**Corporal Punishment in the Bible** William J. Webb, 2011-07-11 William J. Webb defuses misguided readings of biblical passages that call for the corporal punishment of children, slaves and wrongdoers. Setting these passages in their ancient cultural context, Webb reaffirms the importance of reading Scripture with God's redemptive movement in mind.

**Corporal Punishment, Religion, and United States Public Schools** Jane Hall Fitz-Gibbon, 2017-06-27 This book examines corporal punishment in United States public schools. The practice—which is still legal in nineteen states—affects approximately a quarter million children each year. Justification for the use of physical punishment is often based on religious texts. Rather than simply disregarding the importance of religious commitment, this volume presents an alternative faith-based response. The book suggests the “hermeneutical triad,” of sacred text, tradition, and reason as an acceptable approach for those seeking to be faithful to religious text and tradition.

**Here We Stand** Craig L. Nesson, Victor I. Vieth, 2025-07-17 Although the life and writings of Martin Luther and other reformers have a great deal to say about children and our need to protect them from maltreatment, this legacy of the Lutheran churches, and of Christianity as a whole, has largely been forgotten. Here We Stand reclaims the Lutheran heritage as it sets forth a Lutheran theological and ethical foundation for the church's response to child abuse. The book models rooting our response to child abuse in fertile biblical and theological soil. Written by Lutheran theologians and child-abuse prevention experts, the groundbreaking book provides practical direction for the pastoral ministry of clergy and for congregations that wish to develop robust policies and practices in order to protect children. Part 1, “Lutheran Theological Foundations for Addressing Child Abuse,” explores core Lutheran commitments by retrieving historical, confessional, and theological sources. Part 2, “Lutheran Interpretation of Challenging Biblical Texts,” addresses misinterpretations of Scripture and the Lutheran traditions. Part 3, “Lutheran Theology Addressing the Sin of Child Abuse,” provides practical instruction for ministry challenges related to child abuse.

*Thy Rod and Thy Staff, They Comfort Me - Book II: The Book of Hebrews and the Corporal Punishment of Children in the Christian Context* Samuel Martin, 2019-11-15 Thy Rod and Thy Staff They Comfort Me: BOOK II The Book of Hebrews and the Corporal Punishment of Children in the Christian Context A New Book by Samuel Martin This book has been 14 years in the making. Samuel Martin returns with his second volume in the series Thy Rod and Thy Staff, They Comfort Me. This second book is a follow up to his first book 'Thy Rod and Thy Staff, They Comfort Me: Christians and the Spanking Controversy. (published in 2006) That first book was not sold but was given away on numerous sites on the Web and continues to be available for free. (see [www.biblechild.com](http://www.biblechild.com)) A hard copy version is available. (see the author's Amazon page - [https://www.amazon.com/Samuel-Martin/e/B00HP94ZZA/ref=dp\\_byline\\_cont\\_book\\_1](https://www.amazon.com/Samuel-Martin/e/B00HP94ZZA/ref=dp_byline_cont_book_1)) This new book promises to be a welcomed addition to the series turning its attention to the New Testament book of Hebrews chapter 12:5-11, which is a key text quoted by many Christians today in their belief in corporal punishment. Samuel Martin further strengthens an already compelling case against corporal punishment in this new book. Features of this new book are: The Original Manuscript Order of

Hebrews and Its Importance? Who wrote Hebrews and why that is important? If Paul wrote Hebrews, why did he not identify himself openly in the book? What geographical region was Hebrews written to? When was the book of Hebrews written? What is the main subject of the book of Hebrews? Who is the book of Hebrews relevant for today? How does this survey of Hebrews link to our understanding of the debate concerning spanking children in the 21st century? Reviews of this book: Samuel Martin does a good job of writing with an easy to understand touch ... He comes to similar conclusions that I do regarding the spanking controversy. - Professor William Webb, Adjunct Professor of Biblical Studies, Tyndale Seminary, Canada and author of the book *Corporal Punishment in the Bible: A Redemptive Movement Hermeneutic for Troubling Texts* (InterVarsity, 2011) I think you present a well crafted argument. - Pastor Crystal Lutton, author of *Biblical Parenting* a very provocative and stimulating perspective of Hebrews. - Clay Clarkson, author of *Heartfelt Discipline: Following God's Path of Life to the Heart of Your Child*.

