Living Deeply Marilyn Schlitz,Cassandra Vieten,Tina Amorok,2008-01-03 Living Deeply transcends any one approach by focusing on common elements of transformation across a variety of traditions, while affirming and supporting the diversity of approaches across religious, spiritual, scientific, academic, and cultural backgrounds. Each chapter in the book ends with Experiences of Transformation, exercises drawn from wisdom traditions or scientific investigations meant to enhance your direct experience of the material. Opportunities to actively engage in your own transformation and that of our world are woven into the fabric of your everyday life. Learning more about the terrain of consciousness transformation can not only give you a map, but can help you become the cartographer of your own transformative journey. Research over the last decade at the Institute of Noetic Sciences (IONS) has systematically surveyed hundreds of people's stories of their own transformations, as well as conducting over 50 in-depth interviews with teachers and masters of the world's spiritual, religious, and transformative traditions. No matter who you are,where you come from, or what your current path is - whether you seek to transform your life completely or simply make adjustments that will add a layer of richness and depth to your life - exploring the many ways that transformation is stimulated and sustained can hold great power. Weaving together cutting-edge science with wisdom from teachers of the world's transformative traditions this book explores how people experience deep shifts in their consciousness, and how those shifts can lead to healing and wholeness. Research over the last decade at the Institute of Noetic Sciences has explored in depth the phenomenon by which people make significant shifts in the way they experience and view the world. Focusing in particular on positive transformations in consciousness, or those that result in improved health, well-being, and sense of meaning, purpose,and belonging, hundreds of people's stories of their own

transformations were included in the research, as well as in-depth interviews with over 50 teachers and masters of the world's spiritual, religious, and transformative traditions. Authors Marilyn Mandala Schlitz, Ph.D., Cassandra Vieten, Ph.D., and Tina Amorok, Psy.D. - will begin conducting workshops based on the information they have gathered for this book. These workshops will blend the rigors of science with the deep wisdom of the world's spiritual traditions. Drs. Schlitz, Vieten, and Amorok will offer key insights from the decade-long qualitative and quantitative research study, of how people transform their lives. The workshops will include rigorous inquiry, group dialogue, and direct experience about the kinds of transformations in consciousness that change a person's worldview to one that is more connected to others. For more information about the Signature Education Workshops, please visit www.livingdeeply.org Also available is a companion DVD.

Words of Wisdom Ram Dass,2021-10-05 Words of Wisdom is a distillation of the last five decades of Ram Dass’s life containing the most powerful quotes from his most resonant core teachings. Ram Dass always had a knack for heart-to-heart transmission. Far before he had a vocabulary to describe his spiritual experiences, he was Richard Alpert, a Harvard professor and early experimenter with psychedelics. After these early soul-expanding journeys, he spoke and wrote about his transcendent experiences with the innate, intuitive understanding of a true inner-voyager. Even before Alpert realized that psychedelics weren't the final answer to enlightenment, he was more interested in cultivating a shared heart space with his patients and friends than he was in the clinical, scientific side of psychedelia. Words of Wisdom is a distillation of hundreds of lectures and many hours of audio and video recordings from the last five decades—his core essential teachings. This anthology celebrates the spark that helped to ignite the flame of grace and Loving Awareness in so many hearts. By the end of his life, Ram Dass was a true conduit for soul connection. This anthology celebrates the spark that helped to ignite the flame of grace and Loving Awareness in so many hearts. By the end of his life, Ram Dass was a true conduit for soul

connection. Through five decades of teaching in both the institutional and public realms, Dass has served as a leader in spirituality, psychology, and psychedelia, fusing these elements to embody a purposeful intention of love and joy.

One-Liners Ram Dass, 2007-12-18 Ram Dass has always been a master of the one-liner. Here is the nitty-gritty by the author of *Be Here Now*—more than 200 penetrating observations and pithy spiritual instructions on such topics as *How It All Is*, *Love and Devotion*, *Suffering*, *Aging*, *Planes of Consciousness*, *Death and Dying*, *Service and Compassion*, *Psychedelics*, *Social Awareness*, and *Liberation*. “This book is a kind of spiritual brandy, a distillation of the lectures I’ve given over the course of the past decade or so. These quotes are the little “aha!” moments, the cameos that have been served up out of our collective consciousness from time to time that seem to summarize something about our human journey. I think of this book as something you might have next to the coffeepot to pick up in the morning, or as something you might tuck into your backpack to pull out during your bus ride to work, in order to reframe the way you look at your day.” —Ram Dass

Journey of Awakening Ram Dass, 2012-01-04 Find the practice that’s right for you with this exploration of the many paths of meditation—from mantra, prayer, singing, visualizations, and “just sitting” to movement meditations such as tai chi “Everyone has experienced a moment of pure awareness. A moment without thinking ‘I am aware’ or ‘that is a tree.’ Such moments bring a sense of rightness, of clarity, of being at one. Such moments are the essence of meditation.”—Ram Dass Ram Dass is an American psychologist and spiritual teacher who has studied and practiced meditation for many years.
