**The Lions of Fifth Avenue: A GMA Book Club Pick** Fiona Davis, 2021-05-25 A Good Morning America Book Club Pick and a New York Times bestseller! "A page-turner for booklovers everywhere! . . . A story of family ties, their lost dreams, and the redemption that comes from discovering truth."—Adriana Trigiani, bestselling author of *The Shoemaker's Wife* In New York Times bestselling author Fiona Davis's latest historical novel, a series of book thefts roils the iconic New York Public Library, leaving two generations of strong-willed women to pick up the pieces. It's 1913, and on the surface, Laura Lyons couldn't ask for more out of life—her husband is the superintendent of the New York Public Library, allowing their family to live in an apartment within the grand building, and they are blessed with two children. But headstrong, passionate Laura wants more, and when she takes a leap of faith and applies to the Columbia Journalism School, her world is cracked wide open. As her studies take her all over the city, she is drawn to Greenwich Village's new bohemia, where she discovers the Heterodoxy Club—a radical, all-female group in which women are encouraged to loudly share their opinions on suffrage, birth control, and women's rights. Soon, Laura finds herself questioning her traditional role as wife and mother. And when valuable books are stolen back at the library, threatening the home and institution she loves, she's forced to confront her shifting priorities head on . . . and may just lose everything in the process. Eighty years later, in 1993, Sadie Donovan struggles with the legacy of her grandmother, the famous essayist Laura Lyons, especially after she's wrangled her dream job as a curator at the New York Public Library. But the job quickly becomes a nightmare when rare manuscripts, notes, and books for the exhibit Sadie's running begin disappearing from the library's famous Berg Collection. Determined to save both the exhibit and her career, the typically risk-averse Sadie teams up with a private security expert to uncover the culprit. However, things unexpectedly become personal when the investigation leads Sadie to some unwelcome truths about her own

family heritage—truths that shed new light on the biggest tragedy in the library's history.

The Spectacular Fiona Davis, 2024-07-23 From the New York Times Bestselling Author of *The Magnolia Palace*: A thrilling story about love, sacrifice, and the pursuit of dreams, set amidst the glamour and glitz of Radio City Music Hall in its mid-century heyday. New York City, 1956: Nineteen-year-old Marion Brooks knows she should be happy. Her high school sweetheart is about to propose and sweep her off to the life everyone has always expected they'd have together: a quiet house in the suburbs, Marion staying home to raise their future children. But instead, Marion finds herself feeling trapped. So when she comes across an opportunity to audition for the famous Radio City Rockettes—the glamorous precision-dancing troupe—she jumps at the chance to exchange her predictable future for the dazzling life of a performer. Meanwhile, the city is reeling from a string of bombings orchestrated by a person the press has nicknamed the “Big Apple Bomber,” who has been terrorizing the citizens of New York for sixteen years by planting bombs in popular, crowded spaces. With the public in an uproar over the lack of any real leads after a yearslong manhunt, the police turn in desperation to Peter Griggs, a young doctor at a local mental hospital who espouses a radical new technique: psychological profiling. As both Marion and Peter find themselves unexpectedly pulled in to the police search for the bomber, Marion realizes that as much as she's been training herself to blend in—performing in perfect unison with all the other identical Rockettes—if she hopes to catch the bomber, she'll need to stand out and take a terrifying risk. In doing so, she may be forced to sacrifice everything she's

worked for, as well as the people she loves the most.

**The Magnolia Palace** Fiona Davis, 2023-01-17 INSTANT NEW YORK TIMES BESTSELLER! Fiona Davis, New York Times bestselling author of *The Lions of Fifth Avenue*, returns with a tantalizing novel about the secrets, betrayal, and murder within one of New York City's most impressive Gilded Age mansions. Eight months since losing her mother in the Spanish flu outbreak of 1919, twenty-one-year-old Lillian Carter's life has completely fallen apart. For the past six years, under the moniker Angelica, Lillian was one of the most sought-after artists' models in New York City, with statues based on her figure gracing landmarks from the Plaza Hotel to the Brooklyn Bridge. But with her mother gone, a grieving Lillian is rudderless and desperate—the work has dried up and a looming scandal has left her entirely without a safe haven. So when she stumbles upon an employment opportunity at the Frick mansion—a building that, ironically, bears her own visage—Lillian jumps at the chance. But the longer she works as a private secretary to the imperious and demanding Helen Frick, the daughter and heiress of industrialist and art patron Henry Clay Frick, the more deeply her life gets intertwined with that of the family—pulling her into a tangled web of romantic trysts, stolen jewels, and family drama that runs so deep, the stakes just may be life or death. Nearly fifty years later, mod English model Veronica Weber has her own chance to make her career—and with it, earn the money she needs to support her family back home—within the walls of the former Frick residence, now converted into one of New York City's most impressive museums. But when she—along with a charming intern/budding art curator named Joshua—is dismissed from the Vogue shoot taking place at the Frick Collection, she chances upon a series of hidden messages in the museum: messages that will lead her and Joshua on a hunt that could not only solve Veronica's financial woes, but could finally reveal the truth behind a decades-old murder in the infamous Frick family.

