The Court William J. Coughlin, 2014-07-15 In William J. Coughlin's *The Court*, the fourth Charley Sloan Courtroom Thriller, nine Supreme Court judges will soon decide four history-making cases. Eight of them will split along party lines four to four. The ninth judge, holding the swing vote, will tip the scales of justice. He's a good man, a fine man, and, unknown to nearly everyone, a dying man--barely kept alive by machines in a very private hospital. High-powered Washington attorney Jerry Green is one of the privileged few who discovers American justice rides on the rise and fall of a respirator. Now he's been called by the President himself to do something about it. It's a hunt for truth that will arouse his darkest suspicions...force him to make a shocking choice...and save the legitimacy of American justice. Or shatter it forever...

Death Penalty William J. Coughlin, 2025-08-22 Detroit lawyer Charley Sloan has been around the block once or twice. Down for the count, drinking heavily, a three-time loser in the marriage wars, Charley repairs his tattered career and gets back in the game. Heading his rogues' gallery of clients is the infamous, twisted angel of mercy, Doctor Death, whose patients have a strange habit of dying under very peculiar circumstances. But now Charley steps into a case with the opportunity to do some good. The high stakes include a literal matter of life and death. And, as he quickly discovers, they also include the sinister stench of corruption that reaches to the highest levels of jurisprudence-including Charley Sloan's respected mentor. Suddenly, a rock and a hard place never looked so good.

The Stalking Man William Jeremiah Coughlin, William J. Coughlin, 1998-01-15 In a twisted trail of blood, he spelled out his name, *The Stalking Man*, hunting women in cities across the country the way his father had once taught him to hunt deer. He loved the moment of terror frozen on their faces when the all-too-horrifying realization would hit them-they were going to die a death more violent and ghastly than their worst nightmares... They had caught him once-he did his time and now he was cured. But he'd been sloppy then. This time he slithered through the country, striking with cunning and precision, laughing at the law as he outran them again and again. Now two men must piece together his macabre clues and stop a sadistic killer who's about to strike too close to home...

In The Presence of Enemies William Jeremiah Coughlin, William J. Coughlin, 1994-01-15 Position becomes increasingly isolated as Elizabeth's enemies become his own. In *The Presence of Enemies* is an authentic and powerful legal drama written by a courtroom expert, with twists and surprises right up to its stunning conclusion.

The Heart of Justice William J. Coughlin, 1995 A courtroom drama on a corporate takeover. The protagonist is Judge Paul Murray, judging the legality of an acquisition. Murray's problem is that the corporate raider is a close friend of Murray's wife and it was due to the raider's influence that Murray received his appointment. By the author of *Shadow of a Doubt*.

Proof of Intent William J. Coughlin, Walter Sorrells, 2003-12-07 Charley Sloan isn't your typical lawyer. But then again, this isn't your typical case. When famous author and hometown hero Miles Dane is arrested for murdering his wife, it seems like an open-and-shut case. With no credible alibi, a mountain of physical evidence, and a motive of millions, it seems the prosecution's case is airtight. The police suspect that Dane had planned this crime many years ago--and made the mistake of writing it all down...in exact detail. Even Charley begins to question Dane's innocence. But Charley's own investigation gives him reason to believe that his client is being framed and that the real killer is using Dane's own bizarre imagination against him. But why isn't Dane speaking up? What secrets is he hiding? As the trial begins, it's still unclear where Miles Dane's wild imaginings stop and reality begins. Or whether he is committing the ultimate sacrifice in order to atone for something he did long ago. Only in the crucible of the final, fevered moments of trial will Charley finally put the pieces together and reveal the stunning truth...

The Court William J. Coughlin, 1999-12-15 Nine Supreme Court judges will soon decide four history-making cases. Eight of them will split along party lines four to four. The ninth judge, holding the swing vote, will tip the scales of justice. Death Penalty William Coughlin, 2016-06-26 Coughlin delivers another thoughtful, brisk-paced and fully satisfying legal mystery. - Publishers Weekly Sometimes the wheels of justice spin out of control... There's big trouble in motor city. Detroit

lawyer Charley Sloan has been around the block once or twice. Down for the count, drinking heavily, a three-time loser in the marriage wars, Charley has painstakingly repaired his tattered career, joined Alcoholics Anonymous and clawed his way back in the game. Heading his rogues' gallery of clients is the infamous, twisted angel of mercy, Doctor Death - a somewhat ungrateful client whose patients have a strange habit of dying under very peculiar circumstances. And the game is winner-takes-all. But now Charley steps into a case with the opportunity to do some good. The high stakes include a literal matter of life and death, defending a seriously injured man against a huge corporation. Winning the case would mean that Charley would also help save his old friend and colleague, Mickey Monk, from financial ruin. But, as Charley quickly discovers, he has unwittingly become embroiled in the sinister stench of corruption that reaches to the highest level - including Charley Sloan's respected mentor. Is there anyone left that Charley can trust? Can he escape the Death Penalty? Praise for Death Penalty In Charley Sloan ... the author has given us a character we can care about. The verdict here is that Coughlin wins decisively in his final case. - USA Today A superb book, rich in the elements that make for a wonderful read. Death Penalty is the best of [Coughlin's] novels ... the most enjoyable book I've read all year. - The Detroit News Bravo! Coughlin brilliantly captures the corruption of the legal system by human error and greed. Thought-provoking and timely. - Library Journal Will not fail to please connoisseurs of legal fiction - American Bar Association Journal William J. Coughlin has combined a career as a United States administrative judge in Detroit with that of a best-selling novelist. His five previous highly acclaimed and successful novels are The Twelve Apostles, His Father's Daughter, Her Honor, In the Presence of Enemies and Shadow of a Doubt. Japan's American Interlude Prof. Kazuo Kawai, 2017-01-12 How did the Japanese themselves respond to the American occupation? How were the sweeping reforms—political, social, and economic—of SCAP's program received? How permanent was their effect, and why did some succeed and others fail completely? How successful in the long view was the democratization induced by MacArthur's "artificial revolution"? And what tendencies existing in fundamental Japanese attitudes and history might account for this peculiar success? Kazuo Kawai, Japanese-born and educated in America, a political scientist and journalist, brings his unique experience and knowledge to bear on these questions. The result is a book which tells the story of the American occupation of Japan from the Japanese point of view. "This book deals with the American interlude in the history of Japan during which time that country was not only occupied by American troops and politically controlled by American officials but was subjected to almost every conceivable variety of American influence. It does not attempt to tell the story of the Occupation itself, for that story has already been told many times by Americans who,

