

The Cult The Family

Donatus Oluwa Chukwu

The Family Chris Johnston, Rosie Jones, 2016-11-24 The apocalyptic group The Family and their guru, Anne Hamilton-Byrne — one of very few female cult leaders in history — captured international headlines throughout the 1980s and 1990s. Hamilton-Byrne, who some followers believed was Jesus Christ, was glamorous and charismatic — and, many allege, very dangerous. From her base in a quiet suburb, she recruited wealthy professionals to join her cult, including doctors, lawyers, nurses, architects, and scientists. She acquired children and raised them as her own, bleaching their hair blonde to make them look like siblings, and her group became surrounded by rumours of LSD use, child abuse, and strange spiritual rituals. In 1987, police swooped on The Family's lakeside compound and rescued children who claimed they were part of Anne's future master race. The children recounted terrible stories of near starvation, emotional manipulation, and physical abuse. But Anne could not be found, sparking an international police hunt. Could they bring Anne to justice? How did such a notorious group come to flourish? How did Anne maintain a hold over her followers? Drawing on revelatory new research, including police files, diary entries, and interviews with survivors, *The Family* tells the strange and shocking story of one of the most bizarre cults in modern history.

The Family Chris Johnston, Rosie Jones, 2016-11-24 The apocalyptic group The Family and their guru, Anne Hamilton-Byrne -- one of very few female cult leaders in history -- captured international headlines throughout the 1980s and 1990s. Hamilton-Byrne, who some followers believed was Jesus Christ, was glamorous and charismatic -- and, many allege, very dangerous. From her base in a quiet suburb, she recruited wealthy professionals to join her cult, including doctors, lawyers, nurses, architects, and scientists. She acquired children and raised them as her own, bleaching their hair blonde to make them look like siblings, and her group became surrounded by rumours of LSD use, child abuse, and strange spiritual rituals. In 1987, police swooped on The Family's lakeside compound and rescued children who claimed they were part of Anne's future master race. The children recounted terrible stories of near starvation, emotional manipulation, and physical abuse. But Anne could not be found, sparking an international police hunt that involved Scotland Yard, Interpol, and the FBI. Could they bring Anne to justice? Today, the elderly Anne has an estate estimated to be worth millions, with only one minor criminal conviction to her name. Her few remaining followers attend her nursing-home bedside. How did such a notorious group come to flourish? How did Anne maintain a hold over her followers? And why was she never fully brought to justice?

Drawing on revelatory new research, including interviews with survivors, *The Family* tells for the first time in full the strange and shocking story of one of the most bizarre cults in modern history.

The Archive of the Wullu Family Katarzyna Grosz, 1988 Archive of the Wullu Family

The Family Helen Dendy Bosanquet, 1906

Family Secrets and Satanic Contract Maureen Nene Kemp, 2012-03-15 The Secret Family and Satanic Contract is an enthralling, heart rending, emotional and painful account, of a young woman's life, growing up in a family with very dark secrets. Her quest and struggles to survive. The story is remarkable, accounts of a life that was dedicated to Satan from birth and the insurmountable difficulties she had to overcome and how she overcame. It is a story of survival. The relentless determination to live and how her faith in Jesus Christ brought her through. She denounced her involvement in satanic worship, gave her life to Jesus Christ. She became alienated from the only family she knew. This young woman experienced to the fullest God's saving grace through Jesus Christ and lived to tell the story.

Augustus and the Family at the Birth of the Roman Empire Beth Severy, 2004-02-24 In this lively and detailed study, Beth Severy examines the relationship between the emergence of the Roman Empire and the status and role of this family in Roman society. The family is placed within the social and historical context of the transition from republic to empire, from Augustus' rise to sole power into the early reign of his successor Tiberius. *Augustus and the Family at the Birth of the Roman Empire* is an outstanding example of how, if we examine private issues such as those of family and gender, we gain a greater understanding of public concerns such as politics, religion and history. Discussing evidence from sculpture to cults and from monuments to military history, the book pursues the changing lines between public and private, family and state that gave shape to the Roman imperial system.

The Family Counselor Jerome H Blass, PhD, Jerome H. Blass, 2012-04 For years, clinical psychologist Dr. Jerome Blass practiced individual, family, and marital therapy, as well as educational psychology. He recorded his observations and insights into human behavior in his weekly newspaper column; now he shares his wisdom with the world. *The Family Counselor* is a compilation of more than eight hundred of Blass's columns published over a 21-year period in the *Jewish Standard*, a northern New Jersey weekly newspaper. Dr. Blass uses warmth and empathy to help readers understand and deal with common individual and family problems. He covers a wide range of topics, including child-rearing, family relationships, divorce, death, illness, habits and hang-ups, and social and educational problems. Dr. Blass explains the psychology behind why we think, feel, and behave the way we do, offering practical advice for dealing with a wide variety of life's problems and challenges. Whether you're struggling with disciplining your children, trying to find time for your spouse, or dealing with emotional turmoil, Dr. Blass advocates a rational and common sense approach, and will help guide you through life's obstacles, large and small.

The Iconography of Family Members in Egypt's Elite Tombs of the Old Kingdom Jing Wen, 2022-11-21 In *The Iconography of Family Members in Egypt's Elite Tombs of the Old Kingdom*, Jing Wen offers a comprehensive survey of how ancient Egyptians portrayed their family members in the reliefs of an elite tomb. Through the analysis of the depiction of family members, this book investigates familial relations, the funerary cult of the dead, ancestor worship, and relevant texts. It provides a new hypothesis and perspective that would update our understanding of the Egyptian funerary practice and familial ideology. The scenes of family members are not a record of family history but language games of the tomb owner that convey specific meaning to those who enter the chapel despite time and space.

