The Many Daughters of Afong Moy Jamie Ford, 2022-08-02 When Dorothy Moy discovers her daughter may suffer from the same debilitating depression that she does, she seeks radical help and endeavors to break the cycle of pain and find peace

The Many Daughters of Afong Moy Jamie Ford, 2022-07-27 From the New York Times bestselling author of *Hotel on the Corner of Bitter and Sweet* comes a powerful novel about the love that binds one family of women across generations. Dorothy Moy breaks her own heart for a living. As Seattle's former poet laureate, that's how she describes channeling her dissociative episodes and mental breakdowns into her art. But when her five-year-old daughter, Annabel, exhibits the same behavior and begins remembering things and events she has never experienced, Dorothy believes the past has truly come to haunt the present. If she doesn't take radical steps, her daughter will be doomed to face the same debilitating depression that has marked her life. Through epigenetic therapy—an experimental treatment designed to mitigate inherited trauma—Dorothy intimately connects with the past generations of women in her family: Faye Moy, a nurse in Burma serving with the Flying Tigers; Afong Moy, the first Chinese woman to set foot in America; Zoe Moy, a student in England at a famous school with no rules; Lai King Moy, a girl quarantined in San Francisco during a plague epidemic; and Greta Moy, a tech executive with a unique dating app. Through reliving their painful stories, Dorothy comes to understand the true cost of inherited pain. As the past bleeds into the present, Dorothy discovers that trauma isn't the only thing she's inherited. A stranger is searching for her in each time period. A stranger who's loved her through all of her genetic memories. And that person is most certainly not her current husband, Louis. To protect her daughter's future, Dorothy must break the cycle and find a way to cross time and resolve all past traumas, to find the love that has long been waiting, and find peace for Annabel. Even if it means she must sacrifice her only chance at life and happiness--

The Secret Book of Flora Lea Patti Callahan Henry, 2023-05-02 When a woman discovers a rare book with connections to her past, long-held secrets about her missing sister and their childhood in the English countryside during World War II are revealed in this "beguiling blend of hope, mystery, and true familial love" (Sadeqa Johnson, New York Times bestselling

author). In the war-torn London of 1939, fourteen-year-old Hazel and five-year-old Flora are evacuated to a rural village to escape the horrors of the Second World War. Living with the kind Bridie Aberdeen and her teenage son, Harry, in a charming stone cottage along the River Thames, Hazel fills their days with walks and games to distract her young sister, including one that she creates for her sister and her sister alone—a fairy tale about a magical land, a secret place they can escape to that is all their own. But the unthinkable happens when young Flora suddenly vanishes while playing near the banks of the river. Shattered, Hazel blames herself for her sister’s disappearance, and she carries that guilt into adulthood as a private burden she feels she deserves. Twenty years later, Hazel is in London, ready to move on from her job at a cozy rare bookstore to a career at Sotheby’s. With a charming boyfriend and her elegantly timeworn Bloomsbury flat, Hazel’s future seems determined. But her tidy life is turned upside down when she unwraps a package containing an illustrated book called *Whisperwood and the River of Stars*. Hazel never told a soul about the imaginary world she created just for Flora. Could this book hold the secrets to Flora’s disappearance? Could it be a sign that her beloved sister is still alive after all these years? As Hazel embarks on a feverish quest, revisiting long-dormant relationships and bravely opening wounds from her past, her career and future hang in the balance. Spellbinding and atmospheric, “this heartrending, captivating tale of family, first love, and fate will sweep you away” (Kristin Harmel, New York Times bestselling author).

