An Emotion of Great Delight Tahereh Mafi, 2021-06-01 From bestselling and National Book Award-nominated author Tahereh Mafi comes a stunning novel about love and loneliness, navigating the hyphen of dual identity, and reclaiming your right to joy—even when you're trapped in the amber of sorrow. It's 2003, several months since the US officially declared war on Iraq, and the American political world has evolved. Tensions are high, hate crimes are on the rise, FBI agents are infiltrating local mosques, and the Muslim community is harassed and targeted more than ever. Shadi, who wears hijab, keeps her head down. She's too busy drowning in her own troubles to find the time to deal with bigots. Shadi is named for joy, but she's haunted by sorrow. Her brother is dead, her father is dying, her mother is falling apart, and her best friend has mysteriously dropped out of her life. And then, of course, there's the small matter of her heart— It's broken. Shadi tries to navigate her crumbling world by soldiering through, saying nothing. She devours her own pain, each day retreating farther and farther inside herself until finally, one day, everything changes. She explodes. *An Emotion of Great Delight* is a searing look into the world of a single Muslim family in the wake of 9/11. It's about a child of immigrants forging a blurry identity, falling in love, and finding hope—in the midst of a modern war.

12 Words Susan Dodson, 2019-08-14 Pain and loneliness can be overwhelming, causing us to respond in ways that distort our thinking, destroy our relationships, and drive us down paths of self-destruction. *12 Words* is a book about God's redeeming grace through faith in Jesus Christ. This book of devotions is inspired by God's un-surpassing power that overcame addiction, His unyielding love that conquered shame, and His unfailing promise that delivered purpose and peace. It emerged from a personal journey of finding God in the ordinary, everyday experiences of life. That same love and power are available to you! We all go through times of doubt, fear, and darkness but the God of all grace, who called you to his eternal glory in Christ, after you have suffered a little while, will himself restore you and make you strong, firm and steadfast. To him be the power for ever and ever (1 Peter 5:10-11, NIV). This testimony of hope and assurance that God counts each one of us worthy will encourage you to absorb the promises of God and embrace Him as the One who holds your future through a

growing personal relationship with Him. He is our One true source of healing and only in His Presence do we find our joy, comfort, and peace.

Learning from the Words of Jesus Eddie L. Webb,2024-01-22 This book is to let the reader understand more about the words in the Holy Bible. It starts out with a word. Then a question is asked what the word means, then it is given an answer. Then it is followed up with a scripture verse from the Holy Bible. The purpose of this book is to give the reader more understanding of the words of the gospel. Jesus talked of these words that are in the Holy Bible. The verses in this book are from the English Standard Version Bible.

Anchor of My Heart Mary "Taffy" Reed,2018-11-05 Release the pain and find a life of pure joy. Discover why you are struggling and finding it difficult to connect. Do you feel you're just surviving? The Bible refers to joy and a peace beyond our circumstances. I wanted joy and contentment in my life. This set me on a quest to find pure joy. God led me on a path to relinquish the pain of the past. He had me revisit the events of my birth. He had a plan of action to quench my negative internal thinking. He showed me how to release discouragement with hope and get past fear with a renewed mind. This biblical teaching identifies the lies and disbeliefs and replaces them with the truth. Each session begins with an action verb to help release the pain and uplift the burdens. In this book, you will learn how to: - asses your current mental status; - learn to listen for God's wisdom; - receive comfort like a mother's; - identify the source of your internal pain. This process exposes our feelings to reveal the source of our discontent. This text encourages us to listen to God for wisdom to overcome. The Word makes known God's comfort like our mother's. This truth reveals and identifies the origin of our distress. God transforms our thoughts and eradicates the pain, disappointment, and fear from the past. The results are remarkable. To release defeating thoughts, get past the misery and live a life of pure joy. God uplifts us and anchors our heart to his truth.

Joy and Tears Gerald W. Peterman,2013-02-18 This book presents a biblical and practical look at Christians and their emotions, building off of the concept that most contemporary Christians have misconceptions about why we have emotions and how we should handle them. Trusting God doesn't mean being consistently tranquil or subdued. Truth is, such a view makes life flat and two dimensional. We often forget that emotions are a gift; to fear them or stow them away would be to deny a huge part of what makes us human. This book explores the significance of the gift and the benefits of living a robust life of thought, action, and feeling. Illuminating the emotional life of Christ and his followers, As Dr. Gerald Peterman asks: If I'm forgiven, why do I feel guilt and shame? What about anger? What if I'm angry with God? What is the place of sadness in the Christian life? Is love only an action? Emotions don't just happen to us like the virus or the flu, they are inherently part of us. Readers will find that the discussion extends beyond "good" and "bad", as many emotions are neutral and it is up to them to figure out how to glorify God with them. Extended chapters on love and anger are included.

Brilliance Beyond Borders Chinwe Esimai, 2022-03-15 What if the traditional narrative about immigrant women--that those who come to the United States will succeed as long as they work hard, stay focused, and have supportive families--is a lie? Of the 73 million women in the US workforce, 11.5 million are foreign-born. The truth is--even in the midst of headlines and political debates about immigration reform and in the wake of MeToo and other female-centric movements--millions of immigrants, especially women, aren't living their fullest potential. Based on her personal experience and the stories of trailblazing women from around the world and in diverse industries, author Chinwe Esimai shares five indispensable traits that make an ocean of difference between immigrants who live as mere shadows of their truest potential and those who find purpose and fulfillment--what Chinwe refers to as their *immigrace*: Saying yes to your *immigrace*, an immigrant woman's expression of her highest purpose and potential Daring to play in the big leagues Transforming failure Embracing change and blending differences Finding joy and healing These five traits are the foundation of the Brilliance Blueprint, a step-by-step guide to help readers achieve to their own extraordinary results and build their own remarkable legacies.

Profound Improvement Coral Mitchell, Larry Sackney, 2011-03-21 The book discusses the idea of the learning community as a vehicle for professional learning and school development. As the authors show, the learning community develops in response to building capacity in three domains: personal, interpersonal and organizational. In the personal domain, educators deconstruct and reconstruct their professional narratives to enhance student learning and professional practice. In the interpersonal domain, educators generate norms and values that foster experimentation and critical analysis of educational practice and that promote collective and individual learning. In the organizational domain, visible and invisible structures are constructed that enable community members to enact educational practices in support of profound improvement in teaching and learning. This revised and updated edition of *Profound Improvement* not only brings this important work up-to-date but also shows how the authors' thinking has changed and developed since the book was originally written. The book focuses on the life of educators as it relates to professional learning and growth. It is concerned with human growth and development, human cognition and affect and human interactions and actions in the context of a school community. For the new edition the authors also: elaborate more fully the notion of learning communities based on living systems and ecological perspectives develop their capacity building model They show that building a learning community is a dynamic process that engages the individual, the group and the organization in embedded interdependencies and mutual influences. As the authors clearly demonstrate: education is a living system as opposed to a managed system.

Most things in life are connected and relate with equal importance to the mind, body and spirit. Since you must carry these three things on a daily basis, why not lighten the load and take the healthiest most productive you on the long haul?