The Intersection of Work and Family Life Nancy F. Cott, 2013-02-07 No detailed description available for *The Intersection of Work and Family Life*.

The Social History of the American Family Marilyn J. Coleman, Lawrence H. Ganong, 2014-09-02 The American family has come a long way from the days of the idealized family portrayed in iconic television shows of the 1950s and 1960s. The four volumes of *The Social History of the American Family* explore the vital role of the family as the fundamental social unit across the span of American history. Experiences of family life shape so much of an individual's development and identity, yet the patterns of family structure, family life, and family transition vary across time, space, and socioeconomic contexts. Both the definition of who or what counts as family and representations of the ideal family have changed over time. Available in both digital and print formats, this carefully balanced academic work chronicles the social, cultural, economic, and political aspects of American families from the colonial period to the present. Key themes include families and culture (including mass media), families and religion, families and the economy, families and social issues, families and social stratification and conflict, family structures (including marriage and divorce, gender roles, parenting and children, and mixed and non-modal family forms), and family law and policy. Features: Approximately 600 articles, richly illustrated with historical photographs and color photos in the digital edition, provide historical context for students. A collection of primary source documents demonstrate themes across time. The signed articles, with cross references and Further Readings, are accompanied by a Reader's Guide, Chronology of American Families, Resource Guide, Glossary, and thorough index. *The Social History of the American Family* is an ideal reference for students and researchers who want to explore political and social debates about the importance of the family and its evolving constructions. Key Themes: Families and Culture Families and Experts Families and Religion Families and Social Change Families and Social Issues/Problems/Crises Families and Social Media Families and Social Stratification/Social Class Families and Technology Families and the Economy Families in America Families in Mass Media Families, Family Life, Social Identities Family Advocates and Organizations Family Law and Family Policy Family Theories History of American Families

Differential Diagnosis and Treatment in Social Work Francis Joseph Turner, 1983

Spiritual Battery Candy Gwen Lopitz,2011-04 Since escaping the Watchtower twenty-five years ago, the author has sought to help others understand the underlying issues while seeking freedom from religious cults. Candy knows first-hand how cult indoctrination and abuses produce long-term effects in adherents.

Seeking Shelter on the Pacific Rim Gary Dymski,Dorene Isenberg,2002 This work analyzes the changes that financial globalization is bringing about in the housing and home-finance markets of the USA, Japan and South Korea, with special attention to the gender inequality.

The Assassination of Representative Leo J. Ryan and the Jonestown, Guyana Tragedy United States. Congress. House. Committee on Foreign Affairs. Staff Investigative Group,United States. Congress. House. Committee on Foreign Affairs,1979

Religions of the Ancient World Sarah Iles Johnston,2004-11-30 This groundbreaking, first basic reference work on ancient religious beliefs collects and organizes available information on ten ancient cultures and traditions, including Greece, Rome, and Mesopotamia, and offers an expansive, comparative perspective on each one.

Handbook of Marriage and the Family Marvin B. Sussman,Suzanne K. Steinmetz,Gary W. Peterson,2013-06-29 To know where we are going as scholars, educators, and practitioners in the field of marriage and family life, we first need to know where we have been. A perusal of early texts on marriage and family life provides some thought-provoking insights into the accuracy of the saying what goes around, comes around. It is interesting to note who has been considered to be in a position to provide information on marriage and family life. Included in the eclectic collection of texts we reviewed were ministers whose focus was on spirituality, doctors who emphasized medical aspects of child and adult health, and public health professionals and home economists concerned with fighting disease, who emphasized cleanliness, order, fighting germs, and eliminating rodents and insects. There are also philosophers who drew from ancient texts when discussing family life and a count who assembled a group of German intellectual elites to address various topics. An insightful essay of this type is by Marta Karlweis (1926), in which she notes: There is no other fetish that society holds to so firmly as the conception woman, with all its usual associations of infantilism and dependence The child requires protection, is a minor and consequently a serf, but above all it possesses no spiritual existence. Neither doctorates or other distinctions nor the right to vote have as yet been able to dispel this sweet idea of the childishness of woman. which man cherishes. (p.

The Church as the Extended Family of God Donatus Oluwa Chukwu,2011-01-27 As Christianity in Africa is witnessing an unprecedented growth in membership, the author argues that in order to sustain its momentous growth and deepen the faith particularly among Catholics, the Church needs to acculturate an African model that resonates with Africans' religiosity, cultural consciousness and worldview. The author contends that the model of the Church as the Extended family of God is best suited for an African ecclesiology and deepening the faith of African Christians.

Encyclopaedia of Religion and Ethics James Hastings,John Alexander Selbie,Louis Herbert Gray,1928

The Social Dynamics of Family Violence Angela J. Hattery, Earl Smith, 2019-09-10 The Social Dynamics of Family Violence explores family violence throughout the life course, from child abuse and neglect to intimate partner violence and elder abuse. Paying special attention to the social character and institutional causes of family violence, Hattery and Smith ask students to consider how social inequality, especially gender inequality, contributes to tensions and explosive tendencies in family settings. Students learn about individual preventative measures and are also invited to question the justice of our current social structure, with implications for social policy and reorganization. Hattery and Smith also examine violence against women globally and relate this to violence in the United States. Unique coverage of same-sex and multicultural couples, as well as of theory and methods, make this text an essential element of any course considering the sociology of family violence.

Encyclopædia of Religion and Ethics: Dravidians-Fichte James Hastings, John Alexander Selbie, Louis Herbert Gray, 1912 Scope: theology, philosophy, ethics of various religions and ethical systems and relevant portions of anthropology, mythology, folklore, biology, psychology, economics and sociology.
