**Paper Gods** Goldie Taylor, 2025-08-22 The mayor of Atlanta and a washed-up reporter investigate a series of assassinations, and uncover a conspiracy that reaches into the heart of the city's political machine. Mayor Victoria Dobbs Overstreet is a Harvard-trained attorney and Spelman alum, married to a celebrated heart surgeon, mother to beautiful twin girls, and a political genius. When her mentor, ally, and friend Congressman Ezra Hawkins is gunned down in Ebenezer Baptist Church, Victoria finds a strange piece of origami—a paper god—tucked inside his Bible. These paper gods turn up again and again, always after someone is killed. Someone is terrorizing those who are close to Mayor Dobbs, and she can't shake the feeling that the killer is close to her, too. A moving and unflinching portrait of a city and its many layers of power...Taylor has created a hero we see all too rarely: black, female, powerful. —Tim Teeman, Senior Editor of The Daily Beast From buttermilk fried okra to bibles and bullets, the story comes out the gate moving and never lets up. —Eric Jerome Dickey, New York Times bestselling author of *A Wanted Woman*

*The January Girl* Goldie Taylor, 2024-09-24 In this powerful novel, a ten-year love affair is tested after Thandy finds out her lover is cheating on her not only with his wife, but with another woman as well. Men couldn't help but be drawn to her exquisite beauty and incomparable grace. But Thandy knew Dr. Jackson Gabrielle was different the minute they met. And indeed, Jack knew that this enchanting creature was meant for him, despite the fact that he was already married. Thandy and Jack's decade-long affair might have been continued indefinitely, the hard-working attorney and the high-profile surgeon scraping together moments for each other out of their crazed schedules, if Thandy hadn't learned from Jack's bitter wife that he had taken up with yet another woman. Thandy moves on, leaving Jack in Atlanta for a big job in Chicago. Jack, used to getting everything he has ever wanted with ease, is forced to figure out what it takes to hold on to something he loves. And Thandy, having fought her whole life for everything she has achieved, realizes the true measure of her strength. But fate intervenes and sets into motion a series of events leading to a shocking climax that forever changes everything.

**The Love You Save** Goldie Taylor, 2023-01-31 \*A Zibby's Most Anticipated Book of 2023\* \*One of The Root's Most Anticipated Books of January\* \*A Good Morning America Best Book of January\* \*An Essence Must Read Book of the Year\* \*A St. Louis Post-Dispatch Bestseller\* "The Love You Save will console and inspire countless people.—J.R. Moehringer, New York Times bestselling author of *The Tender Bar* I Know Why the Caged Bird Sings meets *Educated* in this harrowing, deeply

hopeful memoir of family, faith and the power of books—from acclaimed journalist and human rights activist Goldie Taylor Aunt Gerald takes in anyone who asks, but the conditions are harsh. For her young niece Goldie Taylor, abandoned by her mother and coping with trauma of her own, life in Gerald's East St. Louis comes with nothing but a threadbare blanket on the living room floor. But amid the pain and anguish, Goldie discovers a secret. She can find kinship among writers like James Baldwin and Toni Morrison. She can find hope in a nurturing teacher who helps her find her voice. And books, she realizes, can save her life. Goldie Taylor's debut memoir shines a light on the strictures of race, class and gender in a post-Jim Crow America while offering a nuanced, empathetic portrait of a family in a pitched battle for its very soul. Profoundly moving, exquisitely rendered and ultimately uplifting, *The Love You Save* is a story about hidden strength, perseverance against unimaginable odds, the beauty and pain of girlhood, and the power of the written word.

