

The Air He Breathes

John Snow

The Air He Breathes Brittainy Cherry, 2024 Elizabeth is still reeling from the death of her husband that took place a year prior. She and her young daughter, Emma, took a year to stay with Elizabeth's mother. When the time has come, Elizabeth and Emma choose to return to their hometown of Meadows Creek, Wisconsin. On the drive back into town, Elizabeth accidentally hits a dog, and the owner grumpily dashes into the street and demands Elizabeth takes him and the dog to the vet. Tristan is the owner of the dog. He's cold and distant, but Elizabeth connects to him in some odd way, even if they didn't have the best first meetings. It is later discovered that Tristan Cole is Elizabeth's new neighbor, and he is tagged as the town's grumpy jerk who is closed-off to everyone around him, outside of Mr. Henson, Tristan's odd and quirky boss who owns the shop Needful Things. While Tristan tries his best to keep his distance from Elizabeth, their paths keep crossing in the small town. The townspeople warn Elizabeth to keep her distance from Tristan, as he's a bad seed, but she cannot help but feel drawn to his darkness. During one of their crossings, Tristan snaps at Elizabeth, telling her that he doesn't want to get to know her, or be her friend, even though she keeps insisting on that happening. He ends up kissing her, which throws them both for a loop, and after said kiss, he accidentally makes her fall down the hill they are standing on, making her get scrapped up and injured. During their next crossing, Tristan finds Elizabeth wandering drunk in the wooded area behind their homes, and he helps her to his house after realizing she's too wasted to be outside alone. They have a heart-to-heart and learn about one another's losses. It is after that connection that they come up with the bad idea to use one another to feel again. They began having a fling, using sex to feel connected to another, to make believe that their loved ones are still around, yet it goes sideways once Elizabeth's grief becomes too loud. It is at that point that Tristan decides that being friends with Elizabeth would be the right option instead of using sex to forget. While the two are building their friendship, and are falling more and more for one another, the best friend of Elizabeth's late husband, Tanner, makes it known that he has feelings for her. Elizabeth explains to Tanner that she cares for him, but not in that way. After Tanner takes the rejection, he is livid to find out that she is seeing the town's jerk, Tristan. Tanner threatens Tristan, and tries to trigger him from time to time, to make him snap in front of Elizabeth. After none of Tanner's tricks works, he goes the extra mile by notifying Elizabeth that it was her late husband who was in the car accident with Tristan's late wife and his son, which led to their deaths. Elizabeth doesn't handle this news well but keeps it to herself because she knows it will destroy Tristan. That was

when Tanner took the news and revealed it to Tristan, making Tristan harshly end things with Elizabeth. He leaves town and goes to see his parents, where he falls apart. It is then in those conversations that he learns the night of the accident, after Elizabeth loss her husband, she found Tristan's mom in the lobby of the hospital alone. Elizabeth comforted her, and then went and sat with Tristan's wife so she wouldn't be alone while Tristan's mom went to check on his son. The story concludes with Elizabeth learning that Tanner was the one who messed with her late husband's car, which in turn caused the accident. She learns how obsessed he had been with Elizabeth for years. Tanner caused the accident in order to get Elizabeth's husband out of the picture, so he could be the man in her life. Once Tristan connected those dots, he returned to town to protect Elizabeth and Emma from the craziness that was Tanner. After making sure everyone was safe, Tristan confesses his love for Elizabeth, who loves him fully back, and they begin to build a new life together, while still honoring their loved ones from the past. The Air He Breathes is a story of hope, of compassion, and the true meaning of love--

Now We Will Be Happy Amina Gautier,2014-07-10 Now We Will Be Happy is a prize-winning collection of stories about Afro-Puerto Ricans, U.S.-mainland-born Puerto Ricans, and displaced native Puerto Ricans who are living between spaces while attempting to navigate the unique culture that defines Puerto Rican identity. Amina Gautier's characters deal with the difficulties of bicultural identities in a world that wants them to choose only one. The characters in Now We Will Be Happy are as unpredictable as they are human. A teenage boy leaves home in search of the mother he hasn't seen since childhood; a granddaughter is sent across the ocean to broker peace between her relatives; a widow seeks to die by hurricane; a married woman takes a bathtub voyage with her lover; a proprietress who is the glue that binds her neighborhood cannot hold on to her own son; a displaced wife develops a strange addiction to candles. Crossing boundaries of comfort, culture, language, race, and tradition in unexpected ways, these characters struggle valiantly and doggedly to reconcile their fantasies of happiness with the realities of their existence.

