Why I Am Still Surprised by the Power of the Spirit Jack S. Deere, 2020-04-07 In his classic *Surprised by the Power of the Spirit*, Jack Deere looked at the reason why many Christians (including himself at the time) struggle to believe in miraculous gifts, and he provided a groundbreaking biblical defense of the Holy Spirit's speaking and healing activities today. In *Why I Am Still Surprised by the Power of the Spirit*, the former Dallas Seminary professor revisits his earlier subject matter with fresh insight and even stronger conviction: the Scriptures teach that God is healing and speaking today just as he did 2,000 years ago. Having almost entirely rewritten *Surprised by the Power of the Spirit*, this new edition comes at a time when the theological landscape has dramatically changed, and most evangelicals do believe in all the gifts of the Spirit. But many of us are still unsure how to understand those gifts, and there is much confusion today on what it means to be filled with the Spirit. This book is for those familiar with Deere's work and for newcomers alike. In it, he: Explains the nature of spiritual gifts, defining each of them. Offers sound advice on discovering and using spiritual gifts in church. Tells documented stories of modern miracles and encounters with demonic powers. Examines the New Testament use of the phrase filled with the Spirit to show why and how God still fills his servants with the Holy Spirit. Introduces the newest literature defending and explaining the gifts of the Spirit. With the care of a scholar and the passion of personal experience, this new edition builds upon the legacy of *Surprised by the Power of the Spirit* and the profound impact it's had among Christians of many traditions.

The Power of the Eternal Now Jeremy Lopez, 2011-04-19 Somewhat controversial, *The Power of the Eternal Now* opens Christians' minds in a unique way to the truth of God outside of time. Prophet Jeremy Lopez calls believers to live in the now reality, putting aside inaction and passivity and truly grasping hold of the truth that God speaks about their lives. God exists in the eternals, which is exactly where you are called to live as well. "God raised us up with Christ and seated us with Him in the heavenly realms in Christ Jesus" (Eph. 2:6 NIV). Time is an illusion when it comes to our nature as children of God. The reality of our true identity in Christ is found in the now. But often we don't want to deal with our many problems, so we look at the clock and "invent time" as a way to avoiding them. We are more than conquerors—now! We are holy, chosen, beloved,

accepted, redeemed, justified, and cleansed—now! These are not future wishes and dreams. These are not time-based actions. These are realities of our true identity in Christ and they are found in the now.

Mastering the Power of your Emotions Elisha O. Ogbonna, 2021-06-07 Every day of our lives, we are face with situations that could bring to us joy or sadness, love or hatred, fear or confidence. Every events and obstacles of the world around us aims at taking hold of our emotions to influence our feeling and actions. Emotions are at the centre of everything we do if you can control your emotions, you can control your life but as straightforward as this sound, most people are not the masters of their emotions this is evident by the epidemic of depression, anxiety, suicides, violence, and broken relationships in today's society. In mastering the power of your emotions, you will be presented with an instructive map of the emotional landscapes so many of us are forced to navigate. You will learn the five laws of emotions and discover: ·how temperament and character influences our emotional responses; ·how to respond rather than react to a situation; ·how to handle rejection, abandonment, depression, and grief; ·how to navigate through suicidal thought and self-harm behaviours; ·how to handle anonymous threat and manage different emotional crisis; ·how to gain confidence and have good self-image; ·how to release and replace negative emotions with positive ones; and a lot more.

Mastering the Power of your Emotions 2nd Ed Elisha O. Ogbonna, 2018-01-08 Mastering the Power of Your Emotions has a simple but undeniable premise: Emotions are at the centre of everything we do. If you can control your emotions, you can control your life. But as straightforward as this sounds, most people are not the masters of their emotions. This is evident by the epidemic of depression, anxiety, suicides, violence, and broken relationships in today's society. To help correct this, Elisha Ogbonna explores how temperament and character influences emotional response; how to respond rather than react to a situation; the five Laws of Emotions; how to handle rejection, abandonment, depression, and grief; and how to release and replace negative emotions with positive ones. Using his personal experiences, the laws of science, real-life examples, and scripture and other stories, Ogbonna pulls out all the stops to provide readers with a better understanding of good emotional health and the tips and tools to make sure they achieve it. As he notes, "We can change our world, workplace, families, and ultimately our lives for the better when we master our emotions."

