Sacred Rose Mara Freeman ,2023-03-23 This book is an invitation to enter the Rose Garden: the sanctuary of the soul that resides within every human heart. For the Rose is one of the loveliest symbols of spirituality in the western world: a timeless expression of beauty, love, and, ultimately, oneness with the Divine. Each chapter will take you on a mystical journey through myth, religion, sacred art and poetry, including the Rose in the classical world, the medieval visions of Mary, the wisdom of the Sufi mystics, the hidden codes of the Alchemists, the ceremonies of 19th century magical orders, and the poems of modern visionaries, along with rose windows, the Kabbalah, tarot cards and more. Within the Rose Garden guided meditations offer gentle but profound nourishment to the soul leading to a sense of inner peace and a deeper connectedness with the essential Self through a uniquely Western path. One reader affirms: 'I have travelled over a long time down many different roads to heal myself from the wounds I have suffered. However, Mara, it is your meditations that have been so fruitful for me. The Fire of Roses meditation feels as if on a deep level I have found and own myself with clarity and light'.

1-2-3 Tarot Donald Tyson, 2004 With the simple system outlined in this book, you can start reading the cards immediately -- even if you've never even touched a Tarot deck before. Most books that teach you how to read the Tarot contain long lists of keywords for each card. With seventy-eight cards and multiple keywords for each card, that's hundreds of meanings to memorize! The easy, effective system outlined in *1-2-3 Tarot* will have you giving accurate readings right away without having to memorize anything. The key to this unique system is the Tarot sentence. A card's complex significance boils down to three elements: identity, action, and direction. These elements are matched with a noun, verb, and adverb to form a simple sentence and give you a succinct meaning for any given card. You'll learn how to interpret the collective meanings of three-card sets within a variety of spreads designed to answer any question. A quick-reference table that includes reversed meanings saves you the trouble of flipping through the book while you're in the middle of a reading. Flexible, fast, and fun, this foolproof method can be applied to any Tarot deck. Book jacket.
