## EW Minium

[The Last of Us and Theology](#) Peter Admirand, 2024-05-29 With a catastrophic fungal pandemic, the post-apocalypse, a moral quest despite societal breakdowns, humans hunting humans or morphed into grotesque infected, The Last of Us video games and HBO series have exhilarated, frightened, and broken the hearts of millions of gamers and viewers. The Last of Us and Theology: Violence, Ethics, Redemption? is a richly diverse and probing edited volume featuring essays from academics across the world to examine theological and ethical themes from The Last of Us universe. Divided into three groupings—Violence, Ethics, and Redemption?—these chapters will especially appeal to The Last of Us fans and those interested in Theology and Pop Culture more broadly. Chapters not only grapple with theologians, ethicists, and novelists like Cormac McCarthy, Fyodor Dostoevsky, Martin Buber, and Paul Tillich; and theological issues from forgiveness and theodicy to soteriology and eschatology; but will help readers become experts on all things fireflies, clickers, Cordyceps, and Seraphites. “Save who you can save” and “Look for the Light.”

**The Last of the Doughboys** Richard Rubin, 2013-05-21 “Before the Greatest Generation, there was the Forgotten Generation of World War I . . . wonderfully engaging” (Kirkus Reviews, starred review). “Richard Rubin has done something that will never be possible for anyone to do again. His interviews with the last American World War I veterans—who have all since died—bring to vivid life a cataclysm that changed our world forever but that remains curiously forgotten here.” —Adam Hochschild, author of *To End All Wars: A Story of Loyalty and Rebellion, 1914–1918* In 2003, eighty-five years after the end of World War I, Richard Rubin set out to see if he could still find and talk to someone who had actually served in the American Expeditionary Forces during that colossal conflict. Ultimately he found dozens, aged 101 to 113, from Cape Cod to Carson City, who shared with him at the last possible moment their stories of America’s Great War. Nineteenth-century men and women living in the twenty-first century, they were self-reliant, humble, and stoic, never complaining, but still marveling at the immensity of the war they helped win, and the complexity of the world they helped create. Though America has largely forgotten their war, you will never forget them, or their stories. A decade in the making, *The Last of the Doughboys* is the most sweeping look at America’s First World War in a generation, a glorious reminder of the tremendously important role America played in the “war to end all wars,” as well as a moving meditation on character, grace, aging, and memory. “An outstanding and fascinating book. By tracking down the last surviving veterans of the First World War and interviewing them

with sympathy and skill, Richard Rubin has produced a first-rate work of reporting.” —Ian Frazier, author of *Travels in Siberia* “I cannot remember a book about that huge and terrible war that I have enjoyed reading more in many years.”  
—Michael Korda, *The Daily Beast*

**Early Broadway Sheet Music** Donald J. Stubblebine, 2015-06-08 This work, a companion to the author's *Broadway Sheet Music: A Comprehensive Listing of Published Music from Broadway and Other Stage Shows, 1918 through 1993* (McFarland 1996), provides information about all sheet music published (1843-1918) from all Broadway productions--plus music from local shows, minstrel shows, night club acts, vaudeville acts, touring companies, and shows on the road that never made it to Broadway--and all the major musicals from Chicago.

**Lasting Visions: The End of an Era** Frederick Fenwick, 2019-05 Merriam Press Military Biography Series. Donald Fenwick enlisted in the US Marine Corps at 18. His destiny was to serve his country as a Marine and to make the Marine Corps a career. He reported to Marine Corps Recruit Depot, San Diego, California in Jan 1957 for recruit training and retired in Oct 1990. For 33 years he served our nation and retired as a Master Gunnery Sergeant. His illustrious military career embodies both the old breed and the new breed of the Marine Corps. Donald served in distant lands such as Vietnam and Okinawa with several cruises aboard ship in the Caribbean Sea and Mediterranean Sea. His story will capture your attention and give you an insight into the reality of what being a Marine is all about. His personal experiences while growing up on the farm in rural Kentucky and while progressing through the enlisted ranks, reveal the esprit de corps, camaraderie and the struggles he had to endure. 71 photos, 2 maps.

*The End of Ownership* Aaron Perzanowski, Jason Schultz, 2018-03-16 An argument for retaining the notion of personal property in the products we “buy” in the digital marketplace. If you buy a book at the bookstore, you own it. You can take it home, scribble in the margins, put it on the shelf, lend it to a friend, sell it at a garage sale. But is the same thing true for the ebooks or other digital goods you buy? Retailers and copyright holders argue that you don't own those purchases, you merely license them. That means your ebook vendor can delete the book from your device without warning or explanation—as Amazon deleted Orwell's 1984 from the Kindles of surprised readers several years ago. These readers thought they owned their copies of 1984. Until, it turned out, they didn't. In *The End of Ownership*, Aaron Perzanowski and Jason Schultz explore how notions of ownership have shifted in the digital marketplace, and make an argument for the benefits of personal property. Of course, ebooks, cloud storage, streaming, and other digital goods offer users convenience and flexibility. But, Perzanowski and Schultz warn, consumers should be aware of the tradeoffs involving user constraints, permanence, and privacy. The rights of private property are clear, but few people manage to read their end user agreements. Perzanowski and Schultz argue that introducing aspects of private property and ownership into the digital marketplace would offer both legal and economic benefits. But, most important, it would affirm our sense of self-direction and autonomy. If we own our

purchases, we are free to make whatever lawful use of them we please. Technology need not constrain our freedom; it can also empower us.

