**My Life with the Walter Boys** Ali Novak, 2014-03-01 A New York Times Bestseller Now a Netflix series! When a tragic accident leads Jackie to move into a house filled with eleven boys, she gets far more than she ever expected. This sweet YA romance is perfect for fans of Kasie West and Jenny Han—and is one of the most beloved Wattpad books ever! Moving in with eleven boys was not part of the plan. Jackie's goal is perfection—perfect grades, the perfect look, getting into the perfect school. If she can achieve that, then maybe her too-busy mom and dad will take notice. But when her parents die in a tragic accident, Jackie is shipped off across the country to live with the Walters, her new guardians...who just happen to have eleven sons (plus a daughter who is basically one of the boys). The Walter boys are loud, dirty, annoying—and, okay, some of the older boys might be Greek god level hot, but they don't think a city girl belongs on their horse ranch. How is Jackie supposed to fit into their chaotic world when she needs to keep her parents' memory alive by living up to the promise of

perfect? But as Jackie spends more time with the Walter boys, she begins to wonder if the perfection she's always strived for isn't the only way to find love after all. Funny and moving, *My Life with the Walter Boys* is perfect for readers looking for: Wattpad love stories contemporary romance for teens binge-worthy YA novels relatable characters

**Heartstrings** Ali Novak, 2025-10-07 From Ali Novak, author of *My Life with the Walter Boys*, comes the third book in The Heartbreak Chronicles series, perfect for fans of Jenny Han and Kasie West! Who cares about being a fan favorite when you've found someone who's there just for you? Indigo, AKA Indie loves the art of special effects makeup and sometimes wonders if making monsters and zombies could be more than a hobby. But her sister, Violet, is a TV actress whose career has blown up big and become its own kind of monster. It's affected everything: their parents have split, their dad's too busy being Violet's manager, and Indie's on her own as she agonizes over her music school application. Even worse, she's just been drafted into being her sister's personal assistant for a weekend. Talk about being overshadowed. But Indie is about to meet someone who can relate: Xander Jones, the boyishly sweet guitarist of the world famous band the Heartbreakers, who constantly plays second fiddle to the band's bigger personalities. At a hectic comic con where she's fetching bottled water for her sister, Indie and Xander meet behind the scenes and hit it off. Indie knows Xander deserves to step out of the shadows. What if she could find the courage to do the same, by defying others' expectations of her and making a new path for herself? And what if she and Xander could become more than friends?