The Hazelbourne Ladies Motorcycle and Flying Club Helen Simonson, 2025-03-04 NATIONAL BESTSELLER • “Historical fiction of the highest order . . . an absolute joy of a book, warm and romantic, and with so much to say about the lives of women in the years following World War I.”—Ann Napolitano, bestselling author of *Hello Beautiful* A timeless comedy of manners—refreshing as a summer breeze and bracing as the British seaside—about a generation of young women facing the seismic changes brought on by war and dreaming of the boundless possibilities of their future, from the bestselling author of *Major Pettigrew's Last Stand* A PARADE BEST BOOK OF THE YEAR It is the summer of 1919 and Constance Haverhill is

without prospects. Now that all the men have returned from the front, she has been asked to give up her cottage and her job at the estate she helped run during the war. While she looks for a position as a bookkeeper or—horror—a governess, she's sent as a lady's companion to an old family friend who is convalescing at a seaside hotel. Despite having only weeks to find a permanent home, Constance is swept up in the social whirl of Hazelbourne-on-Sea after she rescues the local baronet's daughter, Poppy Wirrall, from a social faux pas. Poppy wears trousers, operates a taxi and delivery service to employ local women, and runs a ladies' motorcycle club (to which she plans to add flying lessons). She and her friends enthusiastically welcome Constance into their circle. And then there is Harris, Poppy's recalcitrant but handsome brother—a fighter pilot recently wounded in battle—who warms in Constance's presence. But things are more complicated than they seem in this sunny pocket of English high society. As the country prepares to celebrate its hard-won peace, Constance and the women of the club are forced to confront the fact that the freedoms they gained during the war are being revoked. Whip-smart and utterly transportive, *The Hazelbourne Ladies Motorcycle and Flying Club* is historical fiction of the highest order: an unforgettable coming-of-age story, a tender romance, and a portrait of a nation on the brink of change.

This Is Not a Ghost Story Amerie, 2025-06-10 Grammy-nominated singer-songwriter Amerie's dazzling, satirical adult debut tells the story of a Black man who walks into the light...to find himself in Los Angeles, where he becomes an instant celebrity for being the first visible and verifiable ghost. John's House provides all he needs. Surrounded by a vast, beautiful ocean under a void of sky, the House is John's haven. He is alone, but never lonely; he is here now, but neither remembers nor longs for a before. In his House, John is safe and untroubled. But then a terrible shadow creature breaks in—and it wants him out. Pushed from the House, John falls into the light... And finds himself in modern-day Los Angeles, the first person to ever come back from the other side. Though he has no memory of his past life, or even how he died, everyone wants to know more about the Black man who has returned from the dead—is he the second coming? A hoax? Or something beyond explanation? Soon he has brand deals, TV interviews, and politicians aiming to use him for their agendas, yet all John wants is to go home. But going home will require, most unfortunately, help. In search of a way back, John grudgingly joins forces with a mystic holding dubious qualifications, a hard-edged publicist bent on making him famous, and an aspiring actress who is unsettlingly familiar. With this ragtag band of allies, John begins a journey to find his House on the ocean—but getting there will prove more complicated than he imagined, for it will require not only trusting in someone other than himself, but will mean uncovering painful truths about who John was in life and, perhaps most difficult, who he must become. A gorgeous, tender story of hope, sacrifice, and what it means to be human, *This Is Not a Ghost Story* introduces an astonishing new voice in literary fiction.

The Museum of Failures Thrity Umrigar, 2023-09-26 From the bestselling author of *The Space Between Us* comes a powerful story about family secrets, a mother's power, and the importance of forgiveness. When Remy Wadia left India for

the United States, he carried his resentment of his cold and inscrutable mother with him and has kept his distance from her. Years later, he returns to Bombay, planning to adopt a baby from a young pregnant girl—and to see his elderly mother again before it is too late. She is in the hospital, has stopped talking, and seems to have given up on life. Struck with guilt for not realizing just how ill she had become, Remy devotes himself to helping her recover and return home. But one day in her apartment he comes upon an old photograph that demands explanation. As shocking family secrets surface, Remy finds himself reevaluating his entire childhood and his relationship to his parents, just as he is on the cusp of becoming a parent himself. Can Remy learn to forgive others for their human frailties, or is he too wedded to his sorrow and anger over his parents' long-ago decisions? Surprising, devastating, and ultimately a story of redemption and healing still possible between a mother and son, *The Museum of Failures* is a tour de force from one of our most elegant storytellers about the mixed bag of love and regret. It is also, above all, a much-needed reminder that forgiveness comes from empathy for others.

