They Played Rugby for Australia 2023 edition Eric Lemon, Teejay Haar, 2024-04-12 Over 500 pages of facts, statistics, and records of every match and every player for the Australian national Rugby Union team from the first match in June 1899 up to December 2023.

Our Australian Theatre in the 1990s, 2023-09-29 AUSTRALIAN THEATRE in the 1990s is a vigorous enterprise displaying the energies and contradictions of a multicultural society. This collection of essays by leading scholars of Australian theatre and drama surveys the emergence and directions of the new theatrical energies which have challenged or redefined the Australian 'mainstream': Aboriginal, multicultural, Asian-Australian, women's, gay and lesbian, community and young people's theatre; and charts the exciting growth of physical theatre. The contributors assess the impact of evolving funding and industrial priorities, and examine the theoretical and cultural debates surrounding Australian playwriting and theatre-making from the 1970s Vietnam dramas to the postmodern present.

My Vietnam War Dave Morgan,2014-08-05 My Vietnam War is Dave Morgan's story. A typical 20 year old, he was forced into extraordinary circumstances in Vietnam. Far from his carefree youth, the Vietnam War would expose Dave to an atmosphere of ever-present danger and sheer terror that would impact him forever. His return to a divided Australia would isolate him further. During his service Dave wrote home to his mother from Vietnam tracking the days and the events. In 1992, after his mother passed away, he found all of his letters with his own recollections and diary entries, and the short stories of seven other veterans, to capture the unbelievable danger and horror that these young men experienced in Vietnam. He also describes how Vietnam established life-long feelings of intense loyalty, trust and mateship between the men that served there. Dave's story focuses on his time as a soldier and his return psychologically exhausted to a divided nation.

Bradman's Band Ashley Alexander Mallett,2000 Don Bradman is the Eternal Flame of cricket. As the greatest batsman of them all, Bradman consumed bowlers like a firestorm. Such a fabled and long career cast an immense shadow over Bradman's peers and opponents alike. Their stories are gathered here to make up Bradman's Band, the cricket legends who played alongside or against him in the Test arena. Among them are Larwood, Miller, Compton, Hutton, Headley, Allen, O'Reilly, Mailey, and Kippax. Author Ashley Mallett skilfully rekindles the Bodyline Ashes conflict, and the great religious divide Down Under of the 1930s. His description of the vendettas and jealousies among Bradman's peers are fascinating reflections on the players and the game. Bringing us closer to home is a profile of what The Don describes as his greatest partnership, his sixty-five-year marriage to Jessie Bradman. This is a fascinating story of the cricket legends in Bradman's Band.

A Descriptive Catalogue of the Naval Manuscripts in the Pepysian Library J.R. Tanner,2023-06-14 Samuel Pepys (1633-1703) made a significant contribution to British history by his work as a naval administrator, and he bequeathed to Magdalen College, Cambridge its greatest treasure - his library, a unique collection of 3,000 books and manuscripts, still preserved as he left it. There are 250 volumes of manuscripts and these NRS volumes published selected documents from the collection. In this volume Tanner gives a lengthy general introduction to Pepys's career as a naval administrator and to the papers he left at his death, and also prints from them lists of ships and officers from 1660 to 1688.

Something of Themselves Sarah LeFanu,2020-03-01 In early 1900, the paths of three British writers--Rudyard Kipling, Mary Kingsley and Arthur Conan Doyle--crossed in South Africa, during what has become known as Britain's last imperial war. Each of the three had pressing personal reasons to leave England behind, but they were also motivated by notions of

duty, service, patriotism and, in Kipling's case, jingoism. Sarah LeFanu compellingly opens an unexplored chapter of these writers' lives, at a turning point for Britain and its imperial ambitions. Was the South African War, as Kipling claimed, a dress rehearsal for the Armageddon of World War One? Or did it instead foreshadow the anti-colonial guerrilla wars of the later twentieth century? Weaving a rich and varied narrative, LeFanu charts the writers' paths in the theatre of war, and explores how this crucial period shaped their cultural legacies, their shifting reputations, and their influence on colonial policy.
