Why, How and What?: Personal Quotes and notes from social media pages! Rabinder Henry, 2023-02-17 Life is a strange mixture of two exotic numbers. "Zero" which is the minimum requirement for existence of everything and "infinity the unknown number which keeps pushing limits of everything man could make or believe!! What is that, one carries after the end is nothing and where one heads to is also unknown! Between the start and end if one believes they are everything of the unknown they end up as nothing. And those who believe they are nothing end up being the unknown! In last three decades in India, the rapid growth without foundation on nature and science solely based on service has led to scenario where there are more known who is wish to be unknown and less unknown who are supposed to be known. FAMOUS SUCCESS QUOTES Aberdin Louis, 2016-01-18 believe in everyone who has goals they are willing to work hard to attain. I have learned over the years that you have to have a vision that feels so vivid that it is true before it ever manifests in real life. Everyone who asks me what, how or when to pursue their goals I say to them this: you have already accomplished most of what you are trying to do because you know what you want. The other 50% is working as much as it takes to attain and maintain your vision. Lastly, when it comes to money, the preservation of wealth is as or more important than the accumulation of wealth. Think of all of this as you set out on your journey to make your vision a reality. The benefits of positive emotions don't stop after a few minutes of good feelings subside. In fact, the biggest benefit that positive emotions provide is an enhanced ability to build skills and develop resources for use later in life.

Blaming God R J Burton,2023-12-18 Faith can be shaken by trauma. R.J. Burton knows this well. As a young teen, she experienced abuse at the hands of an older man. The trial that ensued exonerated the perpetrator while condemning the

victim in the eyes of her community, sending her into a spiral of doubt in herself, in God, and in supposedly Christ-loving people. Why do some followers of Christ judge and deny their brothers and sisters? How do misrepresentations of Christianity harm victims? Why does a supposedly just society perpetuate the revictimization of abuse survivors? And what does the concept of free will have to do with any of it? These are the questions R.J. tries to answer as she reflects on her life and embarks on a journey from faith lost to faith rediscovered—a journey that will resonate with other “faithful sinners” who may be questioning their own relationships with God.
