Fatherhood and Love Alexandra Macht,2019-09-26 This book explores how contemporary men understand love in the realm of family life and how they integrate it into their identity. Drawing from Ian Burkitt's aesthetic theory of emotions, Macht presents rich data from qualitative interviews and observations with Scottish and Romanian involved fathers, to reveal how they maintain closeness to their children, their partners and their own family of origin. Reflecting on distances, separations, power, worry and intergenerational experiences of love Fatherhood and Love hypothesizes that fathers' identities and emotionality rely on a variety of social relationships in their intimate environment. A new concept, 'emotional bordering', is introduced, to portray the tensions inherent in fathers' identities and illuminate why gender progress happens slowly. Engaging with literature on love, masculinity, culture and father's involvement from a unique perspective, this book will be of interest to students and scholars across a range of social science disciplines.

A Miracle of Love Amy Yawanarajah, 2015-07-01 In the heartbreaking story, *The Miracle of Love*, parents, Amy and Eric Yawanarajah, took their month-old child, Naveen, for what they believed was a routine medical visit after the baby contracted a cold. They heard the dreaded words that their son had a rare cardiac defect that could not be corrected. At the time, there were few known treatments for Naveen's type of congenital heart defect. The child's prognosis was he would be lucky to survive his seventh birthday! But Naveen's parents never gave up. They searched the globe until research led them to seek palliative treatment in New Zealand when Naveen was just four. Naveen's strong belief in his ability to live a long life ultimately convinced his parents to accept his choice of Perth Western Australia for his tertiary studies. It was the benevolence of the insurance system of Australia that funded the young man's many cardiac procedures. Naveen lived to age thirty-two, well beyond the lifespan projected by Australian cardiac specialists. This is the true story of a young man whose love of life and people while living with a congenital heart condition, is a miracle which will be an inspiration to many.

Journeys of Love Thomas Hodgson, 2025-07-07 An empathetic and eye-opening portrait of Muslim migrants in England that debunks many misperceptions about their music and poetry. In *Journeys of Love*, ethnomusicologist Thomas Hodgson offers a sensitive corrective to harmful portrayals of immigrants—specifically, Pakistanis living in England—as a self-segregating group prohibited from making music, a stereotype that has often resulted in violent Islamophobia. He argues that, in practice, these migrants—many of whom come from the Mirpur area of Azad Kashmir—occupy rich musical worlds,

full of poetic metaphors, that are central to surviving migration and its attendant losses. Hodgson shows how Mirpuris in England, as well as those who remain in Pakistan, carry on traditions of reciting a collection of poetry by the nineteenth-century Sufi saint Mian Muhammad Bakhsh, translated by Hodgson here as *Journeys of Love*. With its themes of remaining true to one's home, the oppressed being saved, having patience, and keeping faith in God, this work has become the story of movement and displacement in its narrative arc, as well as through the way it provides spiritual and ethical frameworks for settling in new lands. These hidden poetics of migration transform across generations as young Mirpuris develop new expressions of the connections across continents. These poetics reveal the connections between Kashmir's rural village life and urban centers abroad, offering a sensitive and illuminating portrait of migration and multiculturalism in Britain and beyond.

Poems of love Ella Wheeler Wilcox, 2025-04-24 In *Poems of Love*, Ella Wheeler Wilcox encapsulates the nuanced spectrum of human emotion through a collection that resonates with both sentimentality and profound introspection. Her lyrical style, marked by rhythmic meter and accessible diction, invites readers into a contemplative space where love's complexities—joy, longing, heartache, and passion—are laid bare. Amidst the Victorian-era literary context, Wilcox stands out as a pioneering female voice, articulating a perspective on love that intertwines personal experience with universal truths, making her poetry both timeless and relatable. Ella Wheeler Wilcox, born in 1850, was a groundbreaking poet who gained fame for her optimistic verses that championed the power of love and positivity. Her experiences as a woman navigating the constraints of the 19th century fueled her desire to express the inner workings of the heart and mind. That journey informs the emotional depth found in *Poems of Love*, a collection that reflects her understanding of love as both a source of strength and vulnerability, echoing the sentiments of her own life. Readers seeking an exploration of love's intricacies will find *Poems of Love* an essential addition to their literary repertoire. Wilcox's heartfelt verses are not only a celebration of romantic passion but also a meditation on the power of love as a transformative force. This collection invites readers to embrace the emotions that connect us all, making it a timeless tribute to the essence of love.

The Beatles, Sgt. Pepper, and the Summer of Love Kenneth Womack, Kathryn B. Cox, 2017-07-03 For the Beatles, 1967 marks a signal crossroads that would both transform the group's career and place them on a trajectory towards their eventual disbandment. It was a year in which they exploded prevailing rock music demographics through the global onslaught and international success of Sgt. Pepper's Lonely Hearts Club Band beginning in June 1967. Yet it was also a period that saw them in a precarious state of flux throughout the summer and fall months, as the band attempted to recapture their artistic direction in the wake of Sgt. Pepper and the untimely death of manager Brian Epstein. The Beatles, Sgt. Pepper, and the Summer of Love draws readers into that pivotal year in the life of the band. For the Fab Four, 1967 would see the band members part ways with psychedelia and the avant-garde through the trials and tribulations of the Magical Mystery Tour, a project that resulted in a series of classic recordings, while at the same time revealing the bandmates' aesthetic vulnerabilities and failings as would-be filmmakers and auteurs.

Spenser's Allegory of Love James W. Broaddus, 1995 Spenser's Allegory of Love approaches the major characters in Books III, IV, and V of The Faerie Queene as fictional personages who function psychically according to Renaissance sexual psychology and physically according to Renaissance sexual physiology. This approach enables readings of the quests in their own peculiar, allegorical way as imitations of actions. For each of the questers - Britomart, Florimell, Scudamour, and Timias - union with a loved one is the goal; and that goal is achieved, however problematically, in each of the quests. When the interwoven quests, which begin in Book III, continue through Book IV, and, with Britomart's quest, into Book V, are separated out and explicated, these three books of Spenser's Faerie Queene can be read so as to constitute a social vision.
