The Happy Ever After Playlist Abby Jimenez, 2020-04-14 From the New York Times bestselling author of Part of Your World comes a romantic comedy full of fierce humor and fiercer heart about how one adorable puppy brings together two perfect strangers (Casey McQuiston, NYT bestselling author of Red, White & Royal Blue). Artist Sloan Monroe just can't seem to get her life on track. But one trouble-making pup who randomly jumps into her car with a take me home look in his eyes is about to change everything. With Tucker by her side, Sloan finally starts to feel more like herself. Then, after weeks of unanswered texts, Tucker's owner reaches out. He's a musician on tour in Australia. And bottom line: He wants Tucker back. Well, Sloan's not about to give up her dog without a fight. But what if this Jason guy really loves Tucker? As their flirty texts turn into long calls, Sloan can't deny a connection. Jason is hot and nice and funny. There's no telling what could happen when they meet in person. The question is: With his music career on the rise, how long will Jason really stick around? And is it possible for Sloan to survive another heartbreak? Life's Too Short Abby Jimenez, 2021-04-06 THE INSTANT NEW YORK TIMES BESTSELLER A hilarious, tender, and altogether life-affirming gem of a book. --Emily Henry, bestselling author of Beach Read A brilliant and touching romantic comedy about two polar opposites, one adorable dog, and living every day to its fullest. When Vanessa Price quit her job to pursue her dream of traveling the globe, she wasn't expecting to gain millions of YouTube followers who shared her joy of seizing every moment. For her, living each day to its fullest isn't just a motto. Her mother and sister never saw the age of 30, and Vanessa doesn't want to take anything for granted. But after her half sister suddenly leaves Vanessa in custody of her baby daughter, life goes from daily adventure to next-level bad (now with bonus baby vomit in hair). The last person Vanessa expects to show up offering help is the hot lawyer next door, Adrian Copeland. After all, she barely knows him. No one warned her that he was the Secret Baby Tamer or that she'd be spending a whole lot of time with him and his geriatric Chihuahua. Now she's feeling things she's vowed not to feel. Because the only thing worse than falling for Adrian is finding a little hope for a future she may never see. Just for the Summer Abby Jimenez, 2024-04-02 Instant #1 New York Times bestseller and a Good Morning America Book Club Pick! This witty, slow-burn rom-com is the ideal beach read. --Elle Justin has a curse, and thanks to a Reddit thread, it's now all over the internet. Every woman he dates goes on to find their soul mate the second they break up. When a woman slides into his DMs with the same problem, they come up with a plan: They'll date each other and break up. Their curses will cancel each other's out, and they'll both go on to find the love of their lives. It's a bonkers idea... and it just might work. Emma hadn't planned that her next assignment as a traveling nurse would be in Minnesota, but she and her best friend agree that dating Justin is too good of an opportunity to pass up, especially when they get to rent an adorable cottage on a private island on Lake Minnetonka. It's supposed to be a quick fling, just for the summer. But when Emma's toxic mother shows up and Justin has to assume guardianship of his three siblings, they're suddenly navigating a lot more than they expected--including catching real feelings for each other. What if this time Fate has actually brought the perfect pair together?

Part of Your World Abby Jimenez, 2022-04-19 A refreshingly modern fairy tale and instant New York Times bestseller that Love Hypothesis author Ali Hazelwood hails as an uplifting, feel-good, romantic read. After a wild bet, gourmet grilled-cheese sandwich, and cuddle with a baby goat, Alexis Montgomery has had her world turned upside down. The cause: Daniel Grant, a ridiculously hot carpenter who's ten years younger than her and as casual as they come—the complete opposite of sophisticated city-girl Alexis. And yet their chemistry is undeniable. While her ultra-wealthy parents want her to carry on the family legacy of world-renowned surgeons, Alexis doesn't need glory or fame. She's fine with being a “mere” ER doctor. And every minute she spends with Daniel and the tight-knit town where he lives, she's discovering just what's really important. Yet letting their relationship become anything more than a short-term fling would mean turning her back on her family and giving up the opportunity to help thousands of people. Bringing Daniel into her world is impossible, and yet she can't just give up the joy she's found with him either. With so many differences between them, how can Alexis possibly choose between her world and his? Abby Jimenez's words are like fairy dust... they sprinkled humor and warmth all over my life. Pick up Part of Your World if you're looking for an uplifting, feel-good, romantic read—and for a beautiful reminder that we should always try to live the life that makes us the happiest. --Ali Hazelwood, New York Times bestselling author of The Love Hypothesis Book of the Month Club Best Book of the Year finalist Goodreads Choice Awards finalist BookPage Magazine Best Books of the Year Booklist Best Romances of the Year SheReads Romance Book of the Year Award nomination

