Make Your Life Worthwhile Emmet Fox,1946 Here are brief, pointed, practical instructions in successful living to help achieve real health, happiness, prosperity, greater security, and peace of mind. This is a lifetime plan for tapping into the great spiritual truths that underlie everyday existence and applying them to: Reach through to true spiritual Power • Use your own inner resources more fully • Overcome difficulties • Become a dynamic person • Achieve what you really desire • Pray unselfishly • Get results with positive thinking • Make the most of the present moment • Enhance spiritual growth and material well-being • Build confidence in yourself • Understand your unique role in God's unfolding purpose • and much more.

The Passage Bobby L. Scurlock,2002 Dr. Bob Scurlock's father shared something with him that all of us wonder about. He told him death is not the end. From his father's near death experience (NDE) and his mother's out of body experience (OBE), on to more than 35 personal NDE accounts, *The Passage, from Death to Life*, gives every reader hope that there is something to look forward to after death. Common phenomena experienced by countless others describing the light, the tunnel, voices, or the presence of deceased, are shared as common threads supporting what Dr. Raymond Moody, expert on

NDEs, outlines as the nine elements that generally occur during the experience. In addition to these real-life, near-death accounts, Scurlock sheds his own light on these phenomena, from his personal experiences including his own encounter with God at fifteen, as well as in grounded, theoretical explanations revealed by some of the most respected NDE researchers, physicists and mathematicians in the country. Not meant to put forth a theological thesis concerning religious dogma, or to debate one religion's belief with another on attaining immortality, *The Passage* seeks to set forth the facts on what constitutes a Near Death Experience. For many, who have shared their stories and who read the book, *The Passage* provides hope and anticipation of a life after death.

The Seven T's Judy Collins, 2007-05-31 Beloved singer-songwriter Judy Collins draws on her personal experience with her son's suicide to guide readers through grieving the loss of a loved one who has died under tragic circumstances. The death of a loved one is always painful and the grieving process complex and profound. Yet when the loss occurs under tragic circumstances, there is a whole other set of emotional variables that the people left behind must face. Questions abound, such as Could I have stopped this? Feelings of guilt, shame, and even anger combine with the overwhelming sadness of losing someone who was dearly loved. Drawing on her own experience of losing her son to suicide, as well as her conversations with hundreds of people who have grieved the tragic death of a friend or family member, revered singer-songwriter Judy Collins has culled together seven powerful steps toward healing. The Seven T's are: TRUTH: Tell it. Regardless of how terrible the facts may be and how hard it is to talk about, don't hide the truth about how you lost the person you loved. TRUST: Allow it. Don't let the painful circumstances surrounding the death of your loved one prevent you from talking with friends about your loss. THERAPY: Get it. Seek help-whether through traditional talk therapy, your art, meditation, or whatever method you choose-but get the help you need. TREASURE: Hold on. Don't stop treasuring your loved one. Don't let the horrible events leading to his or her death wash away all of the things that were good and beautiful about that person's life. THRIVE: Keep living with your eyes wide open. Don't give in to the temptation to use alcohol or any other addiction to blunt or blur your sadness. TREAT: Be kind to yourself. Give yourself the gift of self-nourishment. TRIUMPH: You must. Live a life of joy, abundance, and forgiveness. From a woman famous for her wisdom and compassion, *The Seven T's* is destined to become a classic on the subject of grieving and loss.

Recovery from Anger Addiction Verryl V. Fosnight, 2016-03-29 This Book Presents a Paradigm Shift About Toxic Anger: Anger Is An Addiction Using the wisdoms of John Bradshaw, Pia Mellody, Claudia Black, Alice Miller, and many other recovery giants, Verryl grew to understand himself in the context of his past traumas. He was finally able to apply all the theories of these authors to heal his anger and rage. This expansion of theory to the emotion of toxic anger results in a revolutionary new concept of anger as an addiction. This paradigm shift empowers a person to recover from rage as an ill person seeking to be well, as opposed to a bad person trying to act better. Telling yourself you are a bad person is a self-

defeating message to your inner self, but an ill person can get well. He presents this new, simple, and enlightened treatment for anger in easy to follow language. Ultimately these conclusions are illustrated as a set of simple diagrams that outline the full path of anger's development starting from the core emotion of pain from early losses through raging behavior that is life damaging. Using the revolutionary model of anger as an addiction, he demonstrates that anger can be healed. There is no need to rationally manage toxic anger (while remaining a bad person). Toxic anger practically evaporates as an emotional impulse as the underlying pain is resolved in the good, but ill person. Included: Research survey paper on Anger Management classes by Desiree Harris, M. C.

