the first touch, the first night, I knew: I'd never want another man again. But landing in the biker's bed was just the start of this madness. Now, I'm riding shotgun with a killer behind the wheel. And there's no telling if I'll make it out alive. BRYCE Life for me as an outlaw biker has always been simple: take the job and get it done. By any means necessary. Some men were born to create chaos. To burn things down. To f**k sh!t up. And God knows I'm one of them. I've always managed to escape the mayhem alive. But this time, I might've bitten off more than I can chew. Even though I've done dirty things before, and there's no doubt in my mind I'll do them again. And I thought I'd learned the hard way not to get distracted when there's a mission on my plate. But the curvy nurse with the shining eyes is testing my focus. She's a do-gooder, a saint in scrubs, a angel if ever there was one. She deserves a white picket fence, a boring-a\$\$ husband, and a few obnoxious, giggling little kids. But she ain't gonna get that with me. Because my world is a hell of a lot different. My world is mobs and MCs, suspense and submission, whiskey and women. I drink fast and ride hard. I f**k. I break. I hurt. It sure as hell ain't for everyone. So I did the fair thing: I pointed my gun at her head and gave her a choice. She can either run for cover. Or she can get in the car with me, and see where the road takes her. That's just the beginning of our story. And I'll make a vow to you right now. This will end only one way: With my ring on her finger, my brand on her skin... And my baby in her belly.

Engine (Book 2) Nicole Fox, This is book 2 of the Asphalt Angels MC romance series! Book 3 is available everywhere now! Taking her is wrong. Breaking her is worse. I was buried in shadows. Then she brought an unexpected light into my

world. I'd sworn off hope after my brother's murder. My life had becoming nothing but an endless stream of brutal violence, one-night stands, and drink after drink after drink. Then Kayla rang my doorbell. And everything changed. Kayla is a curvy, teasing beauty. She's too gorgeous and too innocent for a broken man like me to touch. But I'm rock hard, ruthless, and I refuse to let her go. She needs my help. Desperately. And she has answers about my brother's death that I've been searching for. We're both broken in our own shattered ways. But maybe, together, we can make something whole. Not just for our own sake. Not just for our own happiness. But also for the baby in Kayla's arms.

The Dom and Her Nicole Fox, *The Dom and Her* is book 3 and the finale of the Broken Spires MC trilogy! I HAD A TASTE OF HER. NOW, I'M COMING FOR THE REST. One more heist, and then I'll be done with this life for good. In and out. I'd done it a million times. This will be no different. At least, that's what I thought... Then Erica showed up. She was too delicious to pass up. A pretty city girl in a world far removed from the one she knows. In other words, easy prey. Down here, we do things different. When a man like me wants a woman like her, he doesn't stop to ask questions. He just takes. And takes. And takes. Until his hunger is sated. And that's exactly what I did. The stupid girl was about to get stabbed, but I had a different kind of penetration in mind. I scooped her up, threw her across my bike, and took her home. The rest was bare flesh and broken moans. I wish it had ended there. But you can't always get what you want. And this little angel is trying her damndest to drag me back into the underworld I'm desperately trying to escape. Cut it out, princess. You don't give the orders around here – I do. Now get on your knees. I'm not going to ask twice.

Bound to the Killer Nicole Fox, *Bound to the Killer* is book 2 of A Hitman's Cold Heart Romance trilogy. Book 3, *Taken by the Killer*, is available everywhere now! Killing is my business. I care about one thing only: Getting what I came for. She doesn't have the cash to fork over. What she does have is a body I'm dying to claim. So as long as I'm waiting around for her to make ends meet... I might as well give myself a taste. When I take her, she's as delicious as I imagined. And her pleading moans are music to my ears. But then something else came along, something I never expected... She got pregnant. All of the sudden, her situation is out of control. She's got her billionaire mafia boss thirsting after her. A killer's baby in her belly. And a multi-million-dollar debt hanging over her head. If she wants to get out of this alive, she'll have to do exactly what I tell her to. Starting with this: Get on your knees, darling.

Pistol's Promise Nicole Fox, *Pistol's Promise* is book 1 of The Brethren MC trilogy. Books 2 and 3, *Pistol's Rage* and *Pistol's Claim* are available everywhere now! I'm back to claim what's mine. If she wasn't a mother by the time I came home, I swore I'd give her the baby she wanted. But Lisa forgot my promise and my face – until I stormed back into her life. And she realized something about me is all too familiar. PISTOL She's the unplucked flower from my broken youth. And I'm coming to finish the job. Lisa Tallbrook doesn't remember me, but I've never forgotten her. Time has treated her well. Drew curves

where none were before, painted a glistening sheen to her flowing hair. Made her all the more delicious to look at and touch. But the years haven't been as gentle to me. They've added tattoos to my back, scars to my fists, and some bloody stains on my soul that will never go away. In fact, Lisa doesn't even recognize the boy who left her so long ago. All she sees when she looks at me is a savage biker eager to score. Hell, she might even be right. I'm certainly hungry to bind her in my bed. But she's not just another notch on my belt. She's the prize I've been denied the whole time I've been on the road. And I'm tired of waiting. I'm back in town on MC business, but I think I can afford a midnight distraction. Tonight, I'll make my childhood sweetheart my own. And I'll fulfill the promise I made way back then: To put my baby in her womb. She'll never forget me again.

The last person in the world I should be associating with? Check, check, and checkmate. But she's too damn perfect for me to stay away. I needed to lie low for a while, and the best place to hide is in plain sight. So I take a job guarding a reality star in the middle of an emotional breakdown. After all, no one would expect a criminal like me to be swimming in the rich kid end of the pool. Her glitzy diamonds and ritzy dances are a far cry from the leather and liquor I'm used to. But Francesca Savoy is temptation in a tight black dress. And she's falling off her high horse... Right into my tattooed arms. I'll let her keep thinking she's the one running the show. She doesn't know that she's falling for me. That every touch, every tease, every rough, sweaty f**k is getting her more and more ensnared in my trap. I want one thing: a baby. And no one is gonna stop me from getting it. Not her ex. Not her mother. Not even Francesca herself.

COURTNEY Did the man of my dreams sell me to the monster of my nightmares? I don't want to believe it. But no matter how hard I pinch myself, the horrors won't go away. The facts are this: I'm locked on a ship with my daughters, bound for a slave auction half a world away. I'm surrounded by killers. Imprisoned by a psychopath. And Dmitry is nowhere to be found. I'm pregnant with Maverick's baby. There are some things that should never be done. Like sleeping with a murder suspect. And there are some things that are even worse... Like getting pregnant with his baby. Laced up might've been a good way to describe me. Shoes shined, shirt crisp – the pride and joy of my city's police force. And I liked my cases the way I wore my uniform: Nice and neat. But the world doesn't always work that way. It's messy. Chaotic. Wild. Just like Maverick Mace. I said I was proud – he made me beg. I said I was chaste – he made me dirty. I said I was independent – he made me his and his alone. And I loved every second of it. But if getting involved with a suspect in a mysterious, crime-world murder was bad... Then what happened next was far, far worse. It's not just myself I've put in trouble. There's also a baby I can barely protect, not to mention a dangerous man I barely know. And the killers coming to end us all. Maverick made me his... And no one takes what belongs to him.
