**Las chicas emprendedoras** Ana Valentina Vingelli M,2023-10-31 Las hermanas Marlene y Lily dejan atrás su aldea natal en Alemania y a la familia para cruzar el océano con sus esposos, dos ingenieros venezolanos. En Venezuela, viven años en luna de miel y una vida serena y feliz, en dos pequeñas casas pareadas ubicadas en la ciudad de Caracas. Marlene y Jairo tienen cinco hijos, y Lily y Óscar, dos. El transcurrir de los días es muy placentero para las dos familias, pero el destino transforma la vida de Marlene, que, quedándose viuda y con cinco hijos que alimentar y criar, debe ocupar el rol de su difunto esposo. Una vida de privaciones y sacrificios no le impide seguir consintiendo a su familia, a la que dedica todo el tiempo que tiene a disposición. Los hijos crecen y cada uno toma su rumbo, que Marlene no puede impedir, ya que ella también, en su momento, dejó su nido sin esperar el consentimiento de su familia. La novela se desenvuelve entre los años más productivos y al mismo tiempo turbulentos e innovadores de la historia contemporánea: entre los años 1949 y 1977.

**Boda a la vista** Barbara Hannay,2014-09-11 ¡Una boda relámpago! Cuando Stella Lassiter se enteró de que estaba embarazada, decidió marcharse de Sidney e ir en busca de su ex novio a la zona más despoblada de Australia. Pero a quien encontró fue al hermano de este, Callum Roper, precisamente el hombre al que trataba de evitar. Hacía un año que Callum había sentido un flechazo por Stella, pero enseguida se había dado cuenta de que estaba fuera de su alcance. Sin embargo, ahora estaba dispuesto a hacer que ella y el hijo que estaba esperando entraran a formar parte de su familia. Un matrimonio de conveniencia era la solución perfecta.

Ser espectador. Modelos de recepción en la escena actual , Este volumen colectivo es fruto de los estudios en torno a la condición del espectador en la escena actual, cuestión central del grupo PERFORMA (Universidade de Santiago de Compostela) en el ámbito del proyecto Metamorfosis del espectador en el teatro español actual (PID2019-104402RB-100) - Performa2-, así como de “Filiación, innovación, cánones y heterodoxias en las construcciones culturales”, acción financiada por la Comunidad de Madrid a través de la línea de “Excelencia del Profesorado Universitario” del Convenio Plurianual con la UC3M (EPUC3M15) en el marco del V PRICIT (V Plan Regional de Investigación Científica e Innovación Tecnológica). A lo largo de sus páginas se exploran aquellas mutaciones y evoluciones que cincelaron modelos actuales de recepción en los teatros, salas y espacios de performance. Sin espectador no hay hecho teatral ni performático. Sin ignorarlo ni romantizarlo, apelamos a una mirada crítica y lúcida que permita acercarnos más a esta figura clave, no solo de los escenarios, sino del complejo mundo contemporáneo.
