The Red Tent Anita Diamant, 1997-09-15 Based on the Book of Genesis, Dinah shares her perspective on religious practices and sexual politics.

**The Red Tent - 20th Anniversary Edition** Anita Diamant, 2014-11-04 In this modern classic interpretation of the biblical story of Dinah, Anita Diamant imagines the traditions and turmoils of ancient womanhood--the world of The Red Tent, a New York Times bestseller and the basis of the A&E/Lifetime mini-series. Twentieth Anniversary Edition In the Bible, Dinah's life is only hinted at in a brief and violent detour within the more familiar chapters of the Book of Genesis that tell of her father, Jacob, and his twelve sons. The Red Tent begins with the story of the mothers--Leah, Rachel, Zilpah, and Bilhah--the four wives of Jacob. They love Dinah and give her gifts that sustain her through childhood, a calling to midwifery, and a new home in a foreign land. Dinah's story reaches out from a remarkable period of early history and creates an intimate connection with the past. Deeply affecting, The Red Tent combines rich storytelling and the valuable achievement of presenting a new view of biblical women's lives.

**The Red Tent** Anita Diamant, 1998 A beautiful and thought provoking novel: lost to history by the chronicles of men, here at last is the dazzling story of Dinah, Jacob's only daughter in the Book of Genesis.

**The Red Tent** Lois Ruby, Anita Diamant, 2003 The story of Dinah, a tragic character from the Bible whose great love, a prince, is killed by her brother, leaving her alone and pregnant. The novel traces her life from childhood to death, in the process examining sexual and religious practices of the day, and what it meant to be a woman.

**Anita Diamant's The Red Tent** Ann Finding, 2004-09-07 Continuum Contemporaries give readers accessible and informative introductions to some of the most popular, most acclaimed, and most influential novels of recent years. A team of contemporary fiction scholars from both sides of the Atlantic has been assembled to provide a thorough and readable analysis

of each of the novels in question. The books in the series all follow the same structure: a biography of the novelist, including other works, influences, and, in some cases, an interview; a full-length study of the novel, drawing out the most important themes and ideas; a summary of how the novel was received upon publication; a summary of how the novel has performed since publication, including film or television adaptations, literary prizes, and so forth; a wide range of suggestions for further reading, including web sites and discussion forums; and a list of questions for reading groups to discuss.
