Gina fell for the wrong guy. Joe came into her life promising her everything, and he gave it to her, along with a world of hell. But Gina was stronger than Joe realized. After years of suffering the terror of being married to a criminal, she took the one thing he ever

gave her that she wanted—her son, Luke. Then she turned the bastard in. With her husband behind bars, her father-in-law will stop at nothing for revenge. He wants his grandson back, the heir to his criminal empire. With a vast network that stretches across the country, every favor is called in to kill Gina and return Luke to his grandfather. Gina can trust no one. Even the U.S. Marshall assigned to keep Gina and Luke safe is on the payroll. So with a gun and stolen diamonds in her purse, and derelicts, the law, and hit men on her tail, Gina takes Luke and runs. Los Angeles was only supposed to be a quick stop—sleep, eat, and continue running—but then they meet Gray.... He says he's a sailor, but he seems to be hiding a lot. And when the time comes, he's the only thing standing between her and the grave.

The Catching Point Transformation J. David Prologo MD, 2022-01-11 "Dr. Prologo targets sustainability. He elevates our science-based weight-loss programs by keeping people engaged." —Arthur Agatston, MD, author of The South Beach Diet Ninety-nine percent of diets fail because our bodies resist the change in the name of survival. "Stop with the rice cakes and boot camp already—we are starving to death!" It's like holding your breath underwater. We can endure it for a short time against the body's will to survive, but the longer you stay there, the louder and more crushing the signals get, until you finally burst to the surface for air (or into a fast food restaurant, the pantry, or a refrigerator, in the case of dieting). The Catching Point Transformation was created to ease this transition and quiet the body's resistance so that everyone can have fun, feel confident, and be successful when engaged with healthy living. It levels the playing ground for those who are trying to make a change with those who are already lean. Dr. Prologo understands and believes you when you say "no diet works for me," and so has finally created a different approach.