The Spectacular Fiona Davis, 2024-07-23 From the New York Times Bestselling Author of *The Magnolia Palace*: A thrilling story about love, sacrifice, and the pursuit of dreams, set amidst the glamour and glitz of Radio City Music Hall in its mid-century heyday. New York City, 1956: Nineteen-year-old Marion Brooks knows she should be happy. Her high school sweetheart is about to propose and sweep her off to the life everyone has always expected they'd have together: a quiet house in the suburbs, Marion staying home to raise their future children. But instead, Marion finds herself feeling trapped. So when she comes across an opportunity to audition for the famous Radio City Rockettes—the glamorous precision-dancing troupe—she jumps at the chance to exchange her predictable future for the dazzling life of a performer. Meanwhile, the city is reeling from a string of bombings orchestrated by a person the press has nicknamed the “Big Apple Bomber,” who has been terrorizing the citizens of New York for sixteen years by planting bombs in popular, crowded spaces. With the public in an uproar over the lack of any real leads after a yearslong manhunt, the police turn in desperation to Peter Griggs, a young doctor at a local mental hospital who espouses a radical new technique: psychological profiling. As both Marion and Peter find themselves unexpectedly pulled in to the police search for the bomber, Marion realizes that as much as she's been training herself to blend in—performing in perfect unison with all the other identical Rockettes—if she hopes to catch the bomber, she'll need to stand out and take a terrifying risk. In doing so, she may be forced to sacrifice everything she's worked for, as well as the people she loves the most.

Make the Fireflies Dance Rachel Bateman, 2023-05-16 In this rom com from the author of *Someone Else's Summer*, a hopeless romantic juggles senior year stress, family problems, and faulty friendships around the end of senior year and prom. Quincy Walker is a hopeless romantic, so when she's kissed by a stranger in a dark theater, her rom-com obsessed imagination begins plotting the perfect movie-version ending to her senior year (which ends, like all great high school rom-coms, with the prom). With the help of her friends, Operation Mystery Kisser is born: a plan to set Quin up on dates with all

the guys who were at the theater that night so she can discover who kissed her. The only problem? Her friends insist on blind dates, and Quin hates letting go of control—just ask the members of her group for her final project for film class. As prom draws nearer, Quin is no closer to finding who her mystery kisser was, and she's not sure she wants to continue looking. Maybe it's her dad's failing health and her brother's absence; maybe it's the fact that she's fighting with her best friend; or maybe—just maybe—it's that she's falling for a guy who definitely isn't the one she's been looking for.

Tropicália Harold Rogers, 2023-07-18 Old secrets are brought to light when a family matriarch returns to Brazil after years away in this “original and highly immersive” (Good Morning America) debut that explores the heartbreak and hope of what it means to be from two homes, two peoples, and two worlds. Daniel Cunha has a lot on his mind. He got dumped by his pregnant girlfriend, his grandfather just dropped dead, and on the anniversary of the raid that doomed his drug-dealing aunt and uncle, his mother makes her unwanted return, years after she fled to marry another American fool like his father. Misfortune, however, is a Cunha family affair, and no generation is spared. Not Daniel's grandfather João—poor João—born to a prostitute and forced to raise his siblings while still a child himself. Not João's wife, Marta, branded as a bruxa, reviled by her mother, and dragged from her Ilha paradise by her scheming daughter, Maria. And certainly not Maria, so envious of her younger sister's beauty and benevolence that she took her vicious revenge and fled to the States, abandoning her children: Daniel and Lucia, both tainted now by their half-Americanness and their mother's greedy absence. There's poison in the Cunha blood. They are a family cursed, condemned to the pain of deprivation, betrayal, violence, and, worst of all, love. But now Maria has returned to grieve her father and finally make peace with Daniel and Lucia, or so she says. As New Year's Eve nears, the Cunha family hurtles toward an irrevocable breaking point: a fire, a knife, and a death on the sands of Copacabana Beach. Amid the cacophony of Rio's tumult—rampant poverty, political unrest, the ever-present threat of violence—a fierce chorus of voices rises above the din to ask whether we can ever truly repair the damage we do to those we love in this “fiery debut novel” (The Washington Post).

