FOR I AM PERSUADED Maxine Mashburn,2025-01-07 Charles Oren Mashburn was a visionary in God's ministry for 69 years. He strived to achieve what had never been accomplished before in revival meetings and Bible studies by introducing his wide screen Scriptavista films of the Bible Lands and international mission work to bring alive the Word of God to those in attendance. This native of Gadsden, Alabama escaped death twice to have an international ministry and reach the lost. As an evangelist, author, professor, and photographer, he travelled in 110 countries, holding evangelistic meetings in many of them. He made four mission trips around the world and 38 visits to the Holy Land. During this time he traveled 1,000,000,000 miles by plane, boat, car, and on foot in every country and island visited by Jesus and the Apostle Paul and most of the lands of the Old Testament. He served as a writer and representative of World Vision under the guidance of Bob Pierce. After serving as a fellow professor at Golden Gate Seminary, Dr. Mashburn pastored churches in California and Tennessee. While on faculty at Tennessee Temple University, he authored *I Sing of Thee*, the biography of writer-evangelist Charles Weigle, writer of "No One Ever Cared for Me Like Jesus," and *A Disciple Called Timothy*, the life of Dr. Timothy Dzaio. This book shares the perseverance and unusual story of one man's quest from humble origins to reach the lost throughout the world.

Through My Eyes Raymond Dart, 2020-08-27 The subject of this book concerns the author's reflection on his life of over eighty years. From a humble beginning, mainly in a suburb of Sydney, New South Wales, the author weaves an interesting story of a life guided by principles gleaned from both of his parents and his faith in Jesus Christ as Lord and Saviour. Growing from childhood to adulthood, the author outlines his experiences as he moves from school, to life as a teacher, to his tertiary education, to his married life and children and spends some time telling some snippets of his travels around the world. He credits his progress through life and its vicissitudes to his love for his Lord, and his faith in a living Saviour.

From Woolloomooloo to 'Eternity': A History of Australian Baptists Ken R. Manley, 2006-06-01 This pioneering study describes the quest of Baptists in the different colonies (later states) to develop their identity as Australians and Baptists. The first comprehensive history of Baptists in Australia with a national focus, the Baptist story is traced from their beginnings in 1831 with the first baptisms in Woolloomooloo Bay (Sydney) in 1832 down to modern times. Changes and continuities, achievements and failures are carefully analyzed and related to the wider social, political and cultural context. The first volume covers the period from 1831 until the outbreak of the First World War in 1914 and shows how a strong sense of becoming an Australian Church shaped much of their development from the various types of British Baptists who began the movement in the new nation. What it meant to be an Australian Baptist is described using denominational newspapers, church records and personal memoirs.

An Invitation to Explore the Bible Graham Diggins, 2017-03-01 This work has been written to strengthen and enlarge the faith of Christians by teaching them the truth while exposing the traditions of the elders that have grown up in Reformed, Reformed Baptist, Protestant, and Baptist Church circles. It has tackled many issues, some of which have been raised inside the church and some that have come from basically an antagonistic, nonneutral, and atheistic humanity.

The Generative Church Cory Seibel, 2019-10-10 Virtually all churches aim to invest meaningfully in the faith development of the younger generations who have been entrusted into their care. Some churches have a longstanding track record of faithfulness in living out this commitment. Some lose sight of this priority over time and allow their intentionality to fade. This book makes a distinctive contribution to our understanding of children's, youth, and young adult ministries by appropriating Erik Erikson's concept of generativity ("the interest in establishing and guiding the next generation") as a way of exploring congregational life. Eleven accomplished authors representing five different countries provide diverse theological and cultural perspectives on key aspects of what it means for churches to invest intentionally in the faith development of the members of emerging generations. Their chapters challenge us to think about the intergenerational dynamics of our churches, the crucial partnership between church and parents, and what it means to involve young people meaningfully in the life of the church. The intriguing topics explored by this group of authors—and the diverse contexts from which they write—promise to broaden and enrich our thinking about caring for children, youth, and young adults as a vital responsibility shared by the entire congregation.