*Raise Your Sons and Daughters with Real Unconditional Love* John Sangwon Lee, MD., FAAP, 2023-01-11 *Raise Your Sons and Daughters with Real Unconditional Love* By: John Sangwon Lee, MD., FAAP Pediatrician John Sangwon Lee, MD., FAAP, has years of experience with parenting methods and children's health in both America and in South Korea. He describes in detail the types of love needed for parents to raise their children well, eye-contact love, physical-contact love, and focused-attention love. With his familiarity of American and South Korean parenting styles, he sets forth to create a shared foundation of parenting knowledge using the positive childrearing practices of both nations. **From Movement to Inheritance** Olga Lukács, Alpár Csaba Nagy, István Péter, Christopher B. Brown, Günter Frank, Bruce Gordon, Barbara Mahlmann-Bauer, Tarald Rasmussen, Violet Soen, Zsombor Tóth, Günther Wassilowsky, Siegrid Westphal, 2019-08-12 This book does not only deal with the history, but also with the effects of the Reformation over the mentality, education and scientific research among Hungarians during the last five centuries. The spirit of the Reformation has not only been a church-forming factor, but also a force of nation-building and salvation. This volume includes 17 studies of Hungarian Reformed theologians presented at a conference in November 2016. The main goal was to give an overview of the most recent research results in history and theology regarding Reformation and its effects over society and mentality among Hungarians. The contributors come from various Hungarian theological universities from the Carpathian basin, thus the book is an overview of their research topics and results. The City Cluj-Napoca was, became and remained an important center of the Reformation, as significant events took place in its surroundings as well. The Faculty of Reformed Theology of

the Babeş-Bolyai University and the Protestant Theological Institute has always functioned in an environment, where the challenges of multi-confessionalism and multiethnicity are also present beside interdisciplinarity.

**Misguided Education Reform** Nancy E. Bailey, 2013-07-29 *Misguided Education Reform: Debating the Impact on Students* argues for reforms that will help, not hurt, America's public school students. Early childhood education, testing, reading, special education, discipline, loss of the arts, and school facilities, are all areas experiencing reform in the wrong direction. This book says "no" to the reforms that fail, and challenges Americans to address the real student needs that will fix public schools and make America strong.

**Encyclopedia of Domestic Violence** Nicky Ali Jackson, 2007-12-11 *The Encyclopedia of Domestic Violence* is a modern reference from the leading international scholars in domestic violence research. The first ever publication of an encyclopedia of domestic violence, the principal aim of this title is to provide information on a variety of traditional and breakthrough issues in this complex phenomenon.

*Bloody, Brutal, and Barbaric?* William J. Webb, Gordan K. Oest, 2019-12-03 Christians cannot ignore the intersection of religion and violence. In our own Scriptures, war texts that appear to approve of genocidal killings and war rape raise hard questions about biblical ethics and the character of God. Have we missed something in our traditional readings? Identifying a spectrum of views on biblical war texts, Webb and Oest pursue a middle path using a hermeneutic of incremental, redemptive-movement ethics.

**Handbook of Religion and Health** Harold G. Koenig, Tyler J. VanderWeele, John R. Peteet, 2024 *Beginning with a Foreword by Dr. Howard K. Koh, former US Assistant Secretary for Health for the Department of Health and Human Services, this volume examines almost every aspect of health, reviewing past and more recent research on the relationship between religion and health outcomes.*

**A Standard Bible Dictionary** Melancthon Williams Jacobus, Edward Everett Nourse, Andrew Constantinides Zenos, 1909  
Everything You Know About God Is Wrong Russ Kick, 2007-06-01 In the new mega-anthology from best-selling editor Russ Kick, more than fifty writers, reporters, and researchers invade the inner sanctum for an unrestrained look at the wild and woolly world of organized belief. Richard Dawkins shows us the strange, scary properties of religion; Neil Gaiman turns a biblical atrocity story into a comic (that almost sent a publisher to prison); Erik Davis looks at what happens when religion and California collide; Mike Dash eyes stigmatics; Douglas Rushkoff exposes the trouble with Judaism; Paul Krassner reveals his "Confessions of an Atheist"; and best-selling lexicographer Jonathon Green interprets the language of religious prejudice. Among the dozens of other articles and essays, you'll find: a sweeping look at classical composers and Great American

Songbook writers who were unbelievers, such as Irving Berlin, creator of “God Bless America”; the definitive explanation of why America is not a Christian nation; the bizarre, Catholic-fundamentalist books by Mel Gibson’s father; eye-popping photos of bizarre religious objects and ceremonies, including snake-handlers and pot-smoking children; the thinly veiled anti-Semitism in the Left Behind novels; an extract from the rare, suppressed book The Sex Life of Brigham Young; and rarely seen anti-religious writings from Mark Twain and H.G. Wells. Further topics include exorcisms, religious curses, Wicca, the Church of John Coltrane, crimes by clergy, death without God, Christian sex manuals, the “ex-gay” movement, failed prophecies, bizarre theology, religious bowling, atheist rock and roll, “how to be a good Christian,” an entertaining look at the best (and worst) books on religion, and much more.

