**The Letters of John McGahern** John McGahern, 2021-08-31 I am no good at letters. John McGahern, 1963 John McGahern is consistently hailed as one of the finest Irish writers since James Joyce and Samuel Beckett. This volume collects some of the witty, profound and unfailingly brilliant letters that he exchanged with family, friends and literary luminaries - such as Seamus Heaney, Colm Tóibín and Paul Muldoon - over the course of a well-travelled life. It is one of the major contributions to the study of Irish and British literature of the past thirty years, acting not just as a crucial insight into the life and works of a much-revered writer - but also a history of post-war Irish literature and its close ties to British and American literary life. 'One of the greatest writers of our era.' Hilary Mantel 'McGahern brings us that tonic gift of the best fiction, the sense of truth - the sense of transparency that permits us to see imaginary lives more clearly than we see our own.' John Updike

*American Silent Horror, Science Fiction and Fantasy Feature Films, 1913-1929* John T. Soister, Henry Nicolella, Steve Joyce, 2014-01-10 During the Silent Era, when most films dealt with dramatic or comedic takes on the boy meets girl, boy loses girl theme, other motion pictures dared to tackle such topics as rejuvenation, revivication, mesmerism, the supernatural and the grotesque. A Daughter of the Gods (1916), The Phantom of the Opera (1925), The Magician (1926) and Seven Footprints to Satan (1929) were among the unusual and startling films containing story elements that went far beyond the realm of highly unlikely. Using surviving documentation and their combined expertise, the authors catalog and discuss these departures from the norm in this encyclopedic guide to American horror, science fiction and fantasy in the years from 1913 through 1929.

An introduction analyzes the development of these films and their reflection of the changing culture that spawned them.

When You Come Home Robert E. Quirk,2007 The story of two Wayne State University students who were separated by World War II, told through the letters that they exchanged. Robert E. Quirk and his future wife, Marianne, were both Wayne

State University students when they met and fell in love in 1941, but they were quickly parted when Quirk was drafted. Decades after their marriage and the end of the war, Quirk shares the letters they exchanged during World War II. The letters in *When You Come Home* paint a vivid picture of the couple's growing personal relationship alongside the politics of wartime, both overseas and on the homefront. As Quirk writes of combat in France and details reactions abroad to the bombing of Pearl Harbor, Marianne describes the impact of these events back in Detroit. *When You Come Home* also reveals personal glimpses of life in the 1940s, as the two exchange everyday stories about their families and the cities they live in and visit, about their studies at Wayne State, and about their jobs. Quirk's letters are presented along with commentary about his experiences at the time, giving the letters additional context and meaning. This volume also includes a foreword by former Detroit Free Press publisher Neal Shine. For readers curious about day-to-day life during World War II, *When You Come Home* will be a fascinating and personal glimpse into the time period.
