**Heaven's Gates and Hell's Flames** Savio Abreu,2019-12-10 Pentecostal-Charismatic Christianity is one of the largest religious movements in the world today. It is a recent form of Christianity that emphasizes direct personal experience of God through baptism with the Holy Spirit. While the literature on Pentecostalism is constantly rising, they mostly focus on Western societies and are from a theological perspective. There is a dearth of well-researched studies that critically analyse the phenomenon of Pentecostal-Charismatic Christianity in India. Addressing this gap, Heaven's Gates and Hell's Flames focuses on groups at the periphery of the religious space in Goa, while locating them within Christianity globally. It broadens our understanding of Pentecostal-Charismatic Christianity in Goa as a rapidly expanding and overtly evangelistic movement within a pluralist, non-Christian society. Abreu assesses the impact of religion on society, analysing how the symbols, beliefs, rituals, and organizational structure of the neo-Pentecostal sects and the Catholic Charismatic Renewal influence religious identities, world views, and the everyday life activities of individual adherents. This the author does by drawing on extensive fieldwork, concepts, analyses, and interpretations provided by scholars of religion in sociology, anthropology, history, as well as theology.

*Pilgrimage Into God* Sicco Claus,2023-04 *Pilgrimage into God: A Study of John Main's Meditation-Oriented Spirituality* is a comprehensive investigation of the heritage of the Benedictine monk John Main (1926 - 1982). This founder of a worldwide movement for Christian meditation understands meditation as an intentional transcending of all mental processes. Contrary to popular opinion, which associates meditation uniquely with Eastern traditions, Main considers meditative practice to be essential and central to Christian faith. This study not only explores Main's views on practice, but also looks into his theology, his understanding of spiritual growth and the (ideal) contexts for achieving such growth. It does this by critically situating Main's spiritual teaching within the Christian tradition and exploring its relation to Charles Taylor's interpretation of the modern spiritual condition. This study also aims at exploring how Main's heritage may contribute to illuminating Christian spiritual life today.
