Victory in Every Fall Kurt Warner, 2024-10-10 What if your greatest challenges could become your greatest strengths? Life has a way of knocking us down — sometimes lightly, sometimes with a force so brutal we wonder if we'll ever rise again. But what if the very falls that leave us broken also contain the seeds of our greatest transformation? In *Victory in Every Fall*, Kurt Warner, LMSW, draws inspiration from the Greek myth of Antaeus — a giant who gained strength each time he touched the earth. Like Antaeus, Warner shows us that every time life knocks us down, we have the opportunity to rise even stronger. Through five deeply personal and life-altering experiences — a traumatic brain injury, severe OCD, bipolar disorder, profound grief, and chronic back pain — Warner reveals how each “fall” was not an end, but the beginning of something powerful. With raw honesty and vivid storytelling, Warner demonstrates how adversity can become the source of unforeseen strength. He shares how, by embracing the struggles that seemed to overwhelm him, he found resilience, empowerment, and ultimately, triumph. His story is a testament to the Antaeus approach: when we hit rock bottom, we can find new strength by grounding ourselves in the struggle and using it as a foundation for growth. This is more than a memoir of survival — it's a guide to overcoming even the most overwhelming obstacles. Whether you're battling illness, mental health challenges, or personal loss, *Victory in Every Fall* offers more than hope — it offers a roadmap for transforming pain into power and weakness into wisdom. Falling is inevitable. But what comes after is up to you. Will you stay down? Or will you rise, like Antaeus, stronger than ever before?

Blooming into Consciousness Lynn Hooper, 2017-12-27 The final chapter in human life is recognising there is no end. You will keep transforming and remoulding and changing into various forms in multidimensional lives. You will not cease to be. Your exit of thought trails will lead you to another great adventure once the cloak of death has been revealed as a falsehood. Do not look back but forward into present understanding. You are the master who has come into physical existence to purvey the human form. You have become hidden under the illusion that the earth's destination is the final resting place. It is but an illusionary device to make you search for meaning and purpose in your existence to further know yourself. Once you have mastered the physical, you shall inherit the earth. Look only to conscious evolution as a means to further adventures of the soul. It is a glorious playground in the universe, one that you have become adept at moving in if you did but know it. So to our final words, you are not of this world of human form but you are a part of it. Your soul has a great game plan that is far reaching and is calling you to wake up and join in the fun. Blooming into consciousness, the evolution of your soul is a magnificent, glorious adventure; I hope you will join us there. Namaste.

There is nothing more demotivating than working just for a paycheck and believing money and materialism will bring happiness, or selling your soul for what we have been taught to believe will make us happy. Anyone committed to embracing and applying the practical tools in *The Hero Inside You* can change the way they feel, find their calling, thrive and fall in love with life. *The Hero Inside You* teaches you how to find your purpose buried deep inside the heart; you cannot use the logical mind the way most people think and believe to discover this purpose . . . this calling. Learn how take the hero's journey and live the life you were meant to live and be the true you.

A Conspiracy of Love, Second Edition Kurt Struckmeyer, 2024-12-10 Before there were worshipers of Jesus, there were followers of Jesus. Before there were organized churches with creeds and doctrines, there were small communities of love, equality, and sharing dedicated to the practice of Jesus' teachings and committed to a wholly new way of living. Today, the churches of the Global North are in decline and younger generations no longer seek meaning there. Traditional "church Christianity" is gradually giving way to some new way of faithful living. From a Nazi prison cell, German pastor Dietrich Bonhoeffer imagined a future "religionless Christianity" consisting of contemplative prayer and righteous action in the secular world. *A Conspiracy of Love* presents the contours of such a faith based on the "Way" of Jesus. It calls us to become troublemakers, revolutionaries, seekers of change, and agents of transformation engaged in conspiracies of love to establish justice and peace in our postmodern world. It offers many different people—those who remain in the church, those who have left, and those who have never ventured near—with a life of faith that is meaningful, intelligent, and passionate.

I Sh*t My Pants Again and So Did You Rick Chowdry, 2022-12-14 The world has become a very odd place to live in the last few decades, and it seems that there is incessant chaos coming at us from nearly every direction. Regardless of where we tune our televisions or our smartphones, there is no shortage of people anxious to drag us into an agreement with their

opinions about all that is wrong and, by extension, how their position on a given issue is the correct one that all of us should subscribe to. Politicians, the media, the clergy, our neighbors, our friends, and our enemies all have something that needs adoption, and if we would just apologize and change our view, the world would be a better place. This book is an attempt by an average guy to cut through all of the crap that we are bombarded by to find the underlying problems that drive the chaos along with a simple solution that might change the world. The book is deliberately short, simple, and a little crude just like the human condition.
