Love Quotes by ImMortal1105 Amar Kumar Gupta,2019-09-26 Love ... what an amazing feeling. Everyone out there starve for love, knows love and want love but very few of them actually knows how to be in love for forever. On one hand, today's youth fall in love so passionately and so quickly that they have no idea. On the other hand, they get separated with the same pace ridiculously. My collection of quotes will give some glimpse of journey of today's relationship from perfection to separation. Its not a big deal to maintain the same passion in relationship throughout the life. But today's youth give more importance to their ego and

The Nature of Love, Volume 2 Irving Singer,2009-02-20 An examination of ideas and ideals of medieval courtly love and the transition into later Romantic love, analyzing the work of Dante, Shakespeare, and Schopenhauer, among many others. Review), monumental (Boston Globe), one of the major works of philosophy in our century (Nous), wise and magisterial (Times Literary Supplement), and a masterpiece of critical thinking [that] is a timely, eloquent, and scrupulous account of what, after all, still makes the world go round (Christian Science Monitor). In the second volume, Singer studies the ideas and ideals of medieval courtly love and nineteenth-century Romantic love, as well as the transition between these two perspectives. According to the traditions of courtly love in the twelfth century and thereafter, not only God but also human beings in themselves are capable of authentic love. The pursuit of love between man and woman was seen as a splendid ideal that ennobles both the lover and the beloved. It was something more than libidinal sexuality and involved sophisticated and highly refined courtliness that emulated religious love in its ability to create a holy union between the participants. Adherents to Romantic love in later centuries, affirmed the capacity of love to effect a merging between two people who thus became one. Singer analyzes the transition from courtly to Romantic by reference to the writings of many artists beginning with Dante and ending with Richard Wagner, as well as Neoplatonist philosophers of the Italian Renaissance, Descartes, Spinoza, Rousseau, Hume, Kant, Hegel, and Schopenhauer. In relation to romanticism itself, he distinguishes between two aspects—benign romanticism and Romantic pessimism—that took on renewed importance in the twentieth century.

The Palliative Society Byung-Chul Han, 2021-06-24 Our societies today are characterized by a universal algophobia: a generalized fear of pain. We strive to avoid all painful conditions – even the pain of love is treated as suspect. This algophobia extends into society: less and less space is given to conflicts and controversies that might prompt painful discussions. It takes hold of politics too: politics becomes a palliative politics that is incapable of implementing radical reforms that might be painful, so all we get is more of the same. Faced with the coronavirus pandemic, the palliative society is transformed into a society of survival. The virus enters the palliative zone of well-being and turns it into a quarantine zone in which life is increasingly focused on survival. And the more life becomes survival, the greater the fear of death: the pandemic makes death, which we had carefully repressed and set aside, visible again. Everywhere, the prolongation of life at any cost is the preeminent value, and we are prepared to sacrifice everything that makes life worth living for the sake of survival. This trenchant analysis of our contemporary societies by one of the most original cultural critics of our time will appeal to a wide readership.

Minutes Within an Hourglass Salisha D. Hill, 2013-01-25 It is my work from when I began to write up until now, where I played with different types of poetry and settled with deep poetry expressing my raw emotion.

Missions in Context of Violence Keith E. Eitel, 2007-09-15 This volume deals with the contexts of violence. In an age of increasing concern for this type of missionary work, the missions community needs to hear from those that have reflected on the multifaceted elements involved in understanding the phenomenon of martyrdom-persecution violence as it relates to telling the age-old Gospel story. The place to begin is with Biblical and theological analysis followed by the grounding provided by constructing consequent lifestyles, strategies and practices in physically risky settings. Finally, insights from the live settings of violence are warranted.