*The Dollhouse* Fiona Davis, 2017-07-11 Enter the lush world of 1950s New York City, where a generation of aspiring models, secretaries, and editors live side by side in the glamorous Barbizon Hotel for Women while attempting to claw their way to fairy-tale success in this debut novel from the New York Times bestselling author of *The Lions of Fifth Avenue*. “Rich both in twists and period detail, this tale of big-city ambition is impossible to put down.”—People When she arrives at the famed Barbizon Hotel in 1952, secretarial school enrollment in hand, Darby McLaughlin is everything her modeling agency hall mates aren't: plain, self-conscious, homesick, and utterly convinced she doesn't belong—a notion the models do nothing to disabuse. Yet when Darby befriends Esme, a Barbizon maid, she's introduced to an entirely new side of New York City: seedy downtown jazz clubs where the music is as addictive as the heroin that's used there, the startling sounds of bebop, and even the possibility of romance. Over half a century later, the Barbizon's gone condo and most of its long-ago guests are forgotten. But rumors of Darby's involvement in a deadly skirmish with a hotel maid back in 1952 haunt the halls of the building as surely as the melancholy music that floats from the elderly woman's rent-controlled apartment. It's a combination

too intoxicating for journalist Rose Lewin, Darby's upstairs neighbor, to resist—not to mention the perfect distraction from her own imploding personal life. Yet as Rose's obsession deepens, the ethics of her investigation become increasingly murky, and neither woman will remain unchanged when the shocking truth is finally revealed.

**Into the Lion's Den** Linda Fairstein, 2017-10 Watch out, Nancy Drew Move over, Theo Boone Devlin Quick is smart, strong, and she will DEFINITELY close the case in this thrilling new mystery series for girls and boys from New York Times bestselling author Linda Fairstein. Someone has stolen a page from a rare book in the New York Public Library. At least, that's what Devlin's friend Liza thinks she's seen, but she can't be sure. Any other kid might not see a crime here, but Devlin Quick is courageous and confident, and she knows she has to bring this man to justice—even if it means breathlessly racing around the city to collect evidence. But who is this thief? And what could the page—an old map—possibly lead to? With her wits, persistence, and the help of New York City's finest (and, okay, a little bit of help from her police commissioner mother, too), Dev and her friends piece the clues together to uncover a mystery that's bigger than anyone expected—and more fun, too. With all of the heart-pounding excitement that made her internationally bestselling Alexandra Cooper series a hit, Linda Fairstein paves the way for another unstoppable heroine . . . even if she is only twelve.

**Wicked Good Words** Mim Harrison, 2011-08-02 How to sound like you're from here, no matter where you are in America Simultaneously full of witty asides and linguistic erudition, *Wicked Good Words* is one of those rare books that you will read too fast and will find yourself wishing you could read for the first time all over again. -Ammon Shea, author of *Reading the OED* As someone who grew up in the land of wicked pissa Sox games, what a delight it was to read about alligator pears, sundogs, piggling, sad cakes, doodinkus, jacklegs, and so many other American regionalisms. -David Wolman, author of *Righting the Mother Tongue* *Wicked Good Words* is a collection of words and phrases from places across the United States. Organized by region and peppered with engaging sidebars, it's a uniquely American road trip. You'll discover: \*In Ohio, that titillating talk about a four-way is all about a type of chili. \*When you rush the growler in Appalachia, you're filling your lunch pail with beer. \*A frog strangler in the South will send you running for cover: it's a heavy rain. \*In Louisiana and Texas, someone caught pirooting is nosing around. \*In the Northwest, something that's spendy is too expensive. \*A skeeter hawk, darning needle, snake feeder, spindle, ear sewer, needle, snake doctor, and stinger all refer to the same thing: a mosquito, depending on where you get attacked.