I Am Determined William E. Thrasher Jr.,2021-01-12 As we face this season of challenge in 2020, we must embrace Paul's I Am Determined attitude and just like the blade of grass that pushed through the concrete we must be determined to push through this pandemic. Just like the tree that grows up through the giant rock, we too must go through the giant rocks of racial and social injustice. Like the cactus that stands tall in the dry dessert, we must be determined to stand tall as we go through the dry desserts of trial and sacrifice. When we are troubled on every side, just say I Am Determined and you won't be distress, perplexed, declare I Am Determined and you won't be in despair, persecuted, shout it out I Am Determined! And you won't be forsaken, Cast down, reach for the prize, let the world know that I Am Determined has kicked in and you cannot be destroyed! Tell 2020 I got this, cause I Am Determined!

The Power of Attitude Capital Marc Lamont,2018-12-11 Companies continually evaluate their assets, both tangible and intangible. During these evaluations, an extremely important point is often forgotten: that point is that attitude capital is one of the most important assets. The value of all other assets might be in danger if the level of attitude capital is not high enough. And putting the assets of a company in danger can't be the purpose of being in business, because companies are always looking for security and growth. The success of companies is determined by the sum of the individual success of their employees. And the success of employees can be increased dramatically by developing and further increasing the attitude capital. But the development of the right attitude leads not only to success; it also leads to maximal realization potential. For employees, attitude capital is extremely important, more important than knowledge, experience, skills, and talent, because attitude determines how all those elements are transformed into success. In case of lack of the right attitude, the value of knowledge, experience, skills, and talent becomes small to irrelevant. As a result, the chances of being successful are

minimal to nonexistent. The right attitude of an employee not only increases his or her individual success but also contributes to the attitude capital of the company and, as a result, to the success of the company. Starters and start-up companies often think they have a unique idea. But often those ideas are not so unique, or they can be imitated very easily. What really will create the difference is the level of attitude capital those starters have from the beginning. Just having passion is not enough. The Power of Attitude Capital is for managers, for employees, and for starters, not only to read, but also to use on a daily basis as a guide to increase attitude capital. The Power of Attitude Capital does not look at what is going wrong in organizations or at an individual level. It rather seeks to motivate organizations and individuals to work on the opportunities that they have to increase success.

The Power of Writing in Organizations Anne-Laure Fayard, Anca Metiu, 2013 This book demonstrates the power of writing in informal and formal organizations in the past and the present. It shows how writing, despite long lasting criticisms that can be traced back to Plato, and in spite of its frequent definition as a mere recording medium is in fact a creative mode of communication that supports the expression of emotions, the developing knowledge, and the building of strong communities among faraway individuals. The first part of the book illustrates how this has been true historically. The focus on writing as a fundamental mode of communication - the other being speech or the oral mode - is still important in our technology-infused world, where writing seems to have been reduced to short cryptic text messages or tweets. Precisely because of their heavy reliance on technology, current practices are in need of a deeper understanding that focus on deep as opposed to surface features and unveil the four essential mechanisms - objectification, reflecting, specifying, and addressing - that give writing its creative powers. In the second part of the book, we use contemporary case studies and interviews to illustrate how shifting our focus from the media to the mode of communication and focusing on the mechanisms of writing allows us to go beyond current debates about the capabilities of various communication media and to understand better today's communicative practices. This book is an attempt to unveil the powers of writing as well as to highlight the implications for organizations of the potential loss of these powers in today's world where writing-based distributed collaborations,

interpersonal relationships, and online communities are key sources of innovation and support for individuals and organizations.

The Nonviolent Communication Book of Quotes Marshall B. Rosenberg, 2023-09-01 The Nonviolent Communication Book of Quotes shows how the NVC process makes life more wonderful through the joy of compassionate giving. The Nonviolent Communication Book of Quotes by Marshall B. Rosenberg, PhD, brings together gems from books, the internet, and previously unpublished workshops that the creator of NVC offered during his lifetime. This lively compilation will make you laugh and cry, and inspire you to change your life, your work, your world. Quotes are organized so readers learn the four-part Nonviolent Communication (NVC) process, then explore its myriad applications. Rosenberg's essential insight was that humans universally enjoy making life more wonderful through compassionate giving. The revolutionary psychologist transformed tens of thousands of lives by enabling NVC practitioners to focus on feelings and needs, creating connections without competition, judgment, or demands. Rosenberg's work applied NVC principles to people and situations worldwide, from families to schools to offices, from gangs to warring tribes and nations. These quotes don't just reveal Rosenberg's methods; his trademark humor, kindness, and intuitive brilliance shine from every page.

