Heaven Sent Claire Broad, 2023-09-26 Most people understand Mediumship as the practice of passing on information from deceased loved ones who bring a message that they live on. However, there is so much more to spirit communication. Claire Broad, accredited medium and spiritual teacher explains how, as a conduit between two worlds, she is uniquely placed to receive and communicate wisdom about our soul's journey from the deceased and her guides. After experiencing her own profound soul connection and receiving coaching from her team of spirit guides, Claire has been asked by the spirit world to write on their behalf, about the soul and unconditional love. From soul families, to soulmates and twin flames, there are many expressions of soul connections, each one perfectly designed to lead us back to pure unconditional love and our soul within. Even the most difficult and painful relationships serve a higher spiritual purpose, teaching us to live fearlessly, love without condition, have compassion for all souls on Earth, as well as enjoy a life of greater joy, purpose and meaning. Lessons from the afterlife prepare us for our own inevitable physical death and the soul's journey back to the spirit world. When we are ready to see the truth of the soul, we can learn the value in every relationship including the most important of all, the one we hold with ourselves. We can discover we are enough, we are never alone, nor can we be separated from those we love even

after death. We are all connected in this world and the next.

The Unmistakable Touch of Grace Cheryl Richardson, 2005-02-07 Every event we experience and every person we meet has intentionally been put in our path to help us lead more conscious and fulfilled lives, says Cheryl Richardson, the New York Times bestselling author of *Take Time for Your Life*, *Life Makeovers*, and *Stand Up for Your Life*. In her new book - her most personal work to date -- she'll show you that, once you learn to view your life from this perspective, the person who smiles at you while you're walking down the street is no longer a stranger, the phone call from an old friend who crossed your mind the day before is no longer a surprise, and the failed relationship that left you brokenhearted is no longer a source of bitterness and pain. Instead, these experiences -- examples of what Richardson calls the unmistakable touch of grace -- are seen as blessings in disguise, gifts that make you stronger, more conscious, and, ultimately, more alive. To read this beautiful, intimate, and profoundly inspiring book is like having a conversation with Richardson herself. Filled with illuminating stories, provocative experiments, and striking examples of how grace has influenced her own life, Richardson will help you recognize that your life is being influenced, too, in ways you may never have imagined. *The Unmistakable Touch of Grace* helps you to see the hidden miracles that occur every day -- and gives you the courage to use them to make your life more meaningful, magical, hopeful, and complete.

Happily Ever After ... Right Now Luann Robinson Hull, 2020-08-18 What instinctive tendencies etched into our subconscious minds drive us to behave in ways that cause us pain and suffering? How can we transcend those tendencies? Why do educated women repeatedly revert to outdated patterns of relating to men—even as ancient patriarchal systems (and the fairy tales perpetuating them) are clearly crumbling? Through the author's ongoing quest to delve into wide-ranging explorations of body, mind, and spirit—discovering along the way that many theories, practices, and neuroscience itself have been evolving in fascinating ways, these concepts and their constant interplay offer the clues that ultimately answer these questions. Carefully researched, *Happily Ever After... Right Now* uniquely combines spiritual, scientific, and practical information for charting a new course towards confidence, empowerment, self-love, and joy. Written with spirit and spunk Luann Robinson Hull interweaves her personal stories while providing a three-part-framework of education, awareness, and transformation for how to live a happy life today, not someday in the future. *Happily Ever After ... Right Now* guides us to explore our thoughts and behaviors with soulful inquiries, meditations, and exploratory exercises in each chapter, and reveals the source of relationship challenges by showing step-by-step how to unravel the patterns, habits, and cycles that have kept us from living our best life, whether or not we are in a committed relationship. Now ask yourself, are you ready to

put fairy tales behind you and unleash your potential to thrive across all areas of your life as the person you have always desired to be? Then let's get started! Editorial Review This book of Luann Robinson Hull's is a stunning hit between the eyes. She has complete command of her subject matter, expertly navigating us through waters we probably didn't even know were treacherous. Not once does she lose sight of her destiny using feminine power and finesse to enlighten us of this mysterious abyss called relationship. Though her target audience may appear to be women, Happily Ever After...Right Now provided me with insight and clarity into something I gave up trying to comprehend long ago. She reminded me not only of what I seek in a partner but helped me set off on the journey of reclaiming the man I have always wanted to be. —Branden Blinn, The Branden Blinn Media Group