Playlist para um final feliz Abby Jimenez, 2024-11-05 Uma comédia romântica sedutora e emocionante sobre um adorável cachorro que une dois completos estranhos. “Aborda o amor depois do luto com um senso de humor corajoso e um vigor mais corajoso ainda.” — Casey McQuiston, autora de Vermelho, branco e sangue azul Dois anos após perder o noivo, Sloan Monroe ainda não conseguiu seguir em frente. Mas um cãozinho perdido na estrada está prestes a mudar isso. Desnorteadado e faminto, Rango salta para dentro de seu carro depois que ela quase o atropela e acaba sendo acolhido pela moça. Depois de semanas deixando mensagens no número informado na coleira, Sloan decide adotá-lo. Afinal, com ele a seu lado, ela enfim começou a sair da depressão. Um dia, o tutor de Rango entra em contato. Jason é um músico em turnê, estava sem sinal no celular e só retorna daqui a algumas semanas. E quer Rango de volta. Bem, Sloan não vai desistir de seu cachorro sem lutar. Mas... e se esse tal Jason realmente amá-lo? À medida que as mensagens dos dois sobre Rango se transformam em longas ligações, Sloan não tem como negar a conexão que nasceu entre eles. A questão é: com a carreira musical de Jason em ascensão, por quanto tempo eles poderiam ficar juntos? E será que Sloan suportará ter o coração partido outra vez?

Only and Forever Chloe Liese, 2024-04-02 It's a room-mance for the books in this tender, steamy story about unexpectedly finding love and being brave enough to let it revise life's narrative in the final book in the beloved Bergman Brothers series. Viggo Bergman, hopeless romantic, is thoroughly weary of waiting for his happily ever after. But between opening a romance bookstore, running a romance book club, coaching kids' soccer, and adopting a household of pets—just maybe, he's overcommitted himself?—Viggo's chaotic life has made finding his forever love seem downright improbable. Enter Tallulah Clarke, chilly cynic with a massive case of writer's block. Tallulah needs help with her thriller's romantic subplot. Viggo needs another pair of hands to keep his store afloat. So they agree to swap skills and cohabitate for convenience—his romance expertise to revive her book, her organizational prowess to salvage his store. They hardly get along, and they couldn't be more different, but who says roommate-coworkers need to be friends? As they share a home and

life, Tallulah and Viggo discover a connection that challenges everything they believe about love, and reveals the plot twist they never saw coming: happily ever after is here already, right under their roof.

American Wino Dan Dunn,2016-04-05 A professional booze writer whose life spins out of control tries to piece it back together by embarking upon an epic wine-fueled adventure that takes him to every corner of the U.S. Part vision quest, part guidebook, part journey into the bizarre tapestry of American life, it will make you laugh, make you cry and teach you a whole lot about wine. Former Playboy magazine nightlife columnist Dan Dunn has made a career out of drinking. Yet this man's man—a connoisseur of beer and whiskey—knew next to nothing about one of the major drinks enjoyed the world over: wine. When a fateful tasting experience coincided with a serious existential crisis, Dunn decided to hit the road on a journey of discovery. To quench his thirst for knowledge (and be able to throw down with the experts), he would educate himself about the industry glass by glass, from winery to winery, in nearly every region in the United States. His bold 15,000-mile road trip took Dunn from Sonoma, California, to Pawley's Island, South Carolina, where he twirled, sniffed, and sipped glass after glass of a vast array of wines with vintners, savants, and celebrities, including Kurt Russell and "The Most Interesting Man in the World," Jonathan Goldsmith. Dunn's mission was to transform himself from a heartbroken schlub who barely knew the difference between Merlot and Meritage, into a confident connoisseur capable of wowing others simply by swirling some fermented grape juice around in his mouth and pronouncing it "troubling, yet brilliant." In *American Wino*, Dunn shares it all—the good, the bad, the sublime. As his wine knowledge grows and becomes more complex, he shares it with the reader in the form of digestible, actionable nuggets in each chapter. It's like a wine-tasting course at your local community college extension program, only with more sex and less crushing despair. An intoxicating blend of travel writing, memoir, and booze journalism that pairs earthy humor with fine wine for hilarious and enlightening results, it is the story of one man's journey to find himself—and everyman's journey to better understand the true spirit of this divine elixir.