*The De-assification of Music* Carroll Brent Chilton,1922

**New York Star** ,1924

Musical Advance ,1928

Human Traces Sebastian Faulks,2006-09-12 Sixteen-year-old Jacques Rebière is living a humble life in rural France, studying butterflies and frogs by candlelight in his bedroom. Across the Channel, in England, the playful Thomas Midwinter, also sixteen, is enjoying a life of ease-and is resigned to follow his father's wishes and pursue a career in medicine. A fateful seaside meeting four years later sets the two young men on a profound course of friendship and discovery; they will become pioneers in the burgeoning field of psychiatry. But when a female patient at the doctors' Austrian sanatorium becomes dangerously ill, the two men's conflicting diagnosis threatens to divide them--and to undermine all their professional achievements. From the bestselling author of *Birdsong* comes this masterful novel that ventures to answer challenging questions of consciousness and science, and what it means to be human.

*The Billboard* ,1928

**Can't Be Satisfied** Robert Gordon,2024-09-24 Muddy Waters invented electric blues and created the template for the rock and roll band and its wild lifestyle. Gordon excavates Muddy's mysterious past and early career, taking us from Mississippi fields to postwar Chicago street corners.

**The Two of Swords: Part Three** K. J. Parker,2015-04-21 Why are we fighting this war? Because evil must be resisted, and sooner or later there comes a time when men of principle have to make a stand. Because war is good for business and it's better to die on our feet than live on our knees. Because they started it. But at this stage in the proceedings, he added, with a slightly lop-sided grin, mostly from force of habit. A soldier with a gift for archery. A woman who kills without care. Two brothers, both unbeatable generals, now fighting for opposing armies. No one in the vast and once glorious United Empire remains untouched by the rift between East and West, and the war has been fought for as long as anyone can remember. Some still survive who know how it was started, but no one knows how it will end. This serial novel from the World Fantasy Award winning K. J. Parker is the story of a war on a grand scale, told through the eyes of its soldiers, politicians, victims and heroes. The first three parts of *The Two of Swords* will arrive in April 2015, with further installments to be released monthly. This is the third installment in the *Two of Swords* serialization.

**The Cambridge Companion to Tango** Kristin Wendland,Kacey Link,2024-03-28 Tango music rapidly became a global phenomenon as early as the beginning of the twentieth century, with about 30% of gramophone records made between 1903 and 1910 devoted to it. Its popularity declined between the 1950s and the 1980s but has since risen to new heights. This

Companion offers twenty chapters from varying perspectives around music, dance, poetry, and interdisciplinary studies, including numerous visual and audio illustrations in print and on the accompanying webpages. Its multidisciplinary approach demonstrates how different disciplines intersect through performative, historical, ethnographic, sociological, political, and anthropological perspectives. These thematic continuities illuminate diverse international perspectives and highlight how the art form flourished in Argentina, Uruguay and abroad, while tracing its international and cultural impact over the last century. This book is an innovative resource for scholars and students of tango music, particularly those seeking a diverse international perspective on the subject.

**The Etude Music Magazine** ,1928

**And in the End** Ken McNab,2019-03-07 This is the story of the last acrimonious days of the Beatles, a final chapter reconstructing for the first time the seismic events of 1969, the year that saw the band reach new highs of musical creativity and new lows of internal strife. Two years after Flower Power and the hippie idealism of the Summer of Love, the Sixties dream had perished on the vine. By 1969, violence and vindictiveness had replaced the Beatles' own mantra of peace and love, and Vietnam and the Cold War had supplanted hope and optimism. And just as the decade foundered on the altar of a cold, harsh reality, so too did the Beatles. In the midst of this rancour, however, emerged the disharmony of Let It Be and the ragged genius of Abbey Road, their incredible farewell love letter to the world.

The Palm at the End of the Mind Michael Jackson,2009-02-20 Through sixty-one beautifully crafted, concise essays, the anthropologist Michael Jackson reflects on life situations where we are sometimes thrown open to new ways of understanding ourselves and connecting with others.

The Etude ,1897 A monthly journal for the musician, the music student, and all music lovers.

**Billboard** ,1972-07-22 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**Hit Songs, 1900-1955** Don Tyler,2007-04-16 This is a chronology of the most famous songs from the years before rock 'n' roll. The top hits for each year are described, including vital information such as song origin, artist(s), and chart information. For many songs, the author includes any web or library holdings of sheet music covers, musical scores, and free audio files. An extensive collection of biographical sketches follows, providing performing credits, relevant professional awards, and brief biographies for hundreds of the era's most popular performers, lyricists, and composers. Includes an alphabetical song index and bibliography.