**Taking Down the Lion** Catherine S. Neal, 2014-01-07 Taking Down the Lion offers an inside look at the career of Tyco's most infamous CEO, and what exactly brought him down so publicly. As the widely-admired CEO of Tyco International, Dennis Kozlowski grew a little-known New Hampshire conglomerate into a global giant. In a stunning series of events, Kozlowski suddenly lost his job along with his favored public status when he was indicted by legendary Manhattan DA Robert Morgenthau—it was an inglorious end to an otherwise brilliant career. Kozlowski was the face of corporate excess in the

turbulent post-Enron environment; he was pictured under headlines that read Oink Oink, and publicly castigated for his extravagant lifestyle. Deal-a-Day Dennis was transformed into the poster child for corporate greed. Kozlowski was ultimately convicted of grand larceny and other crimes that, in sum, found the former CEO guilty of wrongfully taking \$100 million from Tyco. Taking Down the Lion shines a bright light on former CEO Dennis Kozlowski and the Tyco corporate scandal—it is the definitive telling of a largely misunderstood episode in U.S. business history. In an unfiltered view of corporate America, Catherine S. Neal pulls back the curtain to reveal a world of big business, ambition, money, and an epidemic of questionable ethics that infected not only business dealings but extended to attorneys, journalists, politicians, and the criminal justice system. When the ugly truth is told, it's clear the good guys were not all good and the bad guys not all bad. And there were absolutely no heroes.

*The Lion's Share* Matthew McElligott, 2012-07-03 Ant is honored to receive an invitation to lion's annual dinner party, but is shocked when the other guests behave rudely and then accuse her of thinking only of herself.

The Lion Women of Tehran Marjan Kamali, 2025-08-05 An “evocative read and a powerful portrait of friendship, feminism, and political activism” (People) set against three transformative decades in Tehran, Iran—from nationally bestselling author Marjan Kamali. In 1950s Tehran, seven-year-old Ellie lives in grand comfort until the untimely death of her father, forcing Ellie and her mother to move to a tiny home downtown. Lonely and bearing the brunt of her mother's endless grievances, Ellie dreams for a friend to alleviate her isolation. Luckily, on the first day of school, she meets Homa, a kind girl with a brave and irrepressible spirit. Together, the two girls play games, learn to cook in the stone kitchen of Homa's warm home, wander through the colorful stalls of the Grand Bazaar, and share their ambitions of becoming “lion women.” But their happiness is disrupted when Ellie and her mother are afforded the opportunity to return to their previous bourgeois life. Now a popular student at the best girls' high school in Iran, Ellie's memories of Homa begin to fade. Years later, however, her sudden reappearance in Ellie's privileged world alters the course of both of their lives. Together, the two young women come of age and pursue their own goals for meaningful futures. But as the political turmoil in Iran builds to a breaking point, one earth-shattering betrayal will have enormous consequences. “Reminiscent of *The Kite Runner* and *My Brilliant Friend*, *The Lion Women of Tehran* is a mesmerizing tale” (BookPage) of love and courage, and a sweeping exploration of how profoundly we are shaped by those we meet when we are young.

*Akimbo and the Lions* Alexander McCall Smith, 2007-01-23 When Akimbo and his park ranger father unintentionally capture a lion cub near an African game park when they are trying to trap a lion that has been attacking cattle on nearby farms, Akimbo wants to keep the cub. Reprint.

**The Boric Acid Murder** Camille Minichino, 2025-06-25 A trip to the Revere Public Library proves fatal for thirty-six-year-old Yolanda Fiore. Her body is found early one morning at the bottom of the library's staircase. The evidence shows she'd been struck on the back of the head before her fall. In this fifth Periodic Table Mystery, retired physicist Gloria Lamerino is not inclined to take on another murder investigation—her romance with homicide detective Sergeant Matt Gennaro is all the contact she needs with the Revere Police Department. But Gloria will do anything for her lifelong friends and current landlords, Rose and Frank Galigani, operators of the Galigani Mortuary. So when their son John is arrested for murdering Yolanda, his former girlfriend, Gloria goes in search of the real killer.

