**The Gravity Between Us** Akshaykumar Nair, 2025-07-27 The Gravity Between Us - Some Hearts Are Meant to Find Each Other A powerful, slow-burn love story about destiny, healing, and the quiet kind of love that lingers long after the last page. What if two souls were always meant to collide, no matter how far life tried to pull them apart? Aanya, fiercely independent and quietly hurting, has spent her life building walls to protect herself from a world that's let her down. Neil, a wandering dreamer with a camera and a wounded heart, hides his pain behind sunsets and smiles. When their paths cross one unplanned evening, everything changes — slowly, silently, and irrevocably. From handwritten letters and stargazing silences to the moments that live in the spaces between words, The Gravity Between Us explores what it means to find home in another person. It's a story of second chances, quiet strength, and love that grows not in grand gestures but in the stillness of being truly seen. For readers who believe in fate, healing, and soul-deep connection — this story will stay with you long after you've turned the last page. Perfect for fans of Colleen Hoover, Jojo Moyes, and Nicholas Sparks.

**The Gravity Between Us** Kristen Zimmer, 2013-10 The Gravity Between Us is a daring, romantic, emotional story about friendship, love, and finding the courage to be yourself in a crazy world. New Adult novel: recommended for 17+ due to mature themes and sexual content. It's like there's gravity between us, like she's the only thing anchoring me to the world, keeping me from floating off into the upper stratosphere and being lost in space. I can't risk losing her. Where does friendship stop and love begin? At just 19, Kendall Bettencourt is Hollywood's hottest young starlet with the world at her feet - but behind the glamour and designer dresses is a girl who longs for normal. Payton Taylor is Kendall's best friend since childhood, and the one person who reminds her of who she really is - her refuge from the craziness of celebrity life. With her career taking off, Kendall moves Payton to LA to help keep her sane. But Payton is hiding a secret that could make everything ten times worse. Because to her, Kendall is more than a best friend - she is the only girl that she has ever loved. Just as they need each other more than ever, they'll have to answer the question of where friendship stops and love begins? And find out whether the feelings they have can survive the mounting pressure of fame...

**Gravity Between Us** Alexandra Norton, 2024-10-28 I thought I could walk away. I've done it many times. But all the roads lead back to her. Elaina Fairan knows she's broken. Maybe that's why she's been hiding at the edge of the universe, guarding herself with her work. Vulnerability has never been her strong suit, and machines are simpler than people. But

when a magnetic Gaian stranger walks into her life, something about him makes her wonder if maybe she's finally ready to stop running. Cyan Orlogsson thought he was guided by fate itself when the ancient sword he bears pulled him to the edge of the known universe. He's left behind everything—everyone—for this duty. He can't let the aloof astrotechnician with striking eyes, or the electric connection between them, steer him off-course. But something about her makes him question everything he thought he knew about his purpose... Something about her feels like home. As the fabric of their very universe unravels, Elaina and Cyan must risk everything—including their hearts—to stop the collapse. Can they find the courage to lean into a bond powerful enough to rewrite the stars? Or will their fear of falling tear them apart? *Gravity Between Us* is a steamy sci-fi romance in which two fragile human souls must overcome their deepest fears—and fate itself—for a chance at love.

**Victor Frankenstein, the Monster and the Shadows of Technology** Robert D. Romanyshyn, 2019-04-25 In *Victor Frankenstein, the Monster and the Shadows of Technology: The Frankenstein Prophecies*, Romanyshyn asks eight questions that uncover how Mary Shelley's classic work *Frankenstein* haunts our world. Providing a uniquely interdisciplinary assessment, Romanyshyn combines Jungian theory, literary criticism and mythology to explore answers to the query at the heart of this book: who is the monster? In the first six questions, Romanyshyn explores how Victor's story and the Monster's tale linger today as the dark side of Frankenstein's quest to create a new species that would bless him as its creator. Victor and the Monster are present in the guises of climate crises, the genocides of our god wars, the swelling worldwide population of refugees, the loss of place in digital space, the Western obsession with eternal youth and the eclipse of the biological body in genetic and computer technologies that are redefining what it means to be human. In the book's final two questions, Romanyshyn uncovers some seeds of hope in Mary Shelley's work and explores how the Monster's tale reframes her story as a love story. This important book will be essential reading for academics and students of Jungian and post-Jungian theory, literature, philosophy and psychology, psychotherapists in practice and in training, and for all who are concerned with the political, social and cultural crises we face today.

