The Hungover Games Sophie Heawood, 2020-07-07 This funny, dark, and true (Caitlin Moran) memoir is Bridget Jones's Diary for the Fleabag generation: What happens when you have an unplanned baby on your own in your mid-thirties before you've worked out how to look after yourself, let alone a child? This is the story of one woman's adventures in single motherhood. It's about what happens when Mr. Right isn't around so you have a baby with Mr. Wrong, a touring musician who tells you halfway through your pregnancy that he's met someone else, just after you've given up your LA life and moved back to England to attempt some kind of modern family life with him. So now you're six months along, sleeping on a friend's sofa in London, and waking up in the morning to a room full of taxidermied animals who seem to be staring at you. The Hungover Games about what it's like raising a baby on your own when you're more at home on the dance floor than in the kitchen. It's about how to invent the concept of the two-person family when you grew up in a traditional nuclear unit of four, and your kid's friends all have happily married parents too, and you are definitely not, in any way, ticking off the days until all those lovely couples get divorced. Unflinchingly honest, emotionally raw, and surprisingly sweet, The Hungover Games is the true story of what happens if you've been looking for love your whole life and finally find it where you least expect it.

It's Not Your Fault Laura K. Connell, 2023-09-12 A guide to help readers uncover the subconscious reasons they hold themselves back along with an exploration of the ways negative childhood experiences have impacted their lives and fed into the problem. We are sometimes our own worst enemies, sabotaging our success and with it our chance for lasting happiness and opportunities for personal and professional fulfillment. It's Not Your Fault helps readers uncover the subconscious reasons they hold themselves back. These blind spots were often created in childhood as coping mechanisms in response to trauma. Rather than teaching tactics that ignore or give surface attention to adverse childhood events, the book lovingly guides readers to explore the ways these events have impacted their lives and how this knowledge will help them access true transformation. Readers will be relieved to discover that it's not a lack of willpower that has held them back, but a lack of self-knowledge instead. Those who have been let down by traditional therapeutic techniques know that behavior modification doesn't work for everyone. Simply doing things differently while staying the same on the inside might help for the short term, but before long old patterns emerge. Once they decide to get serious about change, however, and stop tweaking habits in the hope it will result in lasting transformation, they can create a life by design instead of default. It takes work, an internal

excavation, and Laura comes alongside the reader as a trusted guide who has been where they are now. She provides the tools and anecdotal evidence to show them how to overcome the pain of self-sabotage and create the life they desire.

Star Sailors James McNaughton, 2017-10-01 In the not too distant future, the effects of climate change devastate the world and New Zealand becomes a haven for elites. When a young couple from the wrong side of the tracks gain entry into Wellington's most exclusive gated community, it appears their troubles are over. But they find themselves divided over the identity of Sam Starsailor, an alien prophet who has washed up on a beach near New Hokitika and is said to bring warnings from another planet. The couple's housewarming party becomes an all-night carnival, and revolution gathers beyond the gate.

Leave the Girls Behind Jacqueline Bublitz, 2024-10-29 The acclaimed author of the “tour de force” (The New York Times Book Review) *Before You Knew My Name* returns with a fresh suspense novel about a woman haunted by a serial killer and the ghosts he left behind. Ruth-Ann Baker is a college dropout, a bartender—and an amateur detective who just can’t stay away from true crime. Nineteen years ago, her childhood friend was murdered by suspected serial killer Ethan Oswald. Still tormented by the case, Ruth can’t help but think of the long-dead Oswald when another young girl goes missing from the same town. And when she uncovers startling new evidence that suggests Oswald did not act alone, she is determined to find his deadly partner in crime. Embarking on a global investigation, Ruth becomes close to three very different women—one of whom might just hold the key to what happened to the missing girl. And her childhood friend, all those years ago. From an author who “pushes the boundaries of crime fiction in all the right ways” (Alex Finlay, author of *The Night Shift*), *Leave the Girls Behind* is another spine-chilling thriller that will linger long after you finish the last page.