The Medical Conspiracy Behind My Wife's Demise Pradeep K. Berry, 2020-05-05 One day, Constance A. 'Connie' Berry, Pradeep Berry's wife of 41 years, passed away due to unforeseen medical circumstances. His mourning continues, and he seeks to cope with the loss in this tribute to his beloved spouse. *The Medical Conspiracy Behind My Wife's Demise* celebrates not just their love—a love that would have never happened if he hadn't left India to go to the United States—but also accounts the unfortunate, contentious, and suspicious circumstances surrounding Connie's death. With just seven dollars on hand, never in his wildest dreams did Pradeep Berry expect to meet a beautiful, intelligent wife in America. His family embraced Connie when they realized she was polite, smart, and self-made. She became the star of the family. Berry lovingly describes Connie's qualities, character, ethics, as well as her professional career. He observes that even though he's been in tremendous pain since she died, he would have never had such a long and happy marriage if he and Connie had not loved each other so much. Connie and Pradeep both considered themselves as two bodies and one soul, and he hopes they

will again be two bodies and one soul in the next life. Reviews for the previous edition, 'My Connie' "A debut author pays tribute to his deceased wife in this memoir. The prose style is sometimes stilted and other times histrionic. However, it occasionally achieves moments of quiet lyricism, as a result, it doesn't have much to teach readers about how to get over a loss. Rather, it's a raw document of the middle of grief and all the emotions that come with it. An emotional elegy that's somewhat undisciplined in style." - Kirkus Reviews "When a loved one dies, the grief can be overwhelming. For some survivors, this grief manifests in all different manners of behaviors in an effort to keep the memory of that lost loved one alive. For Mr. Berry, in the aftermath of the death of his beloved wife of 41 years, it manifested in him writing this loving tribute, My Connie." - Pacific Book Review "In 2015, author Pradeep Berry lost his wife of 41 years. His new memoir, however, isn't an account of moving through grief to healing; rather, it's a repository of his pain. Like a personal journal, its entries reflect his roller-coaster emotional state, recurrent thoughts about his wife's death and grief-stricken lamentations." - BlueInk Review "My Connie is a heartfelt, if repetitive, account of a husband's grief." - Foreword Reviews

My Daddy Yusuph Koni, 2021-08-18 Do fathers love their children more than the mothers do? Why or why not? Yusuph is Tanzania Congolese boy who born and grow in Tanzania with unaware of his mother's (Tecla) and father's (Joseph) love for him because of some complicated situation. As Yusuph grew up, he longed to live with his family but at the end he received bad news of Joseph's death. I literally can't remember what was my dad looks like, or his voice, or anything about him but there are still some missing pieces of him deep down inside me that I brought into my countless dreams of him. Father will say they love their children just as much as their Mothers, but it looks different on the outside. He buried him in his mind, and transform almost every aspect of his live, he decided to pursue his new dream of not letting his children go through the life he went through. Yusuph and Samir were selected by the college to study abroad. Father tend to love their children in the way they perceive is the best but mother love their children in the way they can best perceive it. So, from children's perspective, the father's love may seem to be less than the mothers. Samir explore Yusuph's life situation to accomplish writing his own novel. ... He's committed to reading as many novels as he can, hoping that one day he'll find something to write about in his novel, but still, I wish I could tell my life story so he could write something... THE BEGINNING OF NOVEL WITHIN A NOVEL. Later on Yusuph find out that, before Joseph death, he left special love message for him about his steps sister, Clementine who live in Drc Congo. It is very difficult for Yusuph to go meet his step sister because he want to spend most of his time with his girlfriend (Naomy) for his future family. As time goes by pain of loosing Joseph never leaves Yusuph. The foot prints our loved ones leave on our souls are permanent. Never to be filled with another. Never forgotten. They live on in our memories and in our hearts. The importance of fatherhood extend beyond a provider. Keep that in mind. Yusuph couldn't deal with the future while he didn't clean all of his past memory. Now we're all together and we can't shake hands... We can't kiss... Hugging each other is a test for us... Having sex is also a problem.... I don't think if we will get married...

Bearing children is a dream... Mother's love is mild while father's love is shape. They are different but neither is dispensable. Instead to go study abroad, he go to meet Clementine because she is the one who will restore all the love he had for Joseph without care if there a civil war. Yusuph's heart-beat, thump-thump -- His finger is taking up trigger-slack. He holds off as Justine (Rebel) continues to drag Clementine backward into the woods... So yeah, I think fathers love their children, but they way they express it can sometimes be misunderstood or undervalued.