*Fate Forged* B. P. Donigan, 2018-12-18 Maeve O'Neill grew a hard shell while growing up on the streets of Boston. Just as she's on the cusp of getting her life on a better track, she starts having agonizing visions of torture. Desperate to rid her mind of the awful scenes, she follows her visions to the scene of a murder. Instead of answers, she gets an unexpected gift from the victim: Magic. Maeve's newfound abilities soon make her the target of two powerful and dangerous groups, the Council and the Brotherhood, both of which will stop at nothing to gain the magic locked inside her. In an attempt to stay alive, Maeve strikes a deal with the Council's disillusioned enforcer, Silas Valeron. His motives are suspect, and his arrogance is frustrating, but his plan might work. With more visions sending Maeve deep into a world of magic with enemies all around her, she must learn to control her powers long enough to get rid of them. If she can't, all of Earth's magic could fall into the wrong hands.

Rekindled Genevieve Iseult Eldredge, 2019-03-26 “An emotional rollercoaster, filled with fights, small endearing moments, builds to a thrilling climax, and an emotion-filled denouement!” - Tracy, GoodReads “There is so much tension! Make sure your device can handle when you will inevitably tighten your grasp while reading!” - Ren, GoodReads If you like reading about the Fae, other realms and watching two bada\*\* chicks fight then you will love this series!” - The Avid Reader It’s good to be queen. Except when it’s a total disaster. Syl Skye, newly crowned Queen of Fair Faerie, would be psyched to be the ruler of her Summer realm, except for two things. One, her girlfriend Rouen Rivoche became Queen of Dark Faerie, the Winter realm. That would be great except the Winter realm’s always been at war with Summer. By tradition, that makes Rouen Syl’s mortal enemy. That said, love can break past old hatred, right? Especially with a new foe about to attack them both. Ah, no. Which brings us to Syl’s second problem. Rouen’s under a dark spell and doesn’t remember Syl, their lives, their love. Worse, if Syl doesn’t break the spell by the next new moon, Rouen will forget her forever. To defeat their foe, it’ll take two soul-bound queens whose hearts and minds act as one. Trouble is, no one has ever broken the dark spell Rouen suffers from. Good thing Syl isn’t the type of queen who gives up easily. Will Syl break the dark spell over Rouen, or is Rouen destined to forget about her forever? Perfect for readers of lesbian and LGBTQIA+ romance, urban fantasy, YA, and fairy stories, and fans of enemies to lovers, angsty feels, soft girl/tough girl dynamics, kickass moms, and manga-style fight scenes. THE CIRCUIT FAE SERIES 1. Moribund 1.5 Derailed 2. Ouroboros 2.5 Dethroned 3. Inimical 3.5 Rekindled 4. Nemesis 4.5 Revenged 5. Eidolon “This book was a lot of fun. I particularly enjoyed a guest appearance from some of our favorite dark Fae. I don’t want to spoil it, but Chuck E Cheese is involved!” - Laura, GoodReads “This series owes me many hours of sleep, and this book is no exception. I strongly recommend dedicating a couple hours to read in one sitting because there is honestly no good place to say “ok, I can stop here and come back later!” - Ren, GoodReads

*The Way We Weren't* Jill Talbot,2015-07-01 After years of futon passion, Hemingway discussions, and three-mile runs, Jill Talbot's relationship with a man carved in her doubts so deep she wrote to ignore them. And even though he was as unwilling to commit to a place or a job as Talbot was to marrying him, he insisted that she keep the baby when a pregnancy surprised them during their fourth year together. As it turned out, Kenny wasn't able to commit to a child either, so when the court ordered visitation and support for their four-month-old daughter, he vanished. His disappearing act was the catalyst for Talbot's own, as she moved her daughter through nine states in as many years—running from the memory of their failed relationship and the hope of an impossible reunion, all the while raising a daughter on her own. Then, one day while packing boxes, she found a photograph that changed everything. In this memoir-in-essays, Talbot attempts to set the record straight, even as she argues that our shared histories are merely competing stories we choose to tell ourselves. A bold look at the challenges of love and the struggles of a single mother in America today, *The Way We Weren't* tells a complex, unforgettable story of loss and leaving, and of how Talbot learned that writing can't bring anything back, but that because of it, nothing is ever really lost.

The Beginning After The End TurtleMe,2023-07-05 I didn't want to be worshiped like some deity, an instant replacement for the asuras who kept trying to kill these people despite having for so long been looked up to as gods. "I'm not your savior." Arthur Leywin has finally returned to the continent of Dicathen, but his home is still firmly in the hands of the enemy. His display of unprecedented power brings hope to his allies and fear to his enemies, but it also more deeply embroils him in a conflict between the godlike asuras, with Agrona Vritra on one side and Kezess Indrath on the other. With the crimes of his past life haunting him in the form of the Legacy, Arthur can no longer afford to hone only his own strength, but he must also

empower those closest to him or risk losing them all.