**How Jews and Christians Interpret Their Sacred Texts** Charles David Isbell, 2014-08-18 How Jews and Christians Interpret Their Sacred Texts is a comparative textual study that demonstrates the connections between the Hebrew Scriptures, sacred to both Judaism and Christianity, and the Jewish Talmud and Christian New Testament, which respectively became the bases for all modern systems of the two faiths. Even as official interpretations changed from plain sense to more elaborate explications, commentators in both faith systems continued to hold to the position that their conclusions were not only based firmly upon the initial authoritative text, but were in fact the natural extension and continuation of it. To describe these classical and early post-classical appropriations, Isbell discusses the transvaluation of texts, or efforts to retain the core values of authoritative sacred texts that are bound to specific times and situations while seeking to extrapolate from these ancient documents meanings that are relevant to current faith and praxis. As Isbell shows, transvaluation presupposes both the freedom and the necessity of reinterpreting perceived timeless teachings in light of historical, theological, sociological, and political developments that occurred long after the composition of the texts themselves.

*Open Wide the Gates* Brian D. Cunningham, 2023-10-13 The culture wars show no sign of abating. Same-sex sexuality continues to be one of the most brutal and bloody fronts in those wars and Christians, the fiercest combatants. Friendships, families, churches, and denominations continue to draw their lines-in-the-sand, split, and go their separate ways. Meanwhile, the lives of many, young and old, are deeply scarred and some even lost in the crossfire. It doesn’t have to be that way! Challenging the arguments that perpetuate that conflict, *Open Wide the Gates* presents a carefully developed biblical, theological, and ethical argument for the welcome, affirmation, and inclusion of gays and lesbians in the life and ministry of the local church. Its irenic tone and clearly articulated presentation provides pastors, denominational leaders, and concerned laypeople with a reliable guide for navigating these often-turbulent waters. In this comprehensive study, Brian D. Cunningham points to a path forward, a path for following Jesus in the twenty-first century characterized by grace, love, and hope; a path that demonstrates the radical presence of God’s kingdom here on earth for all people, regardless of their sexual orientation.

*Encyclopedia of Domestic Violence* Nicky Ali Jackson, 2007-12-11 The Encyclopedia of Domestic Violence is a modern

reference from the leading international scholars in domestic violence research. This ground-breaking project has created the first ever publication of an encyclopedia of domestic violence. The primary goal of the Encyclopedia is to provide information on a variety of traditional, as well as breakthrough, issues in this complex phenomenon. The coverage of the Encyclopedia is broad and diverse, encompassing the entire life span from infancy to old age. The entries include the traditional research areas, such as battered women, child abuse and dating violence. However, this Encyclopedia is unique in that it includes many under-studied areas of domestic violence, such as ritual abuse-torture within families, domestic violence against women with disabilities, pseudo-family violence and domestic violence within military families. It is also unique in that it examines cross-cultural perspectives of domestic violence. One of the key special features in this Encyclopedia is the cross-reference section at the end of each entry. This allows the reader the ability to continue their research of a particular topic. This book will be an easy-to-read reference guide on a host of topics, which are alphabetically arranged. Precautions have been taken to ensure that the Encyclopedia is not politically slanted; rather, it is hoped that it will serve as a basic guide to better understanding the myriad issues surrounding this labyrinthine topic. Topics covered include: Victims of Domestic Violence; Theoretical Perspectives and Correlates to Domestic Violence; Cross-Cultural Perspectives and Religious Perspectives; Understudied Areas within Domestic Violence Research; Domestic Violence and the Law; and Child Abuse and Elder Abuse.

**Skinned Knees and ABCs** Debarshi Roy, 2020-06-15 *Skinned Knees and ABCs* critically analyzes schools as sites for applied behaviour systems. It delves deep into the origin of various behavioural theories that affect these institutions and utilizes scientific theories in mathematics, behavioural economics and psychology (social, cognitive and educational) to examine the complexities, failures and successes of school systems. The book discusses the complex and chaotic nature of schools and the fundamental psychological constructs which form the basis for curriculum and behavioural designs. It also highlights the problems and peculiarities faced by students, parents and educators and suggests alternatives and solutions through real-life case studies. Drawing on in-depth research and theoretical know-how, the book will be of interest to students, teachers and researchers of school education, organizational behaviour, behavioural sciences and applied psychology. It will also be of interest to parents of school-going children, school management heads, policy makers and educators.
