The Girl who Fell Down Lisa Jo Sagolla,2003 An overnight sensation for her 1943 comedic role as The Girl Who Falls Down in the groundbreaking musical Oklahoma!, McCracken established the prototype dancer-comedienne, headlining in ballet, stage, film, and television productions before her life was tragically cut short by complications from diabetes. Author Lisa Jo Sagolla draws on extensive interviews with McCracken's friends, family, and colleagues to paint a complex portrait of the petite, blue-eyed, and sprightly entertainer as a woman exploiting her mesmerizing beauty and magnetism to succeed in the man's world of entertainment, yet always retaining the persona of childlike pixie she portrayed on stage. McCracken's comic exuberance and athleticism also epitomized a new ballet form that married the European ideas of aristocratic grace and movement with a uniquely American spirit and style. From her beginnings in Philadelphia and New York, to her meteoric rise to fame, to her life long struggle with the little understood and devastating effects of diabetes, *The Girl Who Fell Down* chronicles McCracken's spirited yet poignant life, including her training at Balanchine's seminal School of American Ballet, her blossoming as a ravishing talent with a crackerjack dance technique under Agnes de Mille, her supremacy as a performer, her marriages to novelist Jack Dunphy (who left her for Truman Capote,) and Bob Fosse, and her ultimate diagnosis with heart disease. Touching and inspiring, Sagolla's account describes McCracken's lasting influence through her nurturing of husband Fosse's provocative career, her dramatic coaching of actress Shirley MacLaine, and her inspiration for the many dancer-comediennes that followed -- Gwen Verdon, Carol Haney, and Sandy Duncan, to name a few. Rich with the social and cultural history of a golden age in show business and teeming with colorful choreographers, dancers, and entertainers, this comprehensive and carefully researched biography will introduce Joan McCracken to a new audience of dance enthusiasts.

Honey, Hush! Nikki Giovanni,1998 In this dazzling anthology (Publishers Weekly), Daryl Cumber Dance has collected the often hard-hitting, sometimes risqué, always dramatic humor that arises from the depth of black women's souls and the

breadth of their lives. The eloquent wit and laughter of African American women are presented here in all their written and spoken manifestations: autobiographies, novels, essays, poems, speeches, comic routines, proverbial sayings, cartoons, mimeographed sheets, and folk tales. The chapters proceed thematically, covering the church, love, civil rights, motherly advice, and much more.

Teach Like Your Hair's on Fire Rafe Esquith,2007 An inspiring guide to transforming education for children by an American Teacher Award recipient describes the methods through which he exposes first-generation immigrant students to classic culture, enables them to score in the top one percent on standardized tests, and helps them gain entry into Ivy League universities. 60,000 first printing.

Quoting Caravaggio Mieke Bal,2001-03 The author's primary object of investigation in this text is not the Caravaggio, but rather the issue of temporality in art. She analyzes the productives relationship between Caravaggio and a number of late-20th century artists who quote the baroque master in their own works.

1 Corinthians - Head Coverings are Not Perpetual & they were Hair-Buns, with or without Material: Proven Travis Fentiman,2025-06-14 Is Paul's injunction for women to cover their heads in worship binding today (1 Cor. 11:2-16)? Most of the Reformed, the Scottish covenanters and the Westminster divines in the Reformation and puritan era said 'No,' that Paul's ordinance was relative to his culture, which used this custom. In the most detailed exegetical and theological treatment of this issue since that era, Fentiman argues that this view is conclusive from the Word of God. The book's Intro and the Overview of the Argument following it will whet your desire to invest the time to look through the rest, from which you will reap many rewards. To see how Corinthian women covered their heads, see the many pictures in the History section on pp. 188-98. For a summary of the main points of the whole book, see the Summary Conclusions beginning on p. 258. Here is the logical structure of the book's main argument. Every proposition is thoroughly proven in detail in the book: 1. All positive, instituted worship must be "expressly set down in Scripture" or "by good and necessary consequence... deduced" therefrom (Westminster Confession of Faith 1.6). 2. In Scripture head-coverings, or the lack thereof, bore a variety of contrary meanings and acceptability, or not, in worship. Hence they were clearly cultural. 3. Head-coverings cannot be taught by pure-nature and have no intrinsic value for worshipping God. 4. Paul only uses the language of "dishonor," "becometh," "glory" and "custom" about head-coverings, which are all things of social decency, but do not reflect inherent sins. As with

head-coverings, Paul uses imperatives in 1 Cor. 7 about things not intrinsically sinful. 5. Some apostolic ordinances were circumstantially conditioned and mutable. 6. Universal moral reasons given for a practice, such as head-coverings, not eating creeping things (Lev. 11:41, 44), the holy kiss, foot-washing, etc. does not necessarily make it perpetual. A context is assumed and generals can only bind generally. 7. There is nothing in 1 Cor. 11 necessitating head-coverings to have a different meaning or use in worship than in society. 8. There is no necessary warrant Corinthian head-coverings were geographically or temporally universal in the apostolic churches; but if they were, this does not itself make an ordinance to be of positive religion, especially as the Greco-Roman culture (which head-coverings were appropriate to) was vast. 9. Part I's survey of all the relevant Scriptural head-covering data (consider it for yourself) shows there is no express or good and necessary consequence from these texts that Corinthian head-coverings were a positive, perpetual rite of religion (WCF 21.1) beyond circumstances common to human society, ordered by nature's light, Christian prudence and the Word's general principles (WCF 1.6), which things may be culturally relative. 10. These things being the case, Paul's statement that improper head-covering "dishonoreth her head," (v. 5) must be, not prescriptive, but descriptive, as the case was in that society (which it was). Hence Paul's natural and spiritual arguments are contingent on this de facto premise. A change of the premise in a different culture where not covering is not dishonoring, changes the conclusion.

Our Long Hairitage Roger Sigler,2011-06-07 Most causes of hair loss are manmade. Proper nutrition is one thing. But a lush rain forest is ruined by clear-cutting just as close-cropping the head invites a desert. To add insult to injury biocides (which include many hair products and chlorine) aggravate the environment further by destroying the vital inhabitants thereof. These things cause the scalp to become deserted. In contrast our long haired ancestors had healthy heads of hair because they manipulated nature little. This unique book traces the history of this fact as well as the origins of excessive hair removal during times of religious idolatry. Learn the benefits of longer hair from science, health, Scripture, and history to prevent hair loss and skin cancer; for healthy hair and scalp; to protect your head; and to promote your unique identity. This easy-to-understand book abounds with 100 pictures and other illustrations, handy tables, and is completely referenced. The fight against hair loss will never be won until you understand that the real root causes are self-inflicted or enforced against you by others. Read this book first and get the facts before wasting money on products.