A STUDY GUIDE FOR SAMATHA-VIPASSANA MEDITATION BASED ON THE FIVE MEDITATION TECHNIQUES

Phra Thepyanmongkold, The National Coordination Center of Provincial Meditation Institutes of Thailand was established with the commitment of Directors from 338 Meditation Centers (out of over 400) invited by the National Buddhism Organization to a conference at Wat Yannawa, Bangkok, April 23-25, B.E. 2551 (2008). There were five objectives. Three

were established at the conference and the last two were added later. 1. To support the Sangha Body's Provincial Meditation Centers to administer Buddhist Education effectively, 2. To cooperate with Provincial Meditation Centers to teach meditation at the same high standard for all people at all levels, 3. To assist Provincial Meditation Centers with academic scholarship. 4. To cooperate with the Chiefs of the Sangha Regions and Directors of the Provincial Meditation Centers to raise academic training techniques to the same high standard. 5. To support the Sangha in stabilizing, protecting and developing Buddhism under the rules of the Discipline, the Law and the Sangha Rules. The committee members agreed to publish A Study Guide for Samatha-Vipassanā Meditation based on the Five Meditation Techniques, as a book. Those five techniques are the Triple Gem Meditation (buddho), Mindfulness of Breathing (ānāpānasati), Rising-Falling (inflating-contracting), Mind (nāma) and Body (rūpa), and Dhammakaya Meditation (sammā arahang). The purposes for this publication were for disseminating the Right Dhamma Practice to the directors and meditation masters of Meditation Centers across Thailand and Buddhists worldwide who study and practice the Right Practice of Lord Buddha, and, most importantly, for all meditators independently practicing any one of these based on one's own temperament. The book has been translated by Phra Maha Natpakanan Gunanggaro, and edited by Phra Maha Wannapong Wannavanso, David Dale Holmes, Eunice E. Cerezo, Mr. Sakrapan Eamegdool, Mr. Watcharapol Daengsubha, and Ms. Jessica Dawn Ogden. Please address any questions or comments to www.dhammacenter.org. I would like to thank everyone for their strenuous efforts and to congratulate them on this successful contribution to the promulgation of the Dhamma. May these meritorious actions lead all to have prosperity of life and to achieve the Paths, Fruits and Nibbana. May Lord Buddha bless you all, as well as your meritorious work.

Founding a Science of the Spirit Rudolf Steiner, 2025-06-09 'Everyone can derive joy and hope from the communications of another, for what we are told about the higher worlds is not mere theory, unrelated to life. As its fruits, it brings us two things we must have if we are to lay hold of life in the right way – strength and security – and both are given in the highest measure.' – Rudolf Steiner Rudolf Steiner speaks with great clarity and precision on the fundamental nature of the human being in relation to the cosmos, the evolution of the Earth, the journey of the soul after death, reincarnation and karma, good and evil, and the modern path of meditative training. Throughout, his emphasis is on a scientific exposition of spiritual phenomena. As he says in the final lecture: 'the highest knowledge of mundane things is thoroughly compatible with the highest knowledge of spiritual truths'. This popular course of lectures offers a fine introduction to the whole of Steiner's teaching, and is an excellent complement to his fundamental texts. At the same time, it features valuable material that cannot be found elsewhere, such as two rare question-and-answer sessions, where the lecturer offers immediate and often surprising responses to audience members' queries. This new edition features an introduction by Brien Masters, notes and an index. Fourteen lectures, Stuttgart; Aug.–Sept. 1906, GA 95
