Things We Never Got Over Lucy Score,2022-01-12 Bearded, bad-boy barber Knox prefers to live his life the way he takes his coffee: Alone. Unless you count his basset hound, Waylon. Knox doesn't tolerate drama, even when it comes in the form of a stranded runaway bride. Naomi wasn't just running away from her wedding. She was riding to the rescue of her estranged twin to Knockemout, Virginia, a rough-around-the-edges town where disputes are settled the old-fashioned way...with fists and beer. Usually in that order. Too bad for Naomi her evil twin hasn't changed at all. After helping herself to Naomi's car and cash, Tina leaves her with something unexpected. The niece Naomi didn't know she had. Now she's stuck in town with no car, no job, no plan, and no home with an 11-year-old going on thirty to take care of. There's a reason Knox doesn't do complications or high-maintenance women, especially not the romantic ones. But since Naomi's life imploded right in front of him, the least he can do is help her out of her jam. And just as soon as she stops getting into new trouble he can leave her alone and get back to his peaceful, solitary life. At least, that's the plan until the trouble turns to real danger.

Summary of Things We Never Got Over Alexander Cooper, 2022-07-22 Things We Never Got Over - A Comprehensive Summary The grumpy guy who can't stop thinking about a lady whose life was turned upside down when her twin sister stole her money and vehicle and discovered she had an eleven-year-old niece! For Naomi Witt, a lot is going on. This novel had all I could desire, from Knox's grumpiness to Naomi's attempts to make sense of the swirling chaos that has become her life, and love found a way in the midst of it all, and there were some other poignant and amusing moments as well! Naomi had just emerged from a major disaster. Still, just when she thought things couldn't worsen, her twin sister Tina took all Naomi's belongings and abandoned her to care for her niece, Waylay, whom she had no idea existed. Add in Knox, who appeared to irritate Naomi psychologically and physically *wink, wink*. From the way she held herself to low-key checking her Facebook to see everything about her, Knox appeared frustrated but attracted by Naomi, having some spicy dreams about her that had him wanting her in ways he'd never felt before. Not to add Knox telling Naomi to her face that she wasn't his type. As a result, you can only imagine how enjoyable and exciting it was to see the tension between Naomi and Knox develop. I enjoyed seeing Naomi adjust to the new changes in her life, such as attempting to care for Waylay and be the best guardian she could be, mainly because Tina (Waylay's mother) never cared for her and treated her horribly. Knox, Nash, Liza J, Naomi's parents, and the whole village of Knockemout were all concerned about Waylay. It was nice to watch how those folks rallied around Waylay and showed her love and support. Plus, you could see that Waylay valued having that feeling of actual family around her, especially because she had never experienced it before. At first, Naomi tried to find ways to connect with Waylay and give her all of the things she needed. Fortunately, Knox, the grouchy resident, went out of his way to assist Naomi with Waylay. Cose che non abbiamo mai superato. Things we never got over Lucy Score, 2022-09-06 Naomi farebbe qualunque cosa pur di non pensare ossessivamente al fallimento del suo matrimonio. E così, quando la sorella le chiede di raggiungerla dall'altra parte del Paese, coglie al volo l'occasione e parte. Il problema è che Tina è sempre stata una ragazza particolare... e negli anni non è cambiata di una virgola. Infatti, non solo lascia Naomi al verde, ma le soffia anche la macchina, incastrandola in compagnia di un'adorabile... undicenne: la nipote che Naomi non sospettava di avere! Ben presto Naomi si rende conto di essere precipitata in un incubo: è bloccata senza possibilità di fuga in una cittadina sperduta di un non ben precisato angolo della Virginia, dove le questioni vengono risolte a suon di pugni. In una parola: l'inferno in terra. Ma c'è

invece chi, al contrario di lei, considera quel luogo un vero e proprio paradiso. Knox ama trascorrere le giornate allo stesso modo in cui gusta ogni mattina il caffè: in completa solitudine. Grazie a un look da cattivo ragazzo, il fisico scolpito e un'impressionante collezione di forbici e rasoi – strumenti, in verità, necessari alla sua professione di barbiere – l'impresa di tenere le persone a distanza non è mai stata troppo ardua... almeno fino all'arrivo in città di un terremoto chiamato Naomi. Things We Never Got Over (A Concise and Precise Summary) Lucy Score, Lily Scrutz, 2023-03-28 Knox isn't interested in any kind of drama, even if it involves a lost runaway bride. It wasn't just the wedding that Naomi wanted to avoid. She was on her way to Knockemout, Virginia, to save her long-lost brother in a town where people settled their differences the old-fashioned way: with fists and beer. This is the typical sequence. Naomi is unlucky because her twin, the evil one, hasn't changed at all. Tina takes Naomi's car and money, but she also leaves her with a surprise. She is Naomi's long-lost niece. Now she has an eleven-year-old who acts thirty to care for, no car, no job, no plan, and nowhere to call home. Knox avoids complicated situations and women who require a lot of his time and attention for good reason. However, the least he can do now that he witnessed Naomi's life implode in front of his eyes is to assist her in getting out of this pickle. He can finally return to his quiet, isolated existence as soon as she stops making trouble for herself. That is, at least, the intention until actual danger emerges.

Little Sister Isabel Ashdown, 2019-04-30 No one knows you better than a sister—your dreams, your fears, your mistakes, and all your secrets. It was just that way when Jess and her older sister, Emily, were children. Born barely a year apart, they were deeply entwined, complementing each other in their differences. When Jess felt awkward and shy, Emily, the consummate big sister, was happy to take the lead. After a long estrangement, they've become close again. Jess moves into

the comfortable Isle of Wight home Emily shares with her husband, step-daughter, and toddler. Any misgivings about the past are swept away and forgotten. And then, on New Year's Eve, little Daisy disappears while in Jess's care. Jess is in shock, unable to remember what happened. Emily, traumatized, watches helplessly as her life unravels. But as the search intensifies and the police detective's questions grow more pointed, a different picture emerges. Behind the image of a seemingly happy family—Daisy's doting teenage sister, Chloe, loving father and husband, James, and siblings Emily and Jess—there are devastating deceptions and long-ago choices that can never be undone. And underlying everything is the story of what really happened to drive Emily and Jess apart years ago. Unfolding through shifting perspectives, *Little Sister* is a brilliantly plotted, dark, and constantly surprising tale of love, rivalry, and broken loyalty that reveals how far one sister might go to protect—or destroy—another . . .

After the end of Civil War in 1865, more than four million slaves were set free. There were several efforts to record the remembrances of the former slaves. The Federal Writers' Project was one such project by the United States federal government to support writers during the Great Depression by asking them to interview and record the myriad stories and experiences of slavery of former slaves. The resulting collection preserved hundreds of life stories from 17 U.S. states that would otherwise have been lost in din of modernity and America's eagerness to deliberately forget the blot on its recent past. I Wasn't Always A Christian Johnene Gillespie, 2021-08-03 The reason for this book is to help people who can't help themselves. Without God in their lives, nothing can be done. We have to let his will be done in our lives. And we have to have faith and trust. God doesn't listen to lip service; he listens to our hearts. You have to know God and how he works. He works in a way that can't be explained. He is a wonder; he is awesome, the great I Am. You will probably never be able to explain God, so just have faith in him. Don't trust man. Trust God. One thing about God is, he makes no mistakes, so if you're reading this book, it wasn't a mistake-it was meant to be written.