I Am Bob Dunsmore, 2011-07 I Am is a practical manual for the peaceful worldwide revolution underway. It mandates the end of corporate personhood, and the for profit before people Federal Reserve System. It calls for the establishment of a Federal Department of Integrity, the revamping of our foreign relations and its foreign aid for profit machine and doing away with the clearly unconstitutional income tax. Bob co-founded several non-profit organizations including Colorado's San Luis Valley Solar Energy Association and Alamosa Children's School during the 1980's. As co-director of the San Luis Valley Energy Center, he traveled nationwide and internationally promoting hands-on, low-cost and no-cost do-it-yourself solar energy and energy conservation technologies. He has worked as a community development specialist in twenty countries. I Am grounds the reader in an autobiographical journey of empowerment, inspiring the reader to move beyond fear and beyond belief to undertake the great challenges of our times. Bob presents ideas for reversing global warming within a matter of months, for convoking a constitutional assembly, for retooling our factories, creating millions of jobs and creating a sustainable future for the Earth

The Power of Sound Edmund Gurney, 2011-10-20 One of the most important and original treatises on musical aesthetics, first published in 1880.

The Fall and Restoration Neville, 2018-11-28 Neville was born in Barbados, West Indies in 1905 into a poor English family—nine boys and one girl—where he was raised and educated in a traditional Christian manner. His father who knew about the power of imagining, along with the help of his industrious sons, made the Goddard's into the largest business presence in the island, and at his death left all ten children independently wealthy. At age seventeen Neville left Barbados for

New York City where he worked in retail for several years until he became a dancer in Broadway shows. This led to a stint in London where he was introduced to metaphysical thought, and upon returning to New York he began to teach the law of imagining in 1938 to ever-growing audiences in the East, Los Angeles and San Francisco. When he moved his family to Los Angeles in the early 1950s he was attracting crowds of 2,000 for his Sunday talks. Everyone wanted something—homes, new jobs, mates, money—and he successfully taught them how to fulfill those desires through the use of their all-powerful human imaginations. The techniques, testimonies from his audiences, the creative formula, visions, dreams and Bible interpretations are discussed simply and in detail in these lectures. They encourage any seeker to apply his or her imagination for success, and ultimately lead to the appreciation that there is no intermediary between God (man's I AM) and man. Starting in 1959 he had a series of six visions over a three and a half year period—resurrection/birth from above; David; splitting of the temple/ascension; and the dove's descent. Then he understood his mission: To first experience these visions, understand their meanings, and then teach the meaning of these signs that are given to man after multiple lifetimes and all states of consciousness have been played by each individual. These signs confirm the awakening of man's soul. Man's origin and destiny are divine—from unity into diversity back to unity, with no loss of individuality. All is forgiven and the exile, the prodigal returns to Lordship, greatly expanded by the journey through limitation, illusion and a sleep likened unto death.

The Quote Verifier Ralph Keyes, 2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed. Ralph Keyes's *The Quote Verifier* considers not only classic misquotes such as Nice guys finish last, and Play it again, Sam, but more surprising ones such as Ain't I a woman? and Golf is a good walk spoiled, as well as the origins of popular sayings such as The opera ain't over till the fat lady sings, No one washes a rented car, and Make my day. Keyes's in-depth research routinely confounds widespread assumptions about who said what, where, and when. Organized in easy-to-access dictionary form, *The Quote Verifier* also contains special sections highlighting commonly misquoted people and genres, such as Yogi Berra and Oscar Wilde, famous last words, and misremembered movie lines. An invaluable resource for not just those with a professional need to quote accurately, but anyone at all who is interested in the roots of words and phrases, *The Quote Verifier* is not only a fascinating piece of literary sleuthing, but also a great read.

Here I Am Brittany Rust, 2019-06-04 Constant noise and distraction clamor for our attention and make it difficult to distinguish God's voice from the voices surrounding us--both internal and external. We can be immobilized by fear of failure and our own insecurities, leaving us uncertain that it is God's voice we hear. A fresh voice for a new generation, Brittany Rust teaches believers how to discern the voice of God and live out the plans God has for them by · silencing the other voices so it's God's voice that prevails · tuning out the world and tuning in to the voice of God · gaining the confidence to step out in faith It's time for us to separate the loud, external distractions from the quiet whisper of our beautiful God, who promises us that when we call his name, he is ready to respond.