as participants or close observers, were in a position to tell it well. Instead, this work deals only with selected controversial aspects of the Japanese reaction to American influence during the Occupation period.”—Kazuo Kawai, Preface

Time of the Quickening Susan B. Martinez,2011-03-28 A guide to the science of prophecy, why so many predictions never come to pass, and the Golden Age ahead • Presents a mathematical means of divining the future, revealed in the Oahspe Bible, using the Egyptian Tables of Destiny, a 12,000-year-old system so exact it can foretell every day of the year • Reveals that we are not headed for Rapture and the Apocalypse but for “the Quickening,” the embryonic stage of a Utopian Age • Examines the cycles of history and explains why many prophecies have not come true Reviewing the cycles of history from biblical times to the present and prophecies of the future from Nostradamus to Edgar Cayce and Jeane Dixon, Susan B. Martinez reveals that our current “time of troubles” is not the beginning of Rapture, the Apocalypse, or Armageddon, but of the embryonic stage of a Utopian Age--the “Quickening” of the human race. Reviving the lost science of prophecy, Martinez explains why so many “great prophecies” have failed and presents the 12,000-year-old Egyptian system of prediction so exact it can foretell every day of the year, a method based not on the planets, astrology, or intuition but on Earth’s magnetic rhythms. Using Earth science, historical research, religious texts, spiritualism, and patterns within the cycles of war and political milestones, she demonstrates that the past is the hidden key to the future and uncovers the prophetic numbers of Earth’s cycles--11, 33, 99, and 363--as set forth in the Egyptian Tables of Destiny, ancient texts brought to light by the 19th-century Oahspe Bible. Explaining how readers can use the Tables of Destiny to make their own predictions of the future, she presents her own forecasts of the risks and costs of technological progress, the destiny of America, the up-and-coming global religion, the truth behind climate change and the cause of earthquakes, and the true life expectancy of planet Earth as well as offering a preview of the Paradigm Shift and Golden Age ahead, a time of global unity and awakening of the soul of the world.

The Legal Thriller from Gardner to Grisham Lars Ole Sauerberg,2016-11-10 This book offers a critically informed yet relaxed historical overview of the legal thriller, a unique contribution to crime fiction where most of the titles have been written by professionals such as lawyers and judges. The legal thriller typically uses court trials as the suspense-creating background for presenting legal issues reflecting a wide range of concerns, from corporate conflicts to private concerns, all in a dramatic but highly informed manner. With authors primarily from the USA and the UK, the genre is one which nonetheless enjoys a global reading audience. As well as providing a survey of the legal thriller, this book takes a gender-focused approach to analyzing recently published titles within the field. It also argues for the fascination of the legal thriller both in the way its narrative pattern parallels that of an actual court trial, and by the way it reflects, frequently quite

critically, the concerns of contemporary society.

Downtown Robert M. Fogelson, 2022-06-24 Winner of a Lewis Mumford Prize: Extremely engaging reading for those interested in the history of cities and urban experience. — Booklist Written by one of this country's foremost urban historians, *Downtown* is the first history of what was once viewed as the heart of the American city. It tells the fascinating story of how downtown—and the way Americans thought about downtown—changed over time. By showing how businessmen and property owners worked to promote the well-being of downtown, even at the expense of other parts of the city, it also gives a riveting account of spatial politics in urban America. Drawing on a wide array of contemporary sources, Robert M. Fogelson brings downtown to life, first as the business district, then as the central business district, and finally as just another business district. His book vividly recreates the long-forgotten battles over subways and skyscrapers in the late nineteenth and early twentieth centuries. And it provides a fresh, often startling perspective on elevated highways, parking bans, urban redevelopment, and other controversial issues. This groundbreaking book will be a revelation to scholars, city planners, policymakers, and anyone interested in American cities and American history. A thorough and accomplished history. — The Washington Post Book World Superlative . . . a vital contribution to the study of American life. — Publishers Weekly A superbly thorough analysis of the causes of inner-city blight, congestion, and economic decline in mid-20th century urban America. — Library Journal Includes photographs

William J Coughlin Author Introduction

In today's digital age, the availability of William J Coughlin Author books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of William J Coughlin Author books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of William J Coughlin Author books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing William J Coughlin Author versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, William J Coughlin Author books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their

formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing William J Coughlin Author books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for William J Coughlin Author books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America,

which provides a vast collection of digitized books and historical documents. In conclusion, William J Coughlin Author books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of William J Coughlin Author books and manuals for download and embark on your journey of knowledge?
