Quotes from the Quaid Liaquat Merchant, Sharif Al Mujahid, 2020-09-08 "Every Pakistani from the youngest child to your eldest scholar should read this wonderful book Quotes from the Quaid with pride and joy. Each page contains at least one inspiring thought culled from the life's work of your great leader, illuminating Quaid-e-Azam's humane brilliance and the wisdom of his remarkable mind", writes Professor Stanley Wolpert in his foreword to the book. The decision by the Jinnah Society to publish Quotes from the Quaid as an e-book responds to the need for increasing awareness of Jinnah's leadership and the Pakistan Movement; the ever-increasing demand for this book from Pakistanis and the need to make Quotes from the Quaid available to all in and outside Pakistan easily as an e-book free of cost particularly in these troubled times caused by the Coronavirus all over the world. The book has previously sold more than 20,000 copies and was distributed to schools, colleges and universities for free. It was published first in 2007 by Oxford University Press and then again in 2020 by Lightstone Publishers. Mr. Liaquat Merchant, President of The Jinnah Society. said that the sole purpose of The Jinnah Society in bringing out Quotes from the Quaid in hard copy and now as an e-book constitutes one more effort to propagate and promote the principles, ideals, and vision of the founder of Pakistan, Quaid-e-Azam Muhammad Ali Jinnah, as a nation-building exercise and thus promote the development of democratic leaders in the role model of Mr Jinnah with particular emphasis on private honour and public integrity.

Tribal Invasion and Kashmir Shabir Choudhry,2013 The Tribal Invasion was a contentious and significant action, because of its serious consequences; and because it clearly violated the Standstill Agreement concluded between Pakistan and the Ruler of Jammu and Kashmir. Furthermore, it resulted in death and destruction of thousands of innocent people; and it forced the Maharaja of Jammu and Kashmir to seek help from India, which was only made available after the 'provisional accession' to India. Apart from that it divided our motherland resulting in enormous problems for thousands of families on both sides of the divide. It should also be remembered that the Tribal Invasion, apart from other problems also resulted in the first India and Pakistan war, bringing its own problems, animosity and divisions. Both governments since 1947 have spent billions of dollars on arms and have had three wars over control of Jammu and Kashmir. Both governments have enormous problems related to poverty, education and welfare; but because of the competition to control Jammu and Kashmir, they continue to divert money for military preparedness and continue to develop more and more lethal weapons.
