Having come from an abusive home and with her marriage falling apart as her young, alcoholic husband became verbally abusive, Barbara became totally hopeless, and without even thinking about her two toddler sons, she decided to end her life. **Waiting While Dating** Lindsey Holder, 2017-09-01 Dating in modern times can be confusing and seem more complicated than ever. How do you date and get close to someone while keeping God first? When meeting someone new, there are many questions and scenarios to be thought about. Should he pursue first? How often should you spend time together? When should you start attending church as a couple? Should you serve in the same area? When into the relationship should you hold hands or kiss? What do social media boundaries look like? While these specific questions are not directly answered in the Bible, it is comforting to know six couples who kept God first in the relationship and yet each had different answers to these questions and more. *Waiting While Dating* interviews six Christian couples who had different backgrounds and situations, some had been previously married and some had not. The couples span from meeting in their twenties, to thirties and forties. Each couple opens up and gives personal insight on what attracted them to their current spouse, how they held each other accountable, what leadership from the man looked like in the relationship, what patience looked like from the female perspective and many more intimate details. Whether you’re heading out on that next first date, are pondering about your current relationship, or whether you’re in the engagement phase, let *Waiting While Dating* open up some questions to help you keep God first while on your journey to finding your forever.

**Finding the Lost Art of Empathy** Tracy Wilde-Pace, 2019-05-21 Pastor Tracy Wilde reflects on the absence of empathy in today’s world and shares how Christians can renew their compassion to help unify not only the church, but society as well, in this timely and refreshing guide. Achieving meaningful relationships and cultivating lasting connections with others are often some of the most valuable experiences of our lives. So why can it sometimes feel so difficult to relate to the people around us if we all share the same human desire to bond? In *Finding the Lost Art of Empathy*, Tracy Wilde addresses the

reasons why we struggle with showing empathy toward others and explains why we ultimately avoid it—and even avoid contact with others altogether. She explores the different facets that have promoted isolation instead of community and provides the antidote for a more unified, loving, and empathetic society. Inspirational and encouraging, Wilde inspires us to self-reflect and remove whatever obstacles from our lives that may be blocking our way to true fulfillment in our relationships—and living life the way God intends us to.