The Australian Encyclopaedia, 1983

Interfaces Baptists and Others David Bebbington, 2014-07-08 The book is a collection of twenty-one essays discussing how Baptists throughout the world have related to other Christians and to other institutions and movements over the centuries. The theme of this collection of twenty-one essays, 'Baptists and Others', includes relations with other Christians and with other institutions and movements. What, the authors ask, has been the Baptist experience of engaging with different groups and developments? The theme has been explored by means of case studies, some of which are very specific in time and place while others cover long periods and more than one country. In the first half the contents are arranged by period. The first section examines early Baptists, the second nineteenth-century Baptists in Britain and America and the third Baptists in the twentieth century. The second half turns to various parts of the world. There is a section on Australia, another on New Zealand and a third on Asia and Africa. The overall picture is one of a complicated series of relationships as Baptists defined themselves as different from other bodies and yet, especially in the twentieth century, tried to co-operate in mission and ecumenical endeavour. 'Baptists are often regarded as enthusiastic separatists and unenthusiastic ecumenists. These essays, based on hard evidence rather than passing impressions, are a necessary correction to superficial prejudices and show the reality to be much more complex and nuanced, as well as varied over time and place. The book is a smorgasbord of

delights. Yet, readers should avoid the temptation to pick and choose from the menu, ensuring rather that each offering is digested so they enjoy a balance and nutritious meal.' Derek Tidball

This Is My Story Paul Beasley-Murray, 2018-06-28 This Is My Story is an unusually fascinating account of one man's life. ·It is a story of the making of a man, initially written with grandchildren in mind—Who was my grandfather? What kind of person was he?" ·At another level it is a story of a growing faith, telling how amidst the ups and down of life he has remained a "soft-hearted" pilgrim. ·At yet another level it is a story of the making of a leader who never stopped learning how to lead, care, preach, and engage in effective mission. ·Perhaps even more significantly, it is also a story of a ministry, in which the author never lost his sense of delight and privilege in his calling to be a pastor. ·Finally, as one who has at time been at the center of controversy, it is an opportunity to tell "my side of the story." This is a book for pastors—and for any Christian—who wants the "inside story" of the pains and triumphs of a Christian leader.

Around The World With Mark Twain Robert Cooper, 2012-04-12 On July 14, 1895, Samuel Langhorne Clemens, fifty-nine years old and deeply in debt, boarded a night train to Cleveland, launching a performance tour designed to alleviate his financial woes, and, more importantly, resuscitate his alter ego, Mark Twain. The journey took him to Fiji, Australia, New Zealand, India, and South Africa, and led to the resurrection of Twain as a celebrity. Equal parts travelogue, social history, and biography, Around the World with Mark Twain paints a decidedly different portrait of Clemens: a more tragic, darker figure who faced financial ruin and personal loss throughout his life. Around the World with Mark Twain delights while deepening our understanding of this magnificent personality.

Finding Lost Words G. Geoffrey Harper, Kit Barker, 2017-03-31 The brokenness of this world inevitably invades our lives. But how do you maintain faith when overwhelmed by grief? When prayer goes unanswered? When all you have are questions, not answers? What do you say to God when you know he is in control but the suffering continues unabated? Is there any alternative to remaining speechless in the midst of pain and heartbreak? This book is about finding words to use when life is hard. These words are not new. They are modes of expression that the church has drawn on in times of grief throughout most of its history. Yet, the church in the West has largely abandoned these words--the psalms of lament. The result is that believers often struggle to know what to do or say when faced with distress, anxiety, and loss. Whether you are in Christian leadership, training for ministry, or simply struggling to reconcile experience with biblical convictions, Finding Lost Words will help you consider how these ancient words can become your own.

Treasure in Earthen Vessels Graham Diggins, 2018-04-27 Treasure in Earthen Vessels: The Local Church: Has It Failed to Obey Matthew 28:20? This book has been written to strengthen and enlarge the faith of Christians by teaching them the truth while exposing the traditions of the elders found in Reformed, Reformed Baptist, Protestant, and Baptist Church circles.

It examines a number of current issues like transgender identity, homosexuality, gravitational waves from LIGO, The Passion of the Christ by Mel Gibson, and long hair, clothing, and women. It sets forth what the Bible teaches about limited atonement, resurrection, baptism, confirmation, the scourging of Jesus, Judas, prophecy, prophesying, and prophets. It comforts Christians by directing their thoughts away from false laws to the law of Christ. It challenges Christians to hold fast the gospel of Jesus, to follow only biblical truth, and to realize that truth surfaces from a close inspection of many similar verses with the same key word. It reproduces and updates a nineteenth century work by William Kay, who makes an excellent case for Paul being the author of Hebrews. He uses a lot of Greek to win over those who deny, using secondhand arguments that Paul is the true and only author of this book.
