Don't Let Her Stay Nicola Sanders, 2023 Someone inside your house wants you dead, but no one believes you...

**Through the portal** Wesley Wang, 2024-11-22 Once there was only a whisper - the legend of a being caught between life and death, a master of shadows who bore the secrets of forgotten magic. This legend was forgotten... until today. Reborn in iron armor and with a sword as cold as the grave, a new power has arisen, bound to a destiny as twisted as the dark magic that flows through his veins. But the world is no longer the same. Old empires have crumbled, gods have fallen silent, and humanity clings to survival under the shadow of cruel beasts and tyrants. In a realm full of ancient terrors, a lone warrior rises - a fragile spark in an endless storm, armed with cursed magic and an unbending will. Now a path of rebellion is forged through this unforgiving world. With every step, secrets come to light that would have been better left buried, and powers emerge that can hardly be restrained. Forged anew in the fire of revenge, unstoppable and implacable, this new champion marches toward an uncertain destiny. This world has not yet known true darkness - but that will soon change. Welcome to the edge of the unknown.