The Call Gavin Strawhan,2024-03-19 Winner of the Allen & Unwin Fiction Prize 2023 A brilliant debut crime novel centred on a 501 deportee gang, set in a remote coastal New Zealand town. 'The Call will likely be in contention for more awards as it is a deft and accomplished thriller debut.' - Greg Fleming, New Zealand Listener 'A cracking crime thriller that has all the slick polish and depth you expect of a top-of-the-range international offering, but still uncompromisingly Kiwi to the marrow of its bones. It's genuinely gripping and suspenseful yet more layered and nuanced than most genre potboilers. A smart, complex, nuanced story; it's a powerful tale of betrayal and redemption, forgiveness and despair, kindness and love.' Andrew Paul Wood , Aotearoa New Zealand Review of Books 'Strawhan is a pro with a pro's strong instincts for narrative, for

story telling. He sets out to excite. Mission accomplished. Strawhan excels in the slow approach, and wrangles all his bits and pieces together as the book climaxes with gun shots and the swipe of an axe ... A book to keep you awake at night, wanting to turn the page for more, definitely.' - Steve Braunias, Newsroom After surviving a brutal attack, Auckland cop DS Honey Chalmers has returned to her hometown to care for her mother. The remote coastal settlement of Waitutu holds complicated memories for Honey, not least the tragic suicide of her younger sister, Scarlett. Honey is hardest on herself. She let herself get too close to a gang informant. She got sloppy. The Reapers are a 501 gang of Aussie imports, ruthless and organised, and she's pretty sure the informant, mother-of-three Kloe Kovich, paid the price. But when a couple of gang enforcers turn up in Waitutu, Honey realises they are hoping she will lead them to Kloe. But if Kloe is still alive, can Honey save her this time around? When Honey catches up with her oldest friend, Marshall, her feelings are complicated. As teenagers they were inseparable, but Marshall was the last person to see Scarlett alive, and there are rumours they were sleeping together, that he broke her heart. Honey fears Marshall is not who she wants him to be. Eventually she learns the awful truth about the events that led her sister to take her own life. When Kloe arrives in town, Honey and Marshall must work together to try and keep the hapless Kloe out of the hands of those who want her - and Honey - silenced. Gripping and suspenseful, with a killer ending, *The Call* propels the reader into the world of a terrifying new kind of gang - and introduces a major new talent in crime writing.

Drink Ann Dowsett Johnston, 2013-10-01 In *Drink: The Intimate Relationship Between Women and Alcohol*, award-winning journalist Anne Dowsett Johnston combines in-depth research with her own personal story of recovery, and delivers a groundbreaking examination of a shocking yet little recognized epidemic threatening society today: the precipitous rise in risky drinking among women and girls. With the feminist revolution, women have closed the gender gap in their professional and educational lives. They have also achieved equality with men in more troubling areas as well. In the U.S. alone, the rates of alcohol abuse among women have skyrocketed in the past decade. DUIs, "drunkorexia" (choosing to limit eating to consume greater quantities of alcohol), and health problems connected to drinking are all rising—a problem exacerbated by

the alcohol industry itself. Battling for women's dollars and leisure time, corporations have developed marketing strategies and products targeted exclusively to women. Equally alarming is a recent CDC report showing a sharp rise in binge drinking, putting women and girls at further risk. As she brilliantly weaves in-depth research, interviews with leading researchers, and the moving story of her own struggle with alcohol abuse, Johnston illuminates this startling epidemic, dissecting the psychological, social, and industry factors that have contributed to its rise, and exploring its long-lasting impact on our society and individual lives.
