**The Perks of Solitude** Caitlin Kelly, 2021-04-06 I've come to the conclusion that I'll never stop writing. Even if my pen ink runs dry or my phone loses battery, I always find a way to scribble my nonsense somewhere. After the teenage years of my life, as a seventeen-year-old girl that has no idea what she's doing anymore, I'm deciding to format all my works into yet another book. I don't think my writing will be stopped. Even if I acquire writer's block, I write about not having anything to write about. There's always something to write. There's always something to say. I could write poetry books my whole life and maybe... I will. This is the journey in the next chapter of my life. I moved out, became an individual and learned too much, too quickly. I only have room to grow.

*More the Black-Eyed Susan* Anna Siu, 2022-05-04 It is not easy being human  
It is easy to be mean  
But those who vow not to be  
Are leaves and always green  
The anatomy of a blossom  
Is based on extract of the base  
And when we rise above the fray  
We begin to find our way  
We must fight the good fight  
Still and burdens do we share  
Though the fight may not be fair  
The fight is already won  
If we do not succumb  
Like hungry ants to junk  
Like broken chips and cookie crumbs  
And one can preserve, restore, or reawaken  
At a premium the plum  
Better parts that suck their thumbs  
And do not have to flash their gums  
To everyone or anyone  
Only ones that make their kindred spirits hum  
The fight inside not shy the butterflies  
Eternity be our radii

**How To Feel Happy Being Alone** Prem Aggarwal, 2024-08-07 The takeaway message from the book People can find deep, authentic happiness in their solitude. While we do need interpersonal connection in our lives in some form, it's very much possible to enjoy and even thrive living life as an independent individual rather than in a romantic partnership or living with others. At core, learning how to be happy alone is about reframing how we think about our alone time—and how we think about ourselves. Feeling happy while being single alone involves focusing on self-care, personal growth, and embracing independence.

God can take our defeats and turn them into victories!" This book contains a discussion guide.

**Steady Strength** Cary Schmidt, 2023-11-07 A flourishing pastoral heartbeat is possible—for those who are intentional. Ministry in modern society presents a perpetual assault on the pastor's soul. Culture has changed, and the challenges of ministry have changed with it. Many new pastors are discovering that they're ill-equipped to manage unexpected, soul-health

tensions of ministry. Some are walking away, and others are choosing to not enter the pastorate despite a sense of God's calling. Cary Schmidt shares a fresh approach to cultivating emotional health for a lifetime in ministry. Infuse your weary pastoral soul with renewed health, consistent joy, and true flourishing. The heart of Steady Strength is to bring vitality and renewed passion to perplexed and weary servants. Schmidt explores how tensions on the modern pastor can be navigated in three compelling ways: Reckoning with the realities of an unusual call. Cultivating health in unique ways. Nurturing a robust, gospel-culture in ministry. Far from a mournful, complaining manifesto of the negative burdens of the pastor's life, this book is a celebration of the wonderful and joyful opportunity to shepherd God's people. In this three-part book, Cary Schmidt unfolds a workable approach to sustained, joyful pastoral health.