Labor Pain Chioma A. A. Menakaya, 2023-02-09 Parents! Have you ever wondered what went wrong with your child or blamed yourself for your children's difficulties? Have you battled with the should haves and the should have nots? The book *Labor Pain* is a thought-provoking analytical search for answers to the parent-child relationship. It's the author's inner conflicts and questions raising her children in a different cultural environment than the one she was raised in, as a single parent, a product of divorce, a Christian, and in a time of big cultural change. Her book explores the roles and conflicts between culture, religion, personality, and socioeconomic factors in the parent-child dyad and parenting. The highs and lows of parenting and the many twists, turns, and rest stops on her spiritual journey as a parent. Her book explores the real human struggles in stories, proverbs, poems, and other narratives. Using Psalm 127:3-5 that declares that children are a gift and a reward from God as its framework, the challenging questions become the following: Why is parenting hard? Who or what is to blame for parent-child relationship difficulties? What constitutes a healthy relationship? What is good or bad parenting? Chioma A. A. Menakaya invites the readers to journey along with her, and as they do, make their own discoveries or gain insight to help them deal with or appreciate their own journey as parents. The author hopes that children reading this book will gain an understanding from the parents' perspective. The book also provides useful tools for child welfare workers, psychologists, family advocates, and counselors dealing with migrant families and understanding the role of culture and religion in parenting. Journey along. About the Author Chioma is a mother of three who resides in Howard County, Maryland. She had a broad and extensive career in banking and financial services before moving into the public sector. Chioma is a member of Women's Business Enterprise. She owns several small businesses including a non-profit organization, Care Connect International Inc., whose mission is to help the less privileged in the community they serve ease some of their economic burdens. She understands that ignorance is crippling, thus, she never ceases in her pursuit for knowledge. Adroit in researching, analyzing, and understanding the legal, ethical, political, religious, and socioeconomic environments, she uses her book series *Just from my Heart* the tales of her personal journey, in an interdisciplinary approach to seek answers to the hard questions that tug at her heart. As life happens and as the human mind is a constant battlefield, her writings delve into the core of human relationships and life dilemmas to help bring perspective to the Why? of how things are. As a Christian, Chioma seeks solace and serenity in God through the turbulent waters of her life and when things do not just make sense. In Christ alone, her present help in surmounting the many curve balls life has thrown at her. Chioma wins because God always

wins.

Japanese Understanding of Salvation Martin Heißwolf,2018-02-14 It is no secret that Christianity has been widely rejected in Japan with less than two percent of the population identifying as Christian. The dominant worldview in Japan is deeply animistic, with beliefs such as the Japanese mana-concept, ki (気), the Japanese soul-concept, and the concept of God/god(s), kami (神), being deeply rooted in the culture and fundamentally influencing society. Dr Martin Heißwolf, with his years of experience in Japan, critically examines Japanese animism in light of core Christian beliefs, such as the concepts of “peace” and “salvation.” Central to Japanese people’s rejection of Christian truth is the diametric opposition of its supernatural message to the natural focus of Japanese animistic folk religion. Heißwolf’s meticulous study is framed squarely within missiological thought and praxis so Christians serving in Japanese contexts are better able to communicate the message of the gospel by more fully understanding Japanese people, people by whom God wants to be known.

Media Marathonning Lisa Glebatis Perks,2014-12-11 Media Marathonning: Immersions in Morality is a scholarly study of the intense relationship between reader and story world, analyzing the way audiences become absorbed in a fictive text and dedicate many hours to exploring its narrative contours. Rather than view these media experiences as mindless indulgences, “media marathonning” connotes a conjoined triumph of commitment and stamina. Compared to more traditional, slower-paced media engagement patterns, media marathonning affords readers greater depth of story world engagement, maximizing the emotional and cognitive rewards of the media experience. Through immersive marathonning experiences, audiences can seriously engage with mediated questions about human nature and society, refining our orientation toward morality through internal dialogue about the story and communication with other readers as we process the meaningful journey. As digital technologies facilitate easier, user-centered access to media texts, narratives increase in complexity, and more readers seek immersive story world experiences, marathonning looks to be the new normal of media engagement. Drawing from qualitative studies of book, film, and television marathoners, along with textual analysis of commonly marathoned stories, Media Marathonning presents a holistic look at marathonning’s cultural impact.

