In the Lives of Puppets TJ Klune, 2023-04-25 A NEW YORK TIMES, SUNDAY TIMES AND INDIE BESTSELLER! New York Times bestselling author TJ Klune invites you deep into the heart of a peculiar forest and on the extraordinary journey of a family assembled from spare parts. Most Anticipated from BookPage • Goodreads • The Nerd Daily • Paste Magazine • LitReactor • OverDrive • LGBTQ Reads • Tor.com • LibraryReads • more “An enchanting tale of Pinocchio in the end times.” —P. Djèlí Clark In a strange little home built into the branches of a grove of trees, live three robots—fatherly inventor android Giovanni Lawson, a pleasantly sadistic nurse machine, and a small vacuum desperate for love and attention. Victor Lawson, a human, lives there too. They’re a family, hidden and safe. The day Vic salvages and repairs an unfamiliar android labeled “HAP,” he learns of a shared dark past between Hap and Gio—a past spent hunting humans. When Hap unwittingly alerts robots from Gio’s former life to their whereabouts, the family is no longer hidden and safe. Gio is captured and taken back to his old laboratory in the City of Electric Dreams. So together, the rest of Vic’s assembled family must journey across an unforgiving and otherworldly country to rescue Gio from decommission, or worse, reprogramming. Along the way to save Gio, amid conflicted feelings of betrayal and affection for Hap, Vic must decide for himself: Can he accept love with strings attached? Inspired by Carlo Collodi’s *The Adventures of Pinocchio*, and like *Swiss Family Robinson* meets *Wall-E*, *In the Lives of Puppets* is a masterful stand-alone fantasy adventure from the beloved author who brought you *The House in the Cerulean Sea* and *Under the Whispering Door*. □ “An epic quest of rescue and discovery [with] the author’s trademark charm, heart, and bittersweetness.” —Library Journal, starred review Praise for TJ Klune’s previous work: Like being wrapped up in a big gay blanket. —V.E. SCHWAB • “Very close to perfect.” —SEANAN McGUIRE • “Utterly absorbing.” —GAIL CARRIGER • It will renew your faith in humanity.” —TERRY BROOKS • “It healed me.” —CASSANDRA KHAW • “Compassionate.” —RYKA AOKI At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Puppet Scripts GERARD ASSEY,2021-03-17 According to surveys carried out, ninety four percent (94%) of all fundamental Christians accepted Jesus as their Savior while they were very young; and sixty five percent (65%) of all Christians were led to the Lord by their parents or teachers. It is therefore most vital and valuable for those of us who are teachers especially those who are in Vocation Bible School, Sunday School Teachers, Children Ministry Pastors and Leaders to get our children starting from a very young age engrossed and rooted with simple Bible stories, and then progressing through the more age-appropriate children's Bibles and studies as they get older. Now, while there are numerous Bible Story books available, this book however focuses on 37 miracles of JESUS, using the power of puppets and is on Jesus alone- Who is the centre of the whole Bible, enabling the child to see the power of Jesus' and His divine authority, thus building a strong foundation. 'PUPPET SCRIPTS will hopefully help anyone in Children's Ministries make a start of building a legacy by passing on through these precious kids to help build a faith line of future generations. Puppets help... -Teach kids about Jesus- what He did and what He continues to do for them -Build a foundation on the Word of God, the Bible, its characters and its key Messages -Establish in the faith, the joy of serving Christ -Win children and teens to Christ and the Kingdom -Teach teens to be great puppeteers (Start a kid as a hearer, then as they move into teens they graduate as doers-puppeteers) -Build skills of teamwork and commitment to each other and the ministry This little book will be a blessing to the many VBS and Sunday School Teachers, Pastors and Leaders who have this tremendous opportunity to reach children, teach them and sow in them- God's Word- the seed that will take root and germinate to bear fruit! This is the greatest Joy that anyone can aspire to see...And I pray that this book helps meet this purpose!