Chung, 2025-05-06 A propulsive, extraordinary novel about a mother and her daughters' harrowing escape to Taiwan as the Communist revolution sweeps through China, by debut author Eve J. Chung, based on her family story An Instant USA Today Bestseller, a Good Morning America Buzz Pick, and a People Book of the Week! “Throw open the doors of your heart for the lionhearted girls of Chung's gripping debut . . . they are heroines for the ages.—People Daughters are the Ang family's curse. In 1948, civil war ravages the Chinese countryside, but in rural Shandong, the wealthy, landowning Angs are more concerned with their lack of an heir. Hai is the eldest of four girls and spends her days looking after her sisters. Headstrong Di, who is just a year younger, learns to hide in plain sight, and their mother—abused by the family for failing to birth a boy—finds her own small acts of rebellion in the kitchen. As the Communist army closes in on their town, the rest of the prosperous household flees, leaving behind the girls and their mother because they view them as

useless mouths to feed. Without an Ang male to punish, the land-seizing cadres choose Hai, as the eldest child, to stand trial for her family's crimes. She barely survives their brutality. Realizing the worst is yet to come, the women plan their escape. Starving and penniless but resourceful, they forge travel permits and embark on a thousand-mile journey to confront the family that abandoned them. From the countryside to the bustling city of Qingdao, and onward to British Hong Kong and eventually Taiwan, they witness the changing tide of a nation and the plight of multitudes caught in the wake of revolution. But with the loss of their home and the life they've known also comes new freedom—to take hold of their fate, to shake free of the bonds of their gender, and to claim their own story. Told in assured, evocative prose, with impeccably drawn characters, *Daughters of Shandong* is a hopeful, powerful story about the resilience of women in war; the enduring love between mothers, daughters, and sisters; and the sacrifices made to lift up future generations.

The Filling Station Vanessa Miller, 2025-03-11 A USA TODAY bestseller! The 1921 Tulsa Race Massacre is, shockingly, little more than a footnote in history . . . One unassuming haven. Endless opportunities for grace. Sisters Margaret and Evelyn Justice have grown up in the prosperous Greenwood District of Tulsa, Oklahoma--also known as Black Wall Street. In Greenwood, the Justice sisters had it all--movie theaters and entertainment venues, beauty shops and clothing stores, high-profile businesses like law offices, medical clinics, and banks. Then the 1921 Tulsa Race Massacre upends everything they know and brings them unspeakable loss. Left with nothing but each other, the sisters flee along what would eventually become iconic Route 66 and stumble upon the Threatt Filling Station, a safe haven and the only place where they can find a shred of hope in oppressive Jim Crow America. At the filling station, they are able to process their pain, fill up their souls, and find strength as they wrestle with a faith in God that has left them feeling abandoned. But they eventually realize that they can't hide out at the filling station when Greenwood needs to be rebuilt. The search for their father and their former life may not give them easy answers, but it can propel them--and their community--to a place where their voices are stronger . . . strong enough to build a future that honors the legacy of those who were lost. The Tulsa Race Massacre is rarely covered in historical fiction, and this story is an absolutely worthy addition to the genre. --Booklist Starred Review In a novel that should be required reading, Miller movingly explores the aftermath of racial trauma and how resilient people can open their hearts again. --Library Journal Starred Review