Becoming Wife Rachel Bulman,2023-05-08 Whether you are preparing to be or are already a wife, you likely are immersed in the external reality of marriage. But being wife is so much more: It's a call to holiness and a vocation of incredible significance. Becoming Wife explores what it means for a woman to fulfill this vocation. Catholic wife, mother, speaker, and author Rachel Bulman shares - like a friend over a cup of coffee - how being a wife is at once a calling and a

purpose. The more a wife makes herself a gift to her husband, to her children, and to the world, the more she inevitably becomes the person God created her to be. She becomes more wife, more woman, more Christian. Thus, she fulfills her identity as a daughter of God and cultivates the soil from which her motherhood comes to fruition. By exploring the life of the Blessed Mother and the guidance of great minds in the Church, like Saint John Paul II and Saint Teresa Benedicta of the Cross, this book unwraps the gift of becoming a wife and what it means to make a total gift of oneself through matrimony.

Life Lessons Augustine Etemma Inwang MSP, 2015-08-06 This book is the product of my blog Lifes Lessons. I am happy to share it with you. The reflections therein are not a product of an in-depth research into the problems of life. Neither are they an exhaustive treatise on the topics reflected upon. Great theologians and spiritual writers have dealt extensively and systematically on the problems of life. Having sat at their feet as a priest for twenty-five years, read, prayed, and reflected on the Holy Bible and had the opportunity to preach to the people of God during this period, I hereby offer my brief reflections on the lessons of life as I see it, gleaned from my experiences.

The realities of life Vusi Mxolisi Zitha,

Three to Get Married Fulton J. Sheen, 2017-03-31 One of the greatest and best-loved spokesmen for the Faith here sets out the Church's beautiful understanding of marriage in his trademark clear and entertaining style. Frankly and charitably, Sheen presents the causes of and solutions to common marital crises, and tells touching real-life stories of people whose lives were transformed through marriage. He emphasizes that our Blessed Lord is at the center of every successful and loving marriage. This is a perfect gift for engaged couples, or for married people as a fruitful occasion for self-examination.

Sacred Pain Ariel Glucklich, 2003-10-30 Why would anyone seek out the very experience the rest of us most wish to avoid? Why would religious worshipers flog or crucify themselves, sleep on spikes, hang suspended by their flesh, or walk for miles through scorching deserts with bare and bloodied feet? In this insightful new book, Ariel Glucklich argues that the experience of ritual pain, far from being a form of a madness or superstition, contains a hidden rationality and can bring about a profound transformation of the consciousness and identity of the spiritual seeker. Steering a course between purely cultural and purely biological explanations, Glucklich approaches sacred pain from the perspective of the practitioner to fully examine the psychological and spiritual effects of self-hurting. He discusses the scientific understanding of pain, drawing on research in fields such as neuropsychology and neurology. He also ranges over a broad spectrum of historical and cultural contexts, showing the many ways mystics, saints, pilgrims, mourners, shamans, Taoists, Muslims, Hindus, Native Americans, and indeed members of virtually every religion have used pain to achieve a greater identification with God. He examines how pain has served as a punishment for sin, a cure for disease, a weapon against the body and its desires, or a means by which the ego may be transcended and spiritual sickness healed. When pain transgresses the limits, the Muslim mystic Mizra Asadullah Ghalib is quoted as saying, it becomes medicine. Based on extensive research and written with both empathy and

critical insight, Sacred Pain explores the uncharted inner terrain of self-hurting and reveals how meaningful suffering has been used to heal the human spirit.