Puppet Master Complete Nat Brehmer,2021-10-01 This book is a comprehensive history of the most successful straight-to-video horror franchise of all time: Puppet Master. It provides an in-depth exploration of all 14 films to date--

including a made-for-TV crossover and a theatrical reboot--and the action figures, comics, and other merchandise that have helped to keep the brand alive for the past 30 years. Puppet Master was the first film for independent producer extraordinaire Charles Band's Full Moon Entertainment, launching a franchise and a micro-budget studio that have both continued to this day. What led to the film's success? How did a little movie about killer puppets, designed to cater to the then-booming video market, wind up surviving video stores themselves? How did a series that had never even had a theatrical entry wind up with an unusually successful toy series? All of these questions are answered within these pages. Featuring new interviews with some of the biggest creative minds behind the franchise, as well as dozens of behind-the-scenes photos, this book is the ultimate guide to horror's most murderous marionettes.

Puppet and Spirit: Ritual, Religion, and Performing Objects Claudia Orenstein, Tim Cusack, 2024-10-17 This anthology of essays, a companion to *Puppet and Spirit: Ritual, Religion, and Performing Objects, Volume I*, aims to explore the many types of relationships that exist between puppets, broadly speaking, and the immaterial world. The allure of the puppet goes beyond its material presence as, historically and throughout the globe, many uses of puppets and related objects have expressed and capitalized on their posited connections to other realms or ability to serve as vessels or conduits for immaterial presence. The flip side of the puppet's troubling uncanniness is precisely the possibilities it represents for connecting to discarnate realities. Where do we see such connections in contemporary artistic work in various mediums? How do puppets open avenues for discussion in a world that seems to be increasingly polarized around religious values? How do we describe, analyze, and theorize the present moment? What new questions do puppets address for our times, and how does the puppet's continued entanglement with these concerns trouble or comfort us? The essays in this book, from scholars and practitioners, provide a range of useful models and critical vocabularies for addressing this aspect of puppet performance, further expanding the growing understanding and appreciation of puppetry generally. This book, along with its companion volume, offers, for the first time, robust coverage of this subject from a diversity of voices, examples, and perspectives.

I'm Not Fkin Lyin** Ausbon, 2011-08-11 I'm Not F**kin Lyin is a spiritual script written from the stance of an open minded point of view. This script focuses on both personal transformation as well as global transformation. Some of the main themes that the book focuses on include: the purpose of conscious existence On Earth, where consciousness On Earth is going based on where consciousness On Earth has been, and it's all tied together with an intimate testimony of the authors personal experience growing up in the United States, where he became a professional athlete only to sense a deeper calling as a spiritual student. While the script is written with a poetic flow, it includes dream interpretation, a hint of prophecy, and is written with the intent to bring human consciousness ideas of coming together peacefully with love upon the prayer date of 12/22/12 and every breath beyond.

Surfing the Urban Wave Richard Segal,2014-09-18 Anyone can change the world, we were out to fix it. Four years removed from a successful campaign to steer the United States in a new, more equitable direction, it was time to shake Europe's entrenched establishment and bring forth leaders for the people, starting with London, and with a foreign-born leader no less. However, in departing at the American apex, not only left behind were co-collaborators, co-workers and friends unaware of his secret political activities, he betrayed and deserted some of them. We were hiding behind a Big Smokescreen as well, he feared. It may take more than one mea culpa dance to rake over the past, but does it matter the source of true inspiration and determination? *Surfing the Urban Wave* combines pragmatic solutions to municipal drift with antidotes to the throw-away society and confronts one of the most open and democratic public elections with scarcely an opinion poll in sight.

Speaking in Other Voices Joan Gross, 2001-12-05 Linking actual instances of language use with structures of social power in francophone Belgium, Gross outlines the history and contemporary configuration of rod puppetry in Liège. The analysis of this working class performance art moves between what occurs on and off stage. As puppeteers speak in other voices, sometimes in Walloon and sometimes in French, they create a sociolinguistic model based on 19th century renditions of medieval texts, the voices of past puppeteers, and the language that surrounds them. The high level of linguistic reflexivity created by the regional language movement has led to frequent metalinguistic and metapragmatic commentaries within the puppet shows. This complex speech genre embedded in social context shows the influence of identity struggles: from local class oppositions to imperial designs abroad. Keeping a tight focus on language, *Speaking in Other Voices* examines the process of entextualization and recontextualization as stories of war and religion are transmitted to succeeding generations.