The Golden Key Emmet Fox, 1931-01-06 Scientific Prayer will enable you, sooner or later, to get yourself, or anyone else, out of any difficulty on the face of the earth. It is the Golden Key to harmony and happiness. To those who have no acquaintance with the mightiest power in existence, this may appear to be a rash claim, but it needs only a fair trial to prove that, without a shadow of doubt, it is a just one. You need to take no one's word for it, and you should not. Simply try it for yourself, and see.

TRANSFORMATION Stan Rynott M.A. LSCW COG, 2024-06-04 This book is for people like me who were or are as lost or complacent as I was when I quit college, my family and Church to get a job and get married to my future ex-wife. Pastor Craig Groeschel "In order to grow in our Faith we must stand out in the right way for the right reasons to Change the direction in our lives." Pastor Scott Adams. "Jesus doesn't call the qualified, he qualifies the called." This book is a historical and theological synopsis in a confluence of the Old and New Testaments as a consistent and reliable Testimony of God's plan

and purpose for we his beloved children. It is seasoned with Christian music video suggestions that will enhance your reading experience in the spirit of the music, scripture and the text...in Your Servant Heart. This book is about TRANSFORMATION. On the road to Damascus, the tyrant Pharisee Saul (see Acts 9) received a sudden and dramatic ego busting invitation from Jesus. Hate filled Saul morphed into Paul, the Apostle of love who wrote 13 of the 21 epistles (letters) of the New Testament. Transformation is more gradual and pleasant for us.. a consequential Gift of Amazing Grace from God. Thank you, Jesus! It was for us that he suffered and died on the cross: An ending and a new beginning when he breathed out his last breath - "Tetelestai" It is finished. Satan thought he had won the battle, but we are the victors under God and walking with Jesus Christ. From Jesus' sacrificial Love, we have spiritual awakening and new life as new creations; divinely appointed and anointed heirs to the Kingdom of Heaven,

You're the Best Frank Nicoletti,2001-01-11 Author and lecturer, Joseph Campbell once told his students at Sarah Lawrence College, If you really want to help this world, what you'll have to teach is how to live in it. This book does exactly that! YOU'RE THE BEST inspires and challenges you to live your life fully, to awaken your true potential, inner wisdom and the unlimited power which lies deep within you and is waiting to be revealed. Too many of us live life in the fast lane, taking our lives for granted, neglecting our health, trying to control everyone and everything and getting caught up in trivial pursuits. YOU'RE THE BEST teaches us to look at life's bigger picture, to live in the moment, cherish our uniqueness, learn from our struggles, be less judgmental, recognize the good in every situation and build on all successes.

Living Parables Mark G. Boyer,Corbin S. Cole,2020-12-04 Living Parables: Today's Versions presents parables in updated

language and images. Biblical parables are culture-bound; they are embedded in images that were well-known to a Jewish culture. Jesus was a first-century, Jewish, Galilean peasant, and his concerns, speech, and idioms belong to that culture. His milieu is far removed from ours today. The images found in parables carried meaning that is lost on modern audiences. A simple example will suffice. In the Jewish world of the first century, leaven was considered to be corrupt because people did not understand how bacteria worked. On the most important day of the year—Passover—bread had to be unleavened, uncorrupted. Today, no one thinks of yeast in that way. If we want bread dough to rise, we need to leaven it. Therefore, what image might Jesus use today that carries some of the same cultural connotations that yeast or leaven carried in his world? Might he speak about Ebola virus or radioactivity? Those images carry the same negativity that yeast or leaven bore in his world. This book contains parables found in the New Testament in a form that Jesus might tell today.

Morning, Noon, and Night Judy Collins, 2005-06-23 Creativity is a voice that calls us from dreams, that peeks out the corners of our eyes when we think no one is looking, the longing that breaks our hearts even when we think we should be happiest and to which we cannot give a name. When I was young, I heard the voice, the ticking, had the dream, but I didn't know what it was and felt only the pain, the longing that the voice inside brought me. -Judy Collins *Morning, Noon, and Night* is an enthralling peek into the creative mind of a woman known for her songs, books, and paintings. Beloved singer and songwriter Judy Collins carefully describes her approach to the creative process and breaks down each day of that process into morning, noon, and night, giving readers insight into how to stay creative throughout the entire day. Charming anecdotes combined with practical instruction make this book a must-read for every artist in every creative discipline—from the experienced to the beginner—as well as for every Judy Collins fan!