Lucian: A Fallen Angel Romance Kenzie Skye, Enjoy this angels and demons romance series by romantasy author Kenzie Skye... A creature like me has no right to love. Yet, Heaven help me, I do. Isadora is everything I shouldn't want—pure, radiant, untouched by the darkness that clings to me. She's mortal, fragile, and utterly perfect. And I? I am fallen. Though our love is impossible, I can't stay away. Hidden in the shadows, I watch over her, protect her, yearn for her. She is my obsession, my light in an eternity of darkness. But the world is cruel, and evil is closing in, threatening to destroy everything she holds dear. To save her, I'll have to risk everything—my secrets, my soul, and even the tenuous balance between good and evil. Exposing the truth about who I am may mean losing her forever. But protecting Isadora is worth any price, even my damnation. Now, the battle isn't just against the forces of darkness—it's against my own need to make her mine in every forbidden way. Forever. Warning: Lucian contains an obsessive, overprotective fallen angel, forbidden love that burns hotter than hellfire, and obsession so consuming it defies the laws of Heaven and Earth. Dive in only if you're ready for a dark, dangerous, and utterly addictive romance! Lucian is the second book in the Angels and Demons Romances Sacrifices Duet series, although all books in this steamy series can be read as standalones. For fans of Jessa Kane, Ruby Dixon and Candace Ayers, this is a HOT romantic story with a guaranteed happily ever after. Like all Kenzie Skye's books, it features an obsessed hero and an innocent heroine. Enjoy!

**Resistance and Support** Ann Cooper Albright, 2024 Along with the rock music of [the late '60s and early '70s], dancing both reinforced and crystalized an image of the self: independent yet communal, free, sensual, daring . . . also associated with contemporary social movements and practices such as the civil rights movement, youth culture, and drug-taking, and with values such as rebellion, expressiveness, and individualism within a loving community of peers. Dancing encoded these ideas in a flexible and multi-layered text, its kinesthetic and structural characteristics laden with social implications and associations. (Novack 1990, 38) Drawn passionately into the vortex of this revolutionary youth movement fifty years ago, along with so many of my North American (and Global North) peers, I recall how we danced together fervently but also purposefully. We were dancing in clubs, gymnasiums, theaters and galleries, in the streets, parks, our homes and at outdoor rock concerts. Our way of moving freely, alone and together, was imbued with a constellation of meanings: heralding a new era of liberties, embarking on social experiments, and not the least, promoting world peace. Going back to nature, we lived in rural enclaves, envisioned a natural foods movement with health and environmental concerns. We imagined ourselves enacting the lives of counter-cultural rebels,--

*The Wide Receiver and His Best Friend's Little Sister* Anne-Marie Meyer, 2020-09-21 His job was to protect her. Feelings weren't supposed to get involved. Eve I've been in love with my brother's best friend for as long as I can remember. Once upon a time he was my knight in shining armor, but now? He acts like I'm his worst enemy. I don't know why Cooper Jenkins

insists on keeping me at arm's length—which is hard to do when he's my partner at the Academy—or why he insists on shielding me from every other boy at school. I don't want to be at Oakwood high anymore than he seems to want me there, so why won't he leave me alone? Cooper When my best friend enlisted I made one promise: protect his little sister. And I'll do that, even if it means pissing her off and making her hate me. Besides, I'd rather she hate me than know how I truly feel. If I give into temptation and make her mine, I'll be breaking my vow in every way possible. But there's something about her. Something in her gaze that is drawing me in and terrifying me at the same time. And the more I'm around her, the more I begin to fear that perhaps, the only person who can truly hurt Eve? Is me. If you love big, teddy bear heroes who only want to protect the heroine and snarky heroines, you'll love the Wide Receiver and his Best Friend's Little Sister.

**Shades of Darkness** A. R. Kahler, 2016-03-08 American Gods meets The Secret History in this “eerie, wistful” (Karsten Knight, author of the Wildefire series) start to a fantasy trilogy about Kaira Winters, the murders that keep happening at her artsy boarding school, and the lengths she must go to in order to protect the people she loves. When Kaira Winters decided to go to Islington—a boarding school deep in the woods of Michigan—she thought she could finally get away from everything she has tried so hard to forget, including some things from her past that she refuses to believe ever actually happened. Everything seemed great until the bodies of murdered students started appearing all over campus. The victims seem to have been killed in some sort of ritual sacrifice. And even worse, Kaira’s dreams are giving her clues to the killer’s identity. Though she tries to resist, Kaira quickly realizes that she is the only one who can stop the violence, but to do so she must come to terms with her past. She’s going to have to listen to the voice that is buried deep within her...the one that claims to have unimaginable power...the one that claims to be an actual goddess. But even if Kaira can harness the power within her, will it be enough to stop the darkness that has fallen over her school? And if it is strong enough, then what’s to stop the goddess from wreaking her own havoc once she’s released? Filled with murder, mystery, and a little bit of magic, this fresh genre-bending novel is a thrilling page-turner you won’t be able to put down until the very last page.