Spirituality Beyond Science and Religion William Pillow, Jack McMahan, 2012-05 Spirituality means something different to everyone. Some may believe it involves participating in organized religion. Others may prefer it to be more personal, like getting in touch with one's inner self through yoga, meditation, quiet reflection, or even long walks. A few may find that it lies in finding a new sense of purpose for their lives. Spirituality Beyond Science and Religion addresses all of these, and more, through a new paradigm about life and death. It lifts readers above their daily press for competitive survival and success, by going to the heart of all spirituality. The book disputes traditional science's claim that physical matter is the only reality. It also helps explain enigmas that have confronted orthodox religion for centuries. To do so, this book correlates published research from nearly one hundred and fifty authors and professionals in medicine, neuroscience, psychology, theology, history, and metaphysics. It explores new insights being revealed through thousands of subjective experiences around the world—all of them beyond the ability of science or religion to explain. The book therefore not only offers reassurance that death is not final but it also discloses profound implications for how we live our lives on earth.

Spirituality and Alternativity in Contemporary Japan Ioannis Gaitanidis, 2022-10-20 This book critically analyses the creation and effects of spirituality as both discourse and practice in Japan. It shows how the value of spirituality has been sustained by scholars who have wished for a more civic role for religion; by the publishing industry whose exponential growth in the 1980s fashioned those who later identified as the representatives of this “new spirituality culture”; by “spiritual therapists” who have sought to eke out a livelihood in an increasingly professionalized and regulated therapeutic field; and by the cruel optimism of an increasingly precarious workforce placing its hopes in the imagined alternative that the supirichuaru represents. Ioannis Gaitanidis offers a new transdisciplinary conceptualisation of 'alternativity' that can be applied across and beyond the disciplines of religious studies, media studies, popular culture studies and the

anthropology/sociology of medicine.

The Covenant: A Reincarnational Memoir Annie Weber, 2013-06-21 A tale of nine love stories--spanning 1100 years and stretching from the canyons and mesas of prehistoric North America to the snowy peaks of the Himalayas, from the Serengeti plains of Africa to the inner confines of a sultan's harem, from the Adirondack lakes of the British colonies to the law courts of Victorian London, and finally to the hospital halls of Ohio. What weaves these tales together is something stronger than death and lasting longer than time as we know it. Beyond the sweeping romance and soul-baring emotional intrigue, Weber delivers nine well-researched historical studies of what it was like to live in those widely varying cultures during vastly different times...and what can happen when you continue to open your heart to love.

Adventures of a Soul: Anne Newgarden, 2022-08-01 How the Paranormal Became Her New Normal “. . . I don't normally talk about this to my clients. But I'll talk about it to you, because you're going to be writing about people who do what I do. And about what are called 'the invisible realms' . . .” Hearing those words during her first-ever psychic reading, Anne Newgarden had no idea how true they would one day prove to be. As a child, Anne had a deep “wonder-lust” about psychics, ESP, Ouija boards, séances, and all things metaphysical. Even as an adult, struggling to forge a career as a writer and endlessly searching for love, Anne maintained a keen curiosity about the paranormal. But it wasn't until later in life, after suffering through a painful breakup and the death of a friend, that Anne's wonder-lust fully ignited, and she embarked on a series of adventures, exploring the mystical and unexplained. In *Adventures of a Soul: Psychics, Mediums, the Mystical, and Me*, Anne takes readers along on a wild ride as she searches for the truth about psychics and mediums, reincarnation and soul mates, angels and spirit guides—and for true love. You'll get an inside view as she meets with top psychics for in-depth readings; witnesses a friend's struggle with newfound medium abilities; converses with the dead; discovers past lives; develops startling intuitive abilities; communicates with angels and spirit guides; and finds a soul mate who curls her toes and heals her heart. Honest, poignant, funny, and unique, *Adventures of a Soul* is part memoir, part self-help book, and part New Age guidebook. It is the inspiring story of one woman's mind-blowing adventures that radically transformed her worldview and her life. If you've ever been curious about the paranormal, wondered what a psychic or medium reading is really like, pondered life after death (or lives before this one), or felt there might be more to reality than what meets the eye, this book is for you. Reading it might just make the paranormal your new normal too!