**Outdoor Monuments of Manhattan** Dianne L. Durante, 2007-02 Stop, look, and discover—the streets and parks of Manhattan are filled with beautiful historic monuments that will entertain, stimulate, and inspire you. Among the 54 monuments in this volume are major figures in American history: Washington, Lincoln, Lafayette, Horace Greeley, and Gertrude Stein; more obscure figures: Daniel Butterfield, J. Marion Sims, and King Jagiello; as well as the icons of New York: Atlas, Prometheus, and the Firemen's Memorial. The monuments represent the work of some of America's best sculptors: Augustus Saint Gaudens' Farragut and Sherman, Daniel Chester French's Four Continents, and Anna Hyatt Huntington's José Martí and Joan of Arc. Each monument, illustrated with black-and-white photographs, is located on a map of Manhattan and includes easy-to-follow directions. All the sculptures are considered both as historical mementos and as art. We learn of furious General Sherman court-martialing a civilian journalist, and also of exasperated Saint Gaudens' proposing a hook-and-spring device for improving his assistants' artistic acuity as they help model Sherman. We discover how Lincoln dealt with a vociferous Confederate politician from Ohio, and why the Lincoln in Union Square doesn't rank as a top-notch Lincoln portrait. Sidebars reveal other aspects of the figure or event commemorated, using personal quotes, poems, excerpts from nineteenth-century periodicals (New York Times, Harper's Weekly), and writers ranging from Aeschylus, Washington Irving, and Frederic-Auguste Bartholdi to Mark Twain and Henryk Sienkiewicz. As a historical account, *Outdoor Monuments of Manhattan: A Historical Guide* is a fascinating look at figures and events that changed New York, the United States and the world. As an aesthetic handbook it provides a compact method for studying sculpture, inspired by Ayn Rand's writings on art. For residents and tourists, and historians and students, who want to spend more time viewing and appreciating sculpture and New York history, this is the start of a unique voyage of discovery.

Place, Race, and Story Ned Kaufman, 2009-09-11 In *Place, Race, and Story*, author Ned Kaufman has collected his own essays dedicated to the proposition of giving the next generation of preservationists not only a foundational knowledge of the field of study, but more ideas on where they can take it. Through both big-picture essays considering preservation across time, and descriptions of work on specific sites, the essays in this collection trace the themes of place, race, and story in ways

that raise questions, stimulate discussion, and offer a different perspective on these common ideas. Including unpublished essays as well as established works by the author, *Place, Race, and Story* provides a new outline for a progressive preservation movement – the revitalized movement for social progress.

**The Cure in the Code** Peter Huber, 2013-11-12 Never before have two revolutions with so much potential to save and prolong human life occurred simultaneously. The converging, synergistic power of the biochemical and digital revolutions now allows us to read every letter of life's code, create precisely targeted drugs to control it, and tailor their use to individual patients. Cancer, diabetes, Alzheimer's and countless other killers can be vanquished—if we make full use of the tools of modern drug design and allow doctors the use of modern data gathering and analytical tools when prescribing drugs to their patients. But Washington stands in the way, clinging to outdated drug-approval protocols developed decades ago during medicine's long battle with the infectious epidemics of the past. Peter Huber, an expert in science, technology, and public policy, demonstrates why Washington's one-size-fits-all drug policies can't deal with diseases rooted in the complex molecular diversity of human bodies. Washington is ill-equipped to handle the torrents of data that now propel the advance of molecular medicine and is reluctant to embrace the statistical methods of the digital age that can. Obsolete economic policies, often rationalized as cost-saving measures, stifle innovation and suppress investment in the medicine that can provide the best cures at the lowest cost. In the 1980s, an AIDS diagnosis was a death sentence, until the FDA loosened its throttling grip and began streamlining and accelerating approval of life-saving drugs. *The Cure in the Code* shows patients, doctors, investors, and policy makers what we must now do to capture the full life-saving and cost-saving potential of the revolution in molecular medicine. America has to choose. At stake for America is the power to lead the world in mastering the most free, fecund, competitive, dynamic, and intelligent natural resource on the planet—the molecular code that spawns human life and controls our health.
