Serge Panine — Complete Georges Ohnet,2019-12-11 In 'Serge Panine 'Â Complete,' Georges Ohnet crafts a compelling narrative that intricately explores themes of love, ambition, and social class within the backdrop of 19th-century French

society. Ohnet's literary style is characterized by a rich, descriptive prose that vividly portrays the emotional complexities of his characters, leading readers through a labyrinth of personal and social dilemmas. This novel is heavily infused with the naturalistic influences of its time, as it delves into the psychological motivations of its protagonist, Serge, a man torn between passion and moral responsibility, ultimately exemplifying the tensions of a rapidly changing modern world. Georges Ohnet, a prominent figure in the French literary scene, gained significant acclaim during the latter part of the 19th century. His background in law and journalism provided him with a unique perspective on societal issues, which he deftly wove into his narratives. Ohnet's experiences and observations of the bourgeois class and its moral complexities fuel the narrative of 'Serge Panine,' allowing for a profound commentary on human nature and societal constraints. I highly recommend 'Serge Panine' to any reader interested in classic literature that explores deep social issues with remarkable character depth. Ohnet's ability to portray the intricate dance between desire and duty in a richly painted historical context offers an engaging reading experience that resonates with contemporary themes of personal struggle and societal expectation.

Pygmalion Shaw G., Пигмалион – одно из величайших произведений Джорджа Бернарда Шоу. Это история простой цветочницы Элизы Дулиттл, которая решила стать настоящей леди, обратившись за помощью к вздорному и высокомерному профессору лингвистики. Тот берётся научить Элизу правильному произношению и избавиться от её кокни-акцента. Остроумная комедия показывает искусственность различия социальных классов и обнаруживает, что говорить, как леди – не то же самое, что быть ею. Читайте зарубежную литературу в оригинале!

You Like Me, Not My Daughter?! (Manga) Vol. 3 Kota Nozomi, Tesshin Azuma, 2023-06-06 It's no secret that Ayako believes she's too old to entertain the advances of her college-age neighbor, Takumi. After all, she's spending the day at an amusement park with a man more than ten years her junior! Park Rose Tiffany Dulaney, 2020-11-15 Park Rose is a story based on actual events that occurred in my life growing up. I titled the book Park Rose because Park Rose was a street I lived on in Duarte, California, a very nice, quiet neighborhood in

the Monrovia area. Our house wasn't right in the middle of the neighborhood, but I'm sure all the screams and sounds coming from that house made it the center of the neighborhood attention. I will never forget the things that occurred on Park Rose and in my life thereafter. God has brought me a might long way. Without God, I know I would not be here being able to share my testimony with you all. I also wanted to make awareness to mental illness. Enduring through years of abuse, my mother was not able to care for us appropriately anymore. She is not able to care for herself today. Abuse doesn't just end when the abuse stops; it continues for years without the proper help.

Business Casual B.K. Borison, 2024-07-16 Two opposites decide to test their chemistry with one steamy night together. But will once be enough? Nova Porter isn't looking for love, and she certainly has no explanation for her attraction to buttoned-up, three-piece-suit-wearing investment banker Charlie Milford. Maybe it's his charm? Or maybe it's his determination to help her fledgling business however he can. Either way, she's distracted every time he's around. With her new tattoo studio set to open in her hometown of Inglewild, she doesn't have time for frivolous flirtations. In an effort to get Charlie out of her system once and for all, Nova offers a proposition. One night. No strings. They'll kick their uncomfortable attraction to the curb and return to their respective responsibilities. But their explosive night together scatters their expectations like fallen leaves. And with Charlie in town as the temporary head of Lovelight Farms, Nova can't quite avoid him. And Charlie? Well, Charlie knows a good investment when he sees one. He's hoping he can convince Nova he's worth some of her time.

All the Rage Courtney Summers, 2015-04-14 Classic Courtney Summers with a brand new look and exclusive bonus material! This ebook edition of All the Rage includes a discussion guide. The sheriff's son, Kellan Turner, is not the golden boy everyone thinks he is, and Romy Grey knows that for a fact. Because no one wants to believe a girl from the wrong side of town, the truth about him has cost her everything. Branded a liar and bullied relentlessly, Romy's only refuge is the diner she works at outside of town, where she can finally be anonymous. But when a girl with ties to both Romy and Kellan goes missing after a party, Romy must decide whether she wants to fight or carry the burden of knowing more girls could get hurt if she doesn't speak up. Nobody believed her the first time and they certainly won't now — but the cost of her silence might be more than she can bear. Also available from Courtney Summers: I'M THE GIRL, the new brutally captivating (Publishers Weekly, starred review) queer thriller based loosely on The Epstein case.

Pygmalion George Bernard Shaw, 2022-09-27 One of George Bernard Shaw's best-known plays, Pygmalion is based on ancient Greek mythology. Pygmalion fell in love with one of his sculptures, which then came to life. The general idea of that myth was a popular subject for Victorian era British playwrights. Shaw's updated and revised version of this ancient Greek legend was first presented in England in 1914. Poking fun of the antiquated British class system, it introduces Henry Higgins, a professor of speech and phonetics who takes on a bet that he can transform a bedraggled, cockney flower seller, Eliza

Doolittle, into a refined young lady simply by polishing her manners and changing the way she speaks. Their dynamic personalities clash, and the play follows their antics as Higgins imparts his knowledge to a stubborn Eliza, who's happy to learn but reluctant to leave her old ways behind. In the process of convincing society that his creation is a mysterious royal figure, a duchess, Professor Higgins falls in love with his elegant handiwork. Shaw's clever adaptation was a rousing success. His irresistible theme together with brilliant dialogue made *Pygmalion* one of the most popular comedies in the English language. It was presented on the London and New York stages, and as an entertaining motion picture in its musical version, *My Fair Lady*. Shaw's most well-known play, and the humorous and fascinating relationship dynamics at play, make it a timeless classic that will inspire generations to come.

Dorahy, Ingo Schäfer, 2018-11-13 An invaluable sourcebook on the complex relationship between psychosis, trauma, and dissociation, thoroughly revised and updated. This revised and updated second edition of *Psychosis, Trauma and Dissociation* offers an important resource that takes a wide-ranging and in-depth look at the multifaceted relationship between trauma, dissociation and psychosis. The result documents the impressive gains made over the past ten years in understanding multiple aspects of the interface between trauma, dissociation and psychosis. The empirical section of the text compares and contrasts psychotic and dissociative disorders from a wide range of perspectives, including phenomenology, childhood trauma, and memory and cognitive disturbances, whilst the clinical section focuses on the assessment, differential diagnosis and treatment of these disorders, along with proposals for new and novel hybrid disorders. This important resource:

- Offers extensive updated coverage of the field, from all relevant perspectives
- Brings together in one text contributions from scholars and clinicians working in diverse geographical and theoretical areas
- Helps define and bring cohesion to this new and important field
- Features nine new chapters on: conceptions of trauma, dissociation and psychosis, PTSD with psychotic features, delusions and memory, trauma treatment of psychotic symptoms, and differences between the diagnostic groups on hypnotizability, memory disturbances, brain imaging, auditory verbal hallucinations and psychological testing