Don't Stick Your Dick in a Blender Jonathan Roseland, 2020-09-21 Women are dangerous. Good, yet naive, men routinely wreck their lives because they “stick their dick in a blender” — having sex with the wrong kinds of women. STDs, unplanned pregnancies, false accusations, mental health headcases, and divorce make chasing skirts a dangerous game. While lesser men retreat from the pursuit of women into the pixel-powered pleasure world, you have faith that your hunt for a virtuous woman will be fruitful. You can’t take a time-machine back to a more decent age to find a marriageable woman. You’re not ready to give up on your genetic purpose and start banging sex robots, but you’re tired of the transient, meaningless flings with mediocre women. You’re likely underestimating just how risky sex, a relationship, or marriage is with the modern woman. But you’re also underestimating just how rewarding it is to win the commitment of “a nice girl” — a truly feminine woman, not at war with the natural order — and intertwine your essence with hers. *Don't Stick Your Dick in a Blender* is an irreverent, politically incorrect exposition of the state of dating in the current year. And a playbook of counter-intuitive approaches, advanced social dynamics lifehacks, along with filtering strategies for avoiding the time-wasters and inglorious skanks. How to meet a nice girl... Meeting a wife-material woman - Yes, it’s still possible! Dating post-COVID-19 - The global

pandemic/plandemic has changed the game, you must adapt. The truth about marrying an exotic foreign woman - Is it for you? Online dating - Navigating the digital minefield of fakers, flakes, liars, and scams. Mindset demystified - Deprogramming the mainstream (and counter-culture) mindsets that cost you love. Dating abroad - How to do it without getting royally screwed. Avoiding the friend zone - Advanced persuasion and sexual signaling methods. Seducing a virgin - Why this really matters and how to do it... Eliciting yielding Yin energy - Inspiring a woman to adopt your values. Cultivating her devotion - Get laid like a “lover” and get respect like a patriarchal provider. Tantric “sex hacks” - Up your bedroom skills with an arsenal of holistic biohacks (both ancient and cutting-edge) for life-changing sex. Losing your virginity - Perhaps you’re a frustrated virgin or “Incel” disappointed with all the crappy advice about how to lose your virginity. 33 steps are broken down for meaningfully losing your virginity. And in these pages, you’ll get the “red pills” on dating, sex, and the fairer sex without the hopelessness and cynicism. You’ll learn about the four red flags of a “blender” — deal-breakers that should make you back away slowly from a woman. You’ll learn what qualifies as a virtuous woman who you might have a future with. And, why there’s a lot of reasons to be optimistic about finding love and even getting married one day. This book is also a story of hope and redemption, the memoir of a reformed pickup artist who “enjoyed the decline” all the way from America and Colombia to Ukraine and found edifying joy and meaning between the voluptuous thighs of a beautiful Bulgarian woman on the edge of Europe.

For fans of Ruth Ware (*The Woman in Cabin 10*) and Liane Moriarty (*Big Little Lies*). They share an unbreakable bond... An inescapable bond. As identical twins, Haylee and Kaylee Fitzgerald have always done things in exactly the same way. Under their mother’s guidance their every outfit, every meal, and every thought was identical. But now things are different. With Kaylee back at home after her sister's betrayal, her life has been turned inside out. Both her mother and Haylee are away and Kaylee’s alone and more lost than ever. Marilyn Monroe: The Last Interview Sady Doyle, 2020-10-06 I'm so many people. They shock me sometimes. I wish I was just me! --Marilyn Monroe Nearly sixty years after her death, Marilyn Monroe remains an icon whom everyone loves but no one really knows. The conversations gathered here--spanning her emergence on the Hollywood scene to just days before her death at age 36--show Monroe at her sharpest and most insightful on the thorny topics of ambition, fame, femininity, desire, and more. Together with an introduction by Sady Doyle, these pieces reveal yet another Marilyn: not the tragic heroine she's become in the popular imagination, but a righteously and justifiably angry figure breaking free of the limitations the world forced on her.

The Fallout Tamar Cohen, 2016-05-31 When close friends split, take care whose side you're on... Dan and Sasha are Josh and Hannah's closest friends, and lately they all seem to spend more time with each other than they do apart. But cozy weekends together quickly dissolve into a bitter game of tug-of-war when Dan utters three treacherous little words: I'm leaving her. Dan fully expects Josh to defend his choices—and that includes welcoming the sexy young model he's suddenly dating. Meanwhile, Dan's soon-to-be-ex-wife Sasha is devastated—dangerously so—by his betrayal, and she leans heavily on Hannah for support. Though Josh and Hannah try desperately to avoid the fallout of their friends' battle, they're quickly engulfed by the poisonous fog of attack lawyers, ugly accusations and untimely revelations. Soon they're suffocating in Dan and Sasha's secrets...and their own. Darkly witty and utterly chilling, *The Fallout* exposes the volatile nature of divorce—and the new lovers, obsessions and broken relationships that are left in its wake. Previously Published as *The Broken* in the UK.
