Years later a group of experts re-examine the evidence – with shocking results. Does the team know more than they've been letting on? **Hope to Die** Cara Hunter, 2024-06-11 Self-defense or murder? In the continuation of one of Britain's most popular crime series from Cara Hunter—the author of the instant New York Times bestseller *Murder in the Family*—DI Fawley returns to determine if someone has staged a crime scene in connection with another homicide from years past. Midnight. A grisly murder scene at isolated farm on the outskirts of Oxford. A man lies dead in the kitchen—shot point blank. The farm's elderly owners claim the shooting was self-defense against a burglar. But something about the crime scene doesn't sit right with DI Adam Fawley, whose gut tells him there's more to their story. If the victim came to rob the house, why wasn't he wearing gloves or carrying tools? Why didn't the owner of the house call the police right after the shooting? Why did his wife wash his blood splattered clothes immediately? Digging deeper, the police realize this is no ordinary burglary gone wrong. There's an unmistakable link to an infamous case from years earlier involving a child's murder and an alleged miscarriage of justice. When the news leaks out, the press goes wild. Suddenly Fawley's team are under tremendous pressure to crack the case—and to bring one formidable criminal to justice.

Do you know what they're hiding in the house next door? A woman and child are found locked in a basement, barely alive, and unidentifiable: the woman can't speak, there are no missing persons reports that match their profile, and the confused, elderly man who owns the house claims he has never seen them before. The inhabitants of the quiet street are in shock—how could this happen right under their noses? But Detective Inspector Adam Fawley knows nothing is impossible. And no one is as innocent as they seem. As the police grow desperate for a lead, Fawley stumbles

across a breakthrough, a link to a case he worked years before about another young woman and child gone missing, never solved. When he realizes the missing woman's house is directly adjacent to the house in this case, he thinks he might have found the connection that could bring justice for both women. But there's something not quite right about the little boy from the basement, and the truth will send shockwaves through the force that Fawley never could have anticipated. A deeply unsettling, heart-stopping mystery of long-buried secrets and the monsters who hide in plain sight, *In the Dark* is the second gripping novel featuring DI Adam Fawley.