**In My Father's House** Goldie Taylor, 2005-05-01 Gilly begins her tale in an unlikely place—35 years after her father was sentenced to death. The story opens in the cramped, musty visitor's room of a south Georgia prison. Immediately she begs us to accept the unjust, ugliness of Jim Crow, to let sleepin' dawgs lie, even as she relives her own tragedy piece by piece. Told in first-person narration, *In My Father's House*, is the fictional autobiography of Gillespie Noble. Sentenced to death in 1969, Gilly's father, Josup Pappy Noble, escapes an executioner's charge when capital punishment is outlawed by the Supreme Court. Bound up, shackled, and governed, he chastens Gilly to look beyond him, beyond the iron-laced windows and bolted doors, to go on living. Is he the god his daughter makes him out to be? Or is he something less, a deeply flawed creature in need of a heavy dose of mercy and salvation? For her part, Gilly is a self-absorbed, irreverent drunk. In her own voice, this woman who seems to have everything reluctantly admits she has nothing. The question never is can she successfully exonerate her father, but can she save herself. Using the Deep South as her backdrop, Taylor paints a riveting picture of Southern politics, religion, and society. The result is an engaging story about how one black family not only held it together against the odds, but survived and flourished beyond measure.

**Linda Lael Miller Brides of Bliss County Series Books 1-3** Linda Lael Miller, 2016-02-15 Join #1 New York Times bestselling author Linda Lael Miller in Bliss County, where the women are ready to meet the men of their dreams! **THE MARRIAGE PACT** Ten years ago, Hadleigh Stevens was eighteen and this close to saying I do, when Tripp Galloway interrupted her walk down the aisle. Now that she's recovered from her youthful mistake and Tripp's interference, Hadleigh and her single friends form a marriage pact. She doesn't expect Tripp to meddle with her new plan to find Mr. Right—or to discover that she's more attracted to him than ever! Divorced and eager to reconnect with his cowboy roots, Tripp returns to Bliss County to save his ailing father's ranch. He's not looking for another wife—certainly not his best friend's little sister. But he's never been able to forget Hadleigh... **THE MARRIAGE CHARM** The women of Bliss County have a pact—to find husbands. The right husbands. One already has: Hadleigh Stevens, who married rancher Tripp Galloway a few months ago.

Now Melody Nolan thinks it's her turn. Melody has recently found success as a jewelry designer, and her work is the focus of her life. She's not exactly unhappy, but she wants more. She's always been attracted to Spence Hogan, the local chief of police, but she's convinced that Spence, a notorious charmer, isn't what you'd call husband material. Spence is a good cop who isn't scared of anything—except love. And yet...there's something about Melody. Something his heart can't ignore. **THE MARRIAGE SEASON** Since Hadleigh, Melody and Bex—the best of best friends—entered into a marriage pact, two of them have found (and married) the men of their hearts. But Bex doesn't think she'll be as fortunate as the others. Then single father Tate Calder comes to Mustang Creek with his two sons in tow, boys who befriend Bex's eightyyearold nephew. Which means she and the handsome, aloof newcomer are constantly thrown together. But is the marriage season over? Or can a man with doubts about love be the right husband for a woman who wants it all?

**The Rules Handbook** Ellen Fein,Sherrie Schneider,2023-09-12 Millions of women have already learned these time-tested lessons of love. The world has changed . . . Now it's time for a new generation to find “the one.” In their #1 New York Times bestseller, **THE RULES**... Ellen Fein and Sherrie Schneider shared their time-tested techniques for finding the “one.” Controversial yet effective, **THE RULES** has changed millions of women's lives all over the world since 1995. From Oprah to the Today Show, they helped women attract love through confidence and self-esteem. Over the past 30 years, the world has changed dramatically. Today, anything goes with fast paced dating and social media. While technology has accelerated the change (Instagram, texting, TikTok), biology has remained the same. It was time for a much needed reminder. **The Rules Handbook** was written out of necessity. Ellen and Sherrie were hearing from many of their readers who had successfully applied the original Rules' formula but experienced frustration when dealing with others. They wanted a similar strategy to create loving and lasting relationships outside of romance as well. This led to coaching workshops to help others establish their own self-esteem, boundaries, and life philosophies. **The Rules Handbook** will do the same for you while helping attract the right people into your life and preventing or minimizing any unnecessary hurt or disrespect. This new book is organized to help you focus on your own life first, remain happy and busy, and nurture your Higher Self, as opposed to your Lower Self. You can then set healthy boundaries with confidence, and not lose your power to distance yourself from opinions or comments others make in person or on social media. **The Rules Handbook** will empower you to gracefully step away from difficult people and instead, invest all that time and energy on yourself and the ones who truly love and respect you.
