The New York Times Almanac 2000 John W. Wright, 1999-11 Drawing on the resources of the world's premier news organization, it provides readers with a wealth of data about the United States and the world - in a readable and more easily accessible form than other fact finders.

The New York Times 1998 Almanac John W. Wright, 1997 -- The government, population, and history of every state in the United States -- The economy, population, and brief history of every country in the world -- The winners of the Academy Award in every major category since its inception in 1928 -- The names and lifetime statistics of every player in the Baseball

Hall of Fame -- All Nobel laureates, and why they won their prizes -- Every endangered species in the United States, and their habitats -- Sales figures for every Fortune 500 company -- Obituaries of leading world figures -- The astronauts and accomplishments of every space flight in history The New York Times Almanac brings together more information on more subjects -- and in a more readable manner -- than any other almanac on the market. Up-to-date, with key facts and figures organized in an easily accessible fashion and set in historical context, this is the first choice for students, journalists, and researchers -- for anyone who needs timely, accurate information about the United States and other nations around the globe. Drawing on the unmatched resources of The New York Times, this volume gives more in-depth news than rival almanacs, and provides detailed coverage of many subjects omitted from other fact-finders.

The New York Times Almanac 2001 John W. Wright, 2000-11 This new edition of this in-depth almanac includes election results and the 2000 World Series, a complete sports section, comprehensive sections on science, technology and the environment, information on the Internet, helpful glossaries, and more. 16 pp. full-color maps.
